Dear Rachel Simowitz:

This is in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request received in this office on July 21, 2013 regarding James Jean Baptiste and completed as a partial denial on August 14, 2013.

We originally referred 7 pages to U.S. Visit for their review. We have processed these documents and therefore, we are making a supplemental release of the documents. Enclosed are 7 pages released in part. We have reviewed and have determined to release all information except those portions that are exempt pursuant to 5 U.S.C. § 552 (b)(7)(E) of the FOIA.

Exemption (b)(7)(E) provides protection for records or information for law enforcement purposes which would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. The types of documents and/or information we have withheld could consist of law enforcement systems checks, manuals, checkpoint locations, surveillance techniques, and various other documents.

As a matter of administrative discretion, we are releasing computer codes found on system screen prints previously withheld under exemption b(2). There may be additional documents that contain discretionary releases of exempt information. We will identify discretionary releases within the record. These discretionary releases do not waive our ability to invoke applicable FOIA exemptions for similar or related information in the future.

The enclosed record consists of the best reproducible copies available. Certain pages may contain marks that appear to be blacked-out information. Such black marks would have been present prior to our receipt of the file and are not information we have withheld under the provisions of the FOIA or PA.

If you wish to appeal this determination, you may write to the USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139, within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

The National Records Center does not process petitions, applications or any other type of benefit under the Immigration and Nationality Act. If you have questions or wish to submit documentation relating to a matter pending with the bureau, you must address these issues with your nearest District Office.
