Dear ICE Officer:

I am writing regarding the status of a FOIA request (NRC2013076518) filed on behalf of a client of the University of Miami Health Rights Clinic, Mr. James Jean Baptiste. In a letter dated August 14, 2013, USCIS stated that a number of documents responsive to a FOIA request we filed with them were referred to ICE for consideration and direct processing. Please find the letter attached. To date we have not received the documents or an update from ICE regarding the release of these documents. We respectfully request an expedited release of these records. Thank you and please contact me with any questions.

Sincerely,

Zach Lipshultz
