Re: Connecticut Freedom of Information Act Request: Greenwich,
Connecticut's inventory of vital records books and other source
materials for pre-1900 vital records

Dear Ms. MacLachlan:

In response to your request for records of April 21, 2021, please be advised that this office does not maintain a catalog, inventory or report, index or other record that lists the books in the possession of the Registrar used to record birth, marriages, deaths and burials before 1900. In the event you are seeking access to other records, please advise.

Thank you.

Very truly yours,

A handwritten signature in black ink that reads "Kenneth Spagnolo ATC".
