Prairie One Solutions LLC
Michael Kayser DO FACMGG
OSDH PHL Laboratory Director
OPCIE Executive Director

To the Board of Prairie One Solutions, LLC

I would like to inform you that I am resigning from my position as Laboratory Director OSDH PHL and Executive Director OPCIE, effective April 30, 2021.

Thank you for all the support and opportunities you have provided. I believe in the mission and vision of OPCIE and am grateful for the opportunity you have given me to launch the Public Health Laboratory and Pandemic Center in Stillwater. This will become an asset to Oklahoma, the region, and the country. Unfortunately, I am unable to continue in these roles.

I will do everything I can to complete the current projects and train other team members to take over my duties. Please let me know if there is anything else I can do to help during this transition period.

I wish OPCIE continued success for the future and expect great things for Oklahoma.

Sincerely,

A handwritten signature in cursive script that reads "Michael Kayser".
