Subject: FOIA Request DOC-CEN-2021-001311 Submitted

This message is to confirm your request submission to the FOIAonline application: [View Request](#). Request information is as follows:

- Tracking Number: DOC-CEN-2021-001311
- Requester Name: Mr. Jason Torchinsky
- Date Submitted: 04/07/2021
- Request Status: Submitted
- Description: All summaries, “tabulations[,] and other statistical materials,” 13 U.S.C. § 8(b), derived from, summarizing, and/or otherwise relating to the original underlying group quarters population data for Census Day, April 1, 2020, received in response to the Census Bureau’s 2020 Group Quarters Enumeration questionnaire regarding institutional living facilities or other housing facilities. In requesting these summaries, “tabulations[,] and other statistical materials,” we do not seek disclosure of the underlying raw group quarters population data itself as originally “reported by, or on behalf of, any particular respondent” to the Bureau, 13 U.S.C. § 8(b), nor do we seek any “publication whereby the data furnished by any particular establishment or individual under this title can be identified,” 13 U.S.C. § 9(a)(2); instead, we seek records deriving from or summarizing the originally reported raw data, and/or records with data that has been reformulated or repurposed by the Bureau in a form such that the underlying data can no longer be identified with a particular establishment or individual. For instance, any statewide aggregate total group quarters population tabulations of data that exclude, omit, or redact the original group quarters numbers as reported by, or on behalf of, individual institutions (i.e., tabulations where the Bureau excluded the underlying individualized raw data, or where such data can be redacted from the tabulations while producing the aggregate population totals) would be responsive to this request. Please note that this request encompasses both digital and physical records. “Record” should be understood as that term is defined under FOIA (5 U.S.C. § 552(f)(2)), and applicable case law (see, e.g., *Forsham v. Harris*, 455 U.S. 169, 193 (1980)), existing in any format whatsoever. Please understand “Census Bureau” to include any employees working for the Bureau...
