RE: Your CPRA request dated May 19, 2021

Dear Todd Hendricks:

We are responding to your California Public Records Act (CPRA) request dated and received by email on May 19, 2021. You are seeking “all correspondence regarding policy or citizen complaints between the District Attorney's office and the Alameda County Sheriff's Office regarding mental health care for in-custody inmates at Santa Rita Jail from January 1, 2021 through May 18, 2021.”

We are not exactly sure what you are looking for. Are you asking only about communications between the Alameda County District Attorney's Office and the Alameda County Sheriff's Office in which the topic is mental health care for inmates?

Once we hear back from you, we will be able to advise as to whether and when we can comply.

Thank you for your courtesy.

Very truly yours,

NANCY E. O'MALLEY
District Attorney
