Dear Ms. Shaw:

Thank you for your request to review county records and your interest in county government. I received the addendum to your email open records law request on April 1, 2021 for copies of the following Troup County documents or records

1. All email communications sent by any Board of Elections member to anyone, that concern “any proposed or implemented changes to the authority, composition, or member selection method” of the county elections board, including, but not limited to communications concerning HB 684. Please search from Nov. 3, 2020 to the date this email is received.
2. All email communications between each Board of Elections member and specified officials, including Rep. Jenkins, LaTricia Howard, Rep. Nix, Sarah Galyean, Rep. Smith, Kathy Hutcherson, Sen. Brass, Denese Sampson, Sen. Robertson, and Tarika Jackson regarding any subject. Please search from Nov. 3, 2020 to the date this email is received.

It has been determined that Troup County does not maintain documents or records that are responsive to your request and after relaying your request to the Board of Elections to review their personal emails for a second time, they have informed us that they do not have records responsive to your request.
