Subject: #rmsencrypt LL Tuesday 11-24-2020 & Mortality Summary
Attachments: COVID-19 Deaths 11-24-2020.xlsx; 11-24-2020 Death Summary.docx

Good morning,

Attached is the line list for Tuesday, 11-24-2020
New=17 (8 associated w/LTCF)
Total= 1809
Counties =110

Don't be fooled by the 17 deaths, ..yesterday close to 70 deaths were reported! I was off, Claudia was going to cover them and then she was given a special task to do instead. She and I worked on them this morning, but NEDSS keeps going down, that is where our information is, so we can't get through these. We will both work with Sapna today to try and get caught up. I will ask Kirsty to let the Regional Epi's know many of their deaths will not be reported out today. Also, this morning, they are coming in fast as well. :(
