Good Morning:

Due to unusual circumstances, an extension of up to 10 working days will be necessary to process your Freedom of Information Act (FOIA) requests to the Office of Management and Budget (OMB), which were received in this office on August 15, 2014. This additional time is required because, in order to respond to your requests, there is a need for consultation with other components within OMB regarding documents responsive to your requests. The authority for this extension can be found in 5 U.S.C. 552(a)(6)(B).

Sincerely,

Dionne Hardy
