## Expand your horizons in sunny South East Queensland!

Ditch the winter chill and join Australia's largest public health service,  
Metro North Health, based in beautiful Brisbane.

We're looking for Registered Nurses and Midwives (Nurse Grade 5) to join our growing team, across a mix of full and part time roles including permanent, temporary and casual positions in any of our six hospitals and extensive community health services.

Our facilities include:

- Royal Brisbane and Women's Hospital
- The Prince Charles Hospital
- Redcliffe Hospital
- Caboolture Hospital
- Surgical, Treatment and Rehabilitation Service
- Kilcoy Hospital
- Community and Oral Health
- Metro North Mental Health

All Metro North facilities are located in the bustling Brisbane region. As one of Australia's most liveable cities, Brisbane is booming with culture and just a short scenic drive to the Gold and Sunshine Coasts offering incredible beaches and natural rainforest.

We're the largest hospital and health service in our region, so you'll enjoy working with some of Australia's leading clinicians while simultaneously revelling in Queensland's relaxed, outdoor lifestyle.
