PRIMARY INVESTIGATIVE NARRATIVE

This narrative will serve as the primary investigative narrative, summarizing the investigative work of detectives assigned to this case. While the entirety of each detective's investigative efforts will not be detailed in this narrative, each detective's investigative work will be detailed in their own investigative narrative. When other detectives or deputies are mentioned in this narrative, please refer to the detailed narrative completed by the named detective or deputy.

Sunday, May 9, 2021, at approximately 1433 hours,

I was directed by Sergeant David Garns to respond to the Durbin Crossing North Amenities Center, located at 730 North Durbin Parkway, in reference to missing juvenile Tristyn Bailey. Sergeant Garns advised Tristyn had been reported missing earlier this morning and a search involving the St. Johns County Sheriff's Office (SJSO) Aviation Unit along with additional resources had yielded negative results. Sergeant Garns further directed me to assist with obtaining a "ping order" for Tristyn's cell phone to attempt to locate the device's geographical location, believing she would be with or near her cell phone.

While en route, I reviewed the 911 call placed by Tristyn's mother Stacy Bailey on May 9, 2021, at approximately 1000 hours. During the entire call Stacy appeared to be upset and distraught. The following is a synopsis of the 911 call, for further details, refer to the call in its entirety, which was placed in evidence.

- Stacy requested an officer and stated she had a missing child.
- Stacy advised the missing child was her daughter, Tristyn Bailey, and described her as a 13-year-old female, approximately 5'4", 130 pounds, who attended Patriot Oaks Academy.
- Stacy advised Tristyn was last seen at approximately midnight by another sibling and was supposed to be sleeping in her bedroom.
- Stacy advised, to her knowledge, Tristyn had not snuck out of the house before.
- Stacy advised Tristyn's cell phone was not in her bedroom and went straight to voicemail when they called Tristyn's cell phone.
- Stacy advised Tristyn's cell phone locations and Snapchat locations were turned off.
- Stacy advised a family friend had Tristyn on the Life 360 application but Tristyn stopped sharing her location.
- The dispatcher asked Stacy to search the house room by room while on the phone with the dispatcher.
- Stacy told the dispatcher she and her family had already searched the home.
- Stacy advised Tristyn recently began hanging out with friends in the neighborhood and participated in cheerleading for three different cheerleading squads.
- Stacy advised Tristyn did not seem upset before going to bed, but has been stand-offish lately and goes

to her room a lot.

- Stacy advised Tristyn never said anything about wanting to leave or harm herself.
- Stacy advised the only thing Tristyn has ever said was she felt like she didn't do anything right.
- Stacy advised Tristyn did not take any medications for depression or anxiety.
- Stacy advised Tristyn did not have a boyfriend.
- Stacy stated Tristyn communicates with several friends from school.
- Stacy advised Tristyn and a friend attended the neighborhood's "Food Truck Friday."
- Stacy said the friend's parents drove them to the event and also picked them up afterwards.
- Stacy stated Tristyn was discovered missing this morning after a sibling went to get her for breakfast.
- The 911 call concluded with the arrival of law enforcement.

At approximately 1454 hours,

I arrived at the North Amenities Center and met with Deputy Robert Maloney. Deputy Maloney was the initial responding deputy and met with Stacy at 231 Cloisterbane Drive. The following is a synopsis of the information provided by Deputy Maloney:

- After leaving her house, Tristyn was hanging out with Doffis "Tre" Absher III.
- Deputy Maloney identified and met with Doffis "Tre" Absher III at 145 Telford Drive. Doffis advised Tristyn was at his house the previous night and left with Aiden Fucci at approximately 0100 hours.
- Deputy Liam Stack was also with Deputy Maloney when they met with Doffis at his residence. Deputy Stack advised Doffis stated when Tristyn came to his house, she snuck around the north side of the house to avoid the security cameras on their residence. Doffis advised Tristyn and Aiden left his house together and at the time Tristyn was wearing a black and grey t-shirt with the word "PINK" across the front and black sweatpants.
- Deputy Maloney then met with Aiden at his residence, 724 Castledale Court.
- Aiden advised Deputy Maloney he and Tristyn were at Doffis' house and left together at approximately 0100 hours.
- With the consent of his mother, Crystal Smith, Aiden showed Deputy Maloney where he and Tristyn went after leaving Doffis' house.
- Aiden advised after he and Tristyn left from Doffis' house, they walked to North Durbin Parkway.
- Aiden said Tristyn then turned onto Cloisterbane Drive to go to her home.
- Aiden stated he walked along North Durbin Parkway and arrived home between approximately 0300 to

0330 hours.

- Deputy Maloney asked Aiden to clarify his time line since it seemed odd it would take Aiden approximately two hours to walk from Doffis' house to his house. For reference, per Google Maps, the walking distance would have been approximately 1.4 miles, or a 28-minute walk.
- Aiden changed his story, stating he and Tristyn continued walking north along North Durbin Parkway and got into an altercation after Tristyn grabbed his penis.
- Aiden stated he forcefully pushed Tristyn to the ground, which caused her to strike her head.
- Aiden advised the incident occurred near the 600 block of North Durbin Parkway, just north of Leith Hall Drive.
- Aiden said he was not sure if he saw Tristyn get up due to him being dizzy from smoking a marijuana earlier at Doffis' house.
- Aiden advised after the incident with Tristyn he "walked around alone for a while."

Based on Aiden's statements, Deputy Maloney believed a crime may have occurred and advised Aiden of his Constitutional Rights. Aiden invoked his rights and declined to provide any further statement. Aiden was returned to the North Amenities Center, at which time Aiden and his parents requested an attorney.

Detective Kimberly Peluso of the Special Victims Unit also responded to the scene. Detective Peluso advised she spoke with Aiden Fucci and Doffis Absher and learned the following information:

- Aiden stated Tristyn could be with a drug dealer who is in his twenties that she communicates with through Snapchat or she could be on a path by the north amenities center known for teenage drug use.
- Aiden stated Tristyn's friend "Shyla" would have more information.
- Aiden tried to call Tristyn several times but her phone was going to voicemail.

Detective Peluso advised during her conversation with Doffis she learned the following information:

- Doffis stated Tristyn came to his house at approximately 0030 hours this morning.
- Doffis told her Tristyn did not stay very long and left his house with Aiden.
- Doffis advised he believed Aiden dropped Tristyn off at the front of her neighborhood and continued walking to his house.
- Doffis believed Tristyn got caught outside of her house by her sister, and then left to go meet with the drug dealer.
- Doffis stated he believed Tristyn may be with a drug dealer who was in his early twenties.
- Doffis allowed Detective Peluso to review his Instagram and Snapchat accounts to access Tristyn's profiles. Detective Peluso did not locate any recent postings to Instagram, but noticed Tristyn's last Snapchat post was approximately 16 hours prior.

Incident Report Narrative

SJSO21OFF004305

06/21/2021

At approximately 1500 hours,

Corporal Justin Ackerman of the Special Victims Unit responded to 334 Sanctuary Drive to attempt to make contact with two of Tristyn's friends, Samantha and Lina Creel. Corporal Ackerman advised no one was at the residence, but he was able to speak with Jerry Creel, Samantha and Lina's father, via phone. Jerry stated Lina contacted Doffis earlier and was told Tristyn and another boy snuck out in the middle of the night and were hanging around the north amenities center. Doffis said the two boys went home, but Tristyn was going to hang out with a 22-year-old drug dealer named "Karlo."

At approximately 1529 hours,

I learned Sergeant Christopher Alexander, the patrol supervisor, identified Tristyn's cell phone number as (720) 878-8125 with service provided through AT&T. Sergeant Alexander also previously requested her phone to be pinged. SJSO Communications Shift Leader Ramona Davis began to forward the Mobile Locator Results ("pings" for Tristyn's cell phone) to me via email. The Mobile Locator Results indicated a location of "081 31 50.790W, 030 05 23.860N," with a location accuracy of within a 2,500-meter radius from that central location. This placed the center of the radius within a wooded area south of the Loop Nursery, located at 4842 Racetrack Road. Additionally, the data source for the Mobile Locator Results was historical, indicating Tristyn's cell phone was no longer actively sending signals.

I submitted an exigent request for 30 days of Tristyn's call and text detail records to attempt to identify a pattern of her communication, any recent deviation from that pattern, and attempt to identify anyone Tristyn may have had contact with the evening of May 8th through the morning of May 9th.

At approximately 1559 hours,

I received the requested call and text detail records from AT&T for Tristyn's cell phone, but was unable to open them at that time due to technical complications. I then relocated to the Unified Command Center, located at Veterans Park.

At approximately 1629 hours,

I received an email from SJSO Communications with a photo attachment of a Snapchat message. The Snapchat message depicted Aiden Fucci in the back seat of a patrol car taking a "selfie" while holding up a "peace sign" in the reflective panel of the patrol car divider. Within the Snapchat message was a text banner reading, "Hey guys has inybody [sic] seen Tristyn lately." The message appeared to have been forwarded at least twice, and included additional text banners reading, "Wtf Aiden" and "You were with her Aiden u know what happened to her."

I notified my chain of command and the investigative team of the Snapchat message and requested through the patrol supervisor Aiden's cell phone be seized as it possibly contained evidence related to this investigation.

At approximately 1630 hours,

Corporal Ackerman responded to the Durbin Crossing North Amenities Center, 730 North Durbin Parkway, to attempt to obtain video footage. Corporal Ackerman was successful in retrieving video footage from the amenities center, depicting the main entrance and sidewalk along North Durbin Parkway. The video footage depicted two subjects walking past the main entrance along the sidewalk at approximately 0114 hours on Sunday, May 9, 2021. At the time Corporal Ackerman viewed the video footage, he was unaware the video was behind the actual time by 10 minutes and 36 seconds, thus the

Incident Report Narrative

SJSO21OFF004305

actual time the two subjects walked past the amenities center was at approximately 0124 hours. Corporal Ackerman collected video footage beginning May 8, 2021, at 2300 hours through May 9, 2021, at 0200 hours and submitted the video to evidence.

At approximately 1650 hours,

Sergeant Thomas Marmo of the Special Victims Unit, with the assistance of the Florida Department of Law Enforcement (FDLE) Missing Endangered Persons Information Clearing House (MEPIC), requested a Missing Child Alert for Tristyn.

At approximately 1702 hours,

I was able to open the AT&T exigent call and text detail records for Tristyn. These records indicated Tristyn's last outgoing call was on May 7, 2021, at approximately 2100 hours from her sister, SB. The records did not reflect any call or text details for May 8, 2021. Tristyn had an incoming voice call at approximately 0025 hours on May 9, 2021, from a phone number later identified as Aiden Fucci. The remainder of the call or text detail records were all incoming calls, all of which began at approximately 0940 hours, approximate to the time Tristyn was discovered missing.

At approximately 1710 hours,

Detective Peluso conducted audio recorded interviews with the Bailey family. The following is a synopsis of the interviews, for further information refer to the audio recordings in their entirety which were electronically attached to the report.

- Tristyn was in 7th grade at Patriot Oaks Academy, was doing well in school, and was actively involved in multiple cheer teams.
- The Bailey family went to dinner on Saturday evening, May 8, 2021. After dinner, the Bailey family visited one of their adult daughters and returned home approximately 2345 hours.
- Tristyn's sister, SB, last saw Tristyn speaking with an unknown white male wearing a backwards white baseball cap on a video chat in the garage at approximately midnight.
- Tristyn was last seen wearing what they believed to be a white cheer shirt and dark shorts.
- Tristyn's siblings were making Mother's Day breakfast on Sunday morning, May 9th, and went to wake Tristyn at approximately 0940 hours. They were unable to locate Tristyn in the house.
- The Bailey family searched of the house and the immediate area for Tristyn but were met with negative results.
- Forrest Bailey, Tristyn's father, searched the area of the north amenities center, but did not locate Tristyn.
- Stacy Bailey, Tristyn's mother, called 911 at approximately 1000 hours.
- Forrest created a social media post requesting the community's assistance with searching for Tristyn.
- Tristyn had a "Life 360" application on her phone, which was monitored by a friend; however, that account was no longer being actively monitored. Tristyn did not have the "Find my iPhone" application

SJSO21OFF004305

activated.

- Forrest accessed Tristyn's phone records as he was the primary account holder, and determined Tristyn last used her cell phone to send a text message at 2251 hours on May 8th, 2021 to a 407 area code number. Note: This number was not reflected in the records provided by AT&T via the exigent request for call and text detail records.

- After speaking with multiple people, they assumed Tristyn had snuck out the previous night.

- The Bailey family advised they were unaware of Tristyn sneaking out prior to this incident.

- While conducting interviews, Detective Peluso learned Tristyn may have been in contact with a 22-year-old drug dealer named "Karlo," unknown if spelled with a "C" or a "K," and with a last name of either Bonatti or Lindo. "Karlo" was described as approximately 5'8" with dark hair, who drives a big Ford F-150 pickup truck. An address for "Karlo" was possibly identified as 12508 Muscovy Drive in Jacksonville, Florida.

- While speaking with the Bailey family, SB and Stacy contacted a friend of Tristyn's who advised she contacted "Karlo" and he denied knowing Tristyn.

- Detective Peluso advised she was informed of additional information that Tristyn may have been involved in an illegal activity, was afraid she would be caught, and wanted to run away.

Karlo Lindo was positively identified and detectives were tasked with responding to locations to attempt to locate and interview him.

Detective Mohammad Toubaili and Detective Cheyenne Kroul attempted to meet with Karlo at 12508 Muscovy Drive, but were advised by the residents they did not know anyone by that name. The residents were shown a photograph of Karlo and continued to advise they neither knew Karlo nor recognized anyone that resembled Karlo.

Detective John Neman and Sergeant Michael Smith responded to 1319 Fruit Cove Road to attempt to identify Karlo. They made contact with Marco Lindo who advised Karlo was his brother. Marco advised Karlo was not at the residence. Marco called Karlo and Detective Newman recorded their phone conversation. Karlo advised he's been staying at his father's residence due to his truck being broken down. Investigative resources revealed Karlo's vehicle was last in St. Johns County on May 1, 2021.

Note: Information later obtained failed to reveal any further probative connection to Karlo and he was excluded from the investigation.

At approximately 1715 hours,

Detective Kenneth Carver and Detective James Giammarinaro canvassed Cloisterbane Drive for possible witnesses and video surveillance.

At approximately 1800 hours,

Detective Toubaili conducted an audio recorded interview with Katerina Cox via phone. Katerina advised there was a video circulating on social media regarding a subject named "Tre" encouraging a female named "Lola" to sneak out on the night of May 8th, 2021. Katerina advised "Lola" stated she was unable to sneak out, but "Tre" also contacted Tristyn to encourage her to sneak out that same night.

Incident Report Narrative

SJSO21OFF004305

06/21/2021

At approximately 1806 hours,

I was notified the Sheriff's Office received a call from Daniel Hart, who advised he located what appeared to be a deceased female in a wooded area east of the cul-de-sac on Saddlestone Drive. East of the cul-de-sac was a retention pond on the property of 4286 Racetrack Road, Durbin Creek Nursery.

Patrol units responded and located a deceased female, later identified as Tristyn Bailey. Deputy Robert Neigebauer pronounced Tristyn deceased at 1815 hours.

Tristyn was located in a wooded area approximately 80 feet from the southernmost end of the retention pond south of the Durbin Creek Nursery, located at 4286 Racetrack Road. Tristyn was laying on her right side with her head pointed to the east looking north and her feet pointed to the west. Tristyn's right leg was bent slightly at the knee and her left leg was bent at a 90-degree angle at the knee. Tristyn's right arm was extended with a slight bend at the elbow and her left arm was bent at the elbow with her hand touching her chin. Tristyn was wearing a black Victoria Secret shirt with the word "PINK" on the front, black "Nike" brand sweatpants, and black and white slip on "Vans" brand shoes.

Tristyn's hair appeared to be matted and red in color, which appeared to be blood. Tristyn had multiple sharp force injury wounds on her hands, arms, neck, and appeared to have additional sharp force trauma injuries to her back, evident by the holes in her shirt.

In the immediate vicinity, Crime Scene Technician (CST) Marilyn Butts located a gold toned ring, a cell phone later identified as Tristyn's cell phone, a \$20 bill, and a pink vape device.

CST Butts advised she located a possible shoe impression within the wooded area, as well as a "Power Ade" bottle near the pond. CST Butts advised she did not locate any other items of possible evidentiary value, nor did she observe any suspicious circumstances around the scene.

CST Butts collected the cell phone after processing the scene, which was later transferred to Detective David Causey with Digital Forensics to be processed.

At approximately 1818 hours,

At approximately 2030 hours,

Sergeant Garns contacted Deputy Maloney regarding any additional information he may have regarding the case, as Deputy Maloney went off duty prior to the discovery of Tristyn's deceased body. Deputy Maloney advised while conducting a pat down for weapons of Aiden at the North Amenities Center, he located a blue handled folding knife. Deputy Maloney advised he inspected the knife, but did not observe anything suspicious about it, and turned the knife over to Aiden's father, Jason Fucci.

Jason was contacted and advised he placed the knife on the bumper of his truck and forgot to retrieve it before leaving the north amenities center, further advising it may have fallen off of his bumper somewhere.

Detective Kermit Kidder responded to the amenities center in reference to searching the area for a knife, but was able to locate one.

- Jason then asked, "What were you doing outside that late at night?" Aiden stated he was at Doffis' house hanging out.
- Jason asked "Did you kiss or do anything with them?" Aiden stated he kissed Tristyn and denied doing anything further. Jason then asked, "So your DNA is going to be on her?" Aiden did not respond.
- Jason stated "We saw your shoes were off on the camera. Why were your shoes off?" Aiden responded, "Because my feet were hurting. And those shoes give me blisters."
- Crystal asked Aiden if he came home then snuck back out again, or if he was at Doffis' house the whole day. Aiden stated he did not sneak back out and was at Doffis' house the whole day.

Crystal advised they were going to wait until their attorney arrived.

- After Detective Thompson left the room, Jason and Crystal explained the things Detective Thompson requested were a DNA test, to make sure nothing was underneath his nails, and nothing was on his body. Crystal explained detectives were going to go home and collect the clothes Aiden was wearing.

- Jason asked, "There will be nothing on those clothes, right?" Aiden stated, "no sir."

- Crystal asked if Aiden wore khakis or blue jeans. Aiden advised he wore blue jeans. Crystal asked again if Aiden was sure there was nothing on them. Aiden replied, "I don't think so. Why?"

- Crystal then gave Aiden a questioning look and whispered, "Blood."

- Crystal then stated, "When we looked on the camera, you were wearing khakis." Shortly after, Crystal asked, "Right?" Aiden then indicated yes. This appeared to be Crystal attempting to convince Aiden he was wearing khaki pants instead of blue jeans, contrary to his previous response.

- Crystal asked Aiden about the alleged drug dealer. Aiden advised he never saw this drug dealer and has only heard about him.

- Jason asked about a rumor of Aiden and Tristyn getting into a black car to get drugs. Aiden stated he did not.

- Jason asked again if Aiden kissed Tristyn last night, Aiden advised he did kiss Tristyn along the walk.

- Crystal stated she didn't see why Aiden kissed Tristyn, then she grabbed Aiden, and then Aiden pushed her.

- Jason and Crystal both advised Aiden to find his story and stick to it.

- Jason and Crystal explained an autopsy would be completed and explained what could be discovered during the autopsy.

- At approximately 2226 hours, Aiden, Crystal, and Jason came back into the recorded interview room with a substantially more upset demeanor. All were sniffing and appeared to have recently been crying.

- Crystal reminded Aiden the room was recorded and instructed him to not say anything.

- Jason and Crystal made several comments about Aiden not coming home this evening and spoke with Detectives about where Aiden would be placed for the night and the next several days.

Note: These comments were made after consulting with their attorney and before any decision was made or communicated to arrest Aiden.

- Aiden asked Crystal and Jason if there was a chance of him going home this evening. Crystal stated "They are gonna search my house first, and if there is any kind of thing that links... But I doubt he is gonna go home, Jason." Aiden then stated, "I know I'm staying here."
- Jason began typing something into an apparent text application on his phone and Jason and Aiden were observed passing the phone back and forth several times. This appeared to be a means of communication between Jason and Aiden to subvert investigative efforts.
- Crystal asked Aiden if he was high last night, Aiden stated he was not. Aiden stated he smoked CBD last night, not THC. Aiden stated THC gets him high, CBD does not. Crystal then stated, "I'm just trying to think if you did something stupid, maybe something made you do it so that would justify it."
- While Aiden was in the interview room, Detective Thompson attempted to interview both Jason and Crystal independently about any information regarding this investigation. During the audio and video recorded interviews, both Jason and Crystal refused to provide any information regarding this investigation.
- At approximately 2346 hours, a search warrant was obtained to collect evidence from the person of Aiden. This search warrant, is herein after referred to as "Search Warrant #3 - Person of Aiden Fucci." This search warrant was signed by Judge Alexander Christine after being reviewed by Assistant State Attorneys Jason Lewis and Jennifer Dunton. A signed copy of the search warrant was sent to Detective Manning and Detective Thompson for execution.
- At approximately 0009 hours on May 10, 2021, CST Nicholas Rockwell entered the interview room with Detective Manning to execute a search warrant to collect evidence from the person of Aiden. During the execution of the search warrant, CST Rockwell collected DNA buccal swabs, major case prints, a penile swab, fingernail scrapings, Aiden's clothing, and digital photographs.

At approximately 2054 hours,

While canvassing the area of Saddlestone Drive, Detectives Giammarinaro, Carver, and Howell were recalled back to 586 Saddlestone Drive by the homeowner, Zack Bissell. Zack advised he located video footage he believed may be relevant after discovering the timestamp on his video system was incorrect. Digital Forensics Detective Kevin Greene responded to assist with the collection of the video.

Upon later review of the video, the video depicted two subjects walking east on the sidewalk along Saddlestone Drive, toward the area of the pond at 0016 hours on the video time. Calculating the time difference, the real time the subjects were depicted walking past this address was at approximately 0146 hours. The two subjects appeared identical to the description of the aforementioned subjects observed on video surveillance from 541 Saddlestone Drive.

The next video depicted one subject, appearing to be the taller subject, wearing a light colored hooded sweatshirt, running west along the sidewalk of Saddlestone Drive at approximately 0327 hours. The video system was also equipped with audio and the sounds of the subject's feet hitting the pavement while running were clear. Additionally, the subject appeared to be carrying something in his right hand; however, the video footage appeared blurry and the carried item could not be positively identified. Based on the video previously obtained from 541 Saddlestone Drive, and the subject and timeline appearing to

be consistent, it was reasonably presumed the carried item observed in this video footage was the white shoes with the black "Nike" swoosh.

At approximately 2100 hours,

Corporal Ackerman made contact with Andy Akel at 25 Ninewells Lane and conducted a surreptitious audio recorded interview. During the interview, Andy repeated information previously advised by Detective Toubaili. Andy further advised he did not have any knowledge about the investigation, a deputy came to his house earlier in the day looking for Aiden in reference to a missing juvenile investigation, then the deputy went to Aiden's house. Andy advised he was aware investigators were preparing a search warrant for his house, but also stated he would give voluntary consent for investigators to search his residence.

At approximately 2102 hours,

Doffis III was delivered to CID and placed in Interview Room 3, which was both audio and video recorded. During the time Doffis III was alone in the interview room and did not make any statements which incriminated either Aiden or himself. Doffis III did suffer a nose bleed and was provided paper towels by Detective Manning. CST Rockwell entered the room at approximately 2245 hours and photographed Doffis III and collected a voluntary DNA buccal swab. Doffis III was provided a ride home by law enforcement and left the interview room at approximately 2305 hours.

At approximately 2215 hours,

Detective Holland and CST Sefanie Whittington entered 145 Telford Drive, pursuant to the written permission to search provided by Doffis Jr. Within the residence, a black hooded sweatshirt previously described by Doffis Jr. was located in the laundry room. In Doffis' bedroom, a pair of brass knuckles were located on the dresser, numerous pairs of "Vans" brand shoes, and a blanket with dirt.

Detective Holland shared the information of what was located in the house with Doffis Jr. A property receipt was completed for the black hooded sweatshirt, the brass knuckles, and the blanket. The residence was released back to Doffis Jr.

At approximately 2252 hours,

St. Johns Family Funeral Home transported Tristyn to the District 23 Medical Examiner's Office, where a post mortem examination was scheduled for the morning of Monday, May 10th, at 0900 hours.

At approximately 2253 hours,

Corporal Ackerman obtained written consent from Andy Akel to search the residence of 25 Ninewells Lane. Corporal Ackerman, Detectives Toubaili and Kidder, and CST Whittington searched the residence, but did not locate anything of evidentiary value. The residence was released back to Andy Akel at approximately 2330 hours.

At approximately 2320 hours,

A search warrant for Aiden's cell phone, herein after referred to as "Search Warrant #1 - Aiden Fucci Cellphone," was signed by Judge Alexander Christine, after review by Assistant State Attorneys Jason Lewis and Jennifer Dunton. A copy of the signed search warrant was provided to Digital Forensics Detective David Causey, as was Aiden's cell phone for execution.

Detective Causey later advised he was unable to capture a complete forensic download of Aiden's cell phone due to his cell phone operating off of a "Beta Operating System," one which had not yet been publicly released, therefore the forensic software was not able to capture a complete set of data from the download.

"Search Warrant #1 - Aiden Fucci Cellphone" was filed for record with incomplete data results on May 20, 2021.

At approximately 2342 hours,

A search warrant for Aiden's residence, 724 Castledale Court, herein after referred to as "Search Warrant #2 - 724 Castledale Court," was signed by Judge Alexander Christine, after review by Assistant State Attorneys Jason Lewis and Jennifer Dunton. A copy of the signed search warrant was provided to Sergeant Garns and the authorized search of the residence commenced at 0044 hours on May 10, 2021. Investigators present and assisting in the execution of this search warrant included CST Butts, Sergeant Garns, Detectives Giammarinaro, Howell, and Newman. Detectives Holland and Kidder, as well as Digital Forensics Detective Matt Thomas arrived at the residence later.

CST Butts detailed the evidence obtained from the execution of this search warrant in her supplemental narrative. For complete details, please refer to her narrative. In summary, some of the most relevant items located were:

- One black "Buck" brand knife sheath, located in the middle east drawer of the dresser located inside the west closet wall of Aiden's bedroom, located by Detective Newman. Detective Newman advised this sheath was commonly known to carry a folding "Buck" brand knife. In the search of the residence, a "Buck" brand knife was not located.
- One pair of wet white "Nike" brand high-top athletic shoes with possible blood, located between the dresser and the west closet wall of Aiden's bedroom, located by Detective Giammarinaro. The possible blood was tested, which yielded a positive result for the presence of blood.
- One white, short sleeve t-shirt with possible blood, located under the dresser in the closet in Aiden's bedroom, located by Sergeant Garns. The possible blood was tested, which yielded a positive result for the presence of blood.
- One white piece of paper with handwriting and possible blood, located in Aiden's bedroom on the closet floor after the dresser was removed, located by Sergeant Garns.
- One pair of wet blue denim jeans, located inside of the laundry basket along the east wall in Aiden's bedroom,
- The drain of the bathroom sink, adjacent to Aiden's bedroom, appeared to have dirt residue on or near the drain. The drain was tested for the presence of blood, which yielded a positive result. The drain trap with water in the drain was removed by Detective Holland.
- One LTS DVR video surveillance system.

"Search Warrant #2 - 724 Castledale Court" was filed for record with a complete inventory on May 19, 2021.

At approximately 0020 hours,

Digital Forensics Detective Thomas downloaded video from the residence at 395 Cloisterbane Drive, which depicted the residence at 25 Ninewells Lane within its camera view. Upon review of the video, nothing probative was observed. The video was submitted to evidence.

At approximately 0045 hours,

Corporal Ackerman and Detective Toubaili responded to 244 Clover Court to make contact with Laura Bunso and her daughter, Olivia Betencourt, who reported having information about another subject possibly involved in Tristyn's death. During a sworn audio recorded interview, Olivia advised she knew Tristyn and used to cheer with her. Olivia advised she knew Aiden from a previous class at Fruit Cove Middle School, but did not know Doffis very well. Olivia further advised she discovered a group chat on Snapchat between Aiden, Doffis, and another subject named Abtin Bahrami regarding the incident. Additionally, Abtin communicated through Snapchat vivid details on what he believed Aiden did to Tristyn.

At approximately 0330 hours,

Aiden Fucci was arrested and charged with 2nd Degree Murder for his suspected involvement in Tristyn's murder, based on the following circumstances:

- Aiden Fucci was identified as a subject who last had contact with Tristyn. Aiden provided inconsistent statements, but admitted to leaving Doffis' residence with Tristyn at approximately 0110 hours and returning home at approximately 0330 hours.
- Video footage obtained from Saddlestone Drive on May 10, 2021, at approximately 0145 hours depicted two subjects walking east toward the pond where Tristyn was later located deceased. One of the subjects was wearing what was clearly distinguishable as a pair of white shoes with a black "Nike" swoosh. The second subject appeared to be wearing dark clothing.
- Tristyn was located deceased in an area consistent with the direction of travel of the two subjects observed on video. Tristyn was found with multiple sharp force trauma injuries and was wearing clothing consistent with the second subject observed in the Saddlestone Drive video surveillance.
- The same video depicted one subject walking west away from the pond, carrying a distinguishable pair of white shoes with a black "Nike" swoosh at approximately 0327 hours.
- While Aiden Fucci was in an audio and video recorded interview room with his mother, Crystal Smith, and father, Jason Fucci, Aiden's parents asked him about coming home at approximately 0330 hours from the video surveillance in their residence. Specifically, Aiden was asked why he was carrying his shoes, to which he responded his feet hurt. This admission thereby identified himself as the subject observed on the Saddlestone video surveillance carrying his shoes.
- The search warrant executed for Aiden's residence, 724 Castledale Court, yielded several items of evidence which appeared to have been hidden in Aiden's bedroom, which yielded a presumptive positive test for blood.

Aiden was secured and escorted to the St. Johns County Jail to be booked in on this charge without further incident.

As Aiden was being placed under arrest, Detective Jacob Manning seized Jason Fucci's cell phone to

preserve potential evidence, due to Jason and Aiden passing the phone back and forth to communicate through a text messaging application as a way to subvert investigative efforts.

The search warrant being conducted at 724 Castledale Court was suspended for the evening.

At approximately 0345 hours

I met with Forrest and Stacy Bailey to advise them an arrest had been made in this matter. Furthermore, I advised them Doffis had been released from custody, as his possible involvement could not be determined at this time.

At approximately 0900 hours,

I responded to the District 23 Medical Examiner's Office where a post mortem examination was performed by Dr. Predrag Bulic, the Chief Medical Examiner. Also present was Lieutenant Jeremy Russell, Sergeant David Garns, CST Butts, Assistant State Attorney Jennifer Dunton, and Investigator Mark Kapelka with the State Attorney's Office.

During the course of the post mortem examination, the following observations were made:

- Tristyn was wearing a black Victoria's Secret shirt with the word "Pink" across the front. Numerous defects in the front of the shirt were consistent with sharp force trauma injuries on Tristyn's back and there were no injuries on Tristyn's chest. Thus, it was determined Tristyn wore her shirt backwards. This is also consistent with information previously obtained by Deputy Liam Stack from Doffis - that he described Tristyn as last seen wearing a black and grey shirt with the word "Pink" across the front.

- Tristyn's brassier was worn inside out. Tristyn was wearing black "Nike" brand sweatpants and black and white slip on "Vans" brand shoes.

- Tristyn was coming out of rigor mortis and appeared to have skin slippage. Based on these conditions, Dr. Bulic estimated Tristyn's time of death was consistent with occurring between 0145 and 0330 hours on May 10, 2021.

- Tristyn appeared to have hand prints on her upper left inner and outer thigh, inner left calf, inner right calf, and upper right thigh. The hand print on Tristyn's upper left thigh appeared consistent with a right hand and based on the pattern of the hand print, it was determined it would not have been her own hand. CST Butts detected possible ridge detail in the hand print and used chemical agents to attempt to further develop the ridge detail. The handprints were later examined by Latent Print Examiner Samantha Otter, who determined ridge detail was not developed.

- Tristyn was found to have a total of one hundred and fourteen stab or cutting wounds, concentrated to the top of her head, back of her neck, the back of both of her arms and hands, and her back. Some of the injuries to her hands were penetrating, which indicated at the time of those injuries, her hands were on a hard object, most likely her head. Based on the nature of the injuries, it appeared the suspect was standing behind Tristyn and came at a downward angle.

- Dr. Bulic found three stab wounds which penetrated Tristyn's left chest cavity and punctured her left lung three times. Additionally, Dr. Bulic found one stab wound which punctured her right chest cavity and her right lung once.

- Dr. Bulic estimated the cutting instrument to be a single edged blade approximately four inches in

Incident Report Narrative

SJSO21OFF004305

length.

- X-rays of Tristyn's body indicated a possible metallic fragment on the top of Tristyn's skull, which was *not initially recovered during autopsy.*

- Dr. Bulic advised his detailed report would be available at a later date, however, he confidently stated Tristyn's cause and manner of death would be listed as a homicide due to sharp force trauma.

The post mortem examination concluded at approximately 1435 hours.

At approximately 1200 hours,

The SJSO Dive Team and Mobile Field Force deployed to the staging area, established behind Durbin Creek Nursery at 4286 Racetrack Road. Detective Newman was assigned as the liaison from investigations to direct the search efforts. Land and water search operations commenced at approximately 1300 hours.

At approximately 1335 hours,

Detective Thompson was tasked with following up on the tips being submitted to the Sheriff's Office.

At approximately 1350 hours,

The execution of the search warrant resumed at 724 Castledale Court with Detectives Manning and Kidder, and CST Whittington present. During this search, the following items were located:

- 8 pocket knives
- 1 homemade "shank"
- 2 sweatshirts
- 5 black hats

One of the sweatshirts, a grey hooded sweatshirt with possible blood on the right sleeve, was located by Detective Kidder in Aiden's bedroom closet. This hooded sweatshirt was photographed and collected by CST Whittington.

At approximately 1427 hours,

Detective Giammarinaro collected the white t-shirt and white "Nike" brand shoes, originally located in Aiden's bedroom during the execution of the search warrant at 724 Castledale Court, and transported those items to the FDLE laboratory in Jacksonville.

At approximately 1515 hours,

Detectives Carver and Thompson responded to Telford Drive and canvassed for possible witnesses and video surveillance.

Detective Thompson made contact with Colby Wolfe at 109 Telford Drive and conducted an audio recorded interview. During the interview, Colby advised he exited his garage at approximately midnight

on May 9th, 2021, and observed a female matching Tristyn's description - wearing all black with blonde hair - standing in the road in front of his house.

At approximately 1600 hours,

I met with Forrest and Stacy Bailey at their residence, accompanied by Detectives Peluso and Kroul, Chaplain Kemp, and a Victim's Advocate, to share the details of Tristyn's Autopsy.

After leaving the Bailey residence, I joined Detective Newman at the Durbin Creek Nursery where land and water search operations were still in progress.

At approximately 1715 hours,

Detectives Carver and Thompson collected video from 517 Saddlestone Drive with the assistance of Digital Forensics Detective Greene.

Upon later review, the video from this residence depicted two subjects walking east on Saddlestone Drive toward the area of the pond at approximately 0143 hours. The timestamp was determined to be accurate and the two subjects appeared to be identical to the two subjects observed walking east on Saddlestone Drive from the other video surveillance collected from 541 and 586 Saddlestone Drive. The video next depicted one subject walking west way from the area of the pond at approximately 0329 hours.

At approximately 1800 hours,

The Field Force Team concluded its land search of the wooded area surrounding the pond. The only items of potential evidence located were a coffee mug near a second retention pond south of 601 Saddlestone Drive and a sealed Visine container in the yard of 601 Saddlestone Drive. CST Vollmar later processed this coffee mug and Visine container for potential evidence. Ridge detail was not detected on the coffee mug and the Visine container failed to give chemical indications for the presence of blood and ridge detail was not detected.

At approximately 1830 hours,

Deputy Todd Delisa, a diver with the SJSO Dive Team located a knife within the pond. Utilizing underwater evidence collection protocols, Deputy Delisa recovered a "Buck" brand folding knife with a wood and brass handle. The tip of the knife was bent and fractured. The knife was recovered from near the southern end of the large pond, east of the Saddlestone cul-de-sac. The knife was recovered approximately 140 feet from where Tristyn was located. CST Shawn Vollmar swabbed the knife for possible DNA and submitted it to evidence.

At approximately 1915 hours,

Detectives Thompson and Carver contacted Abtin Bahrami at 805 Sterling Court and conducted an audio recorded interview regarding the information previously provided by Olivia Betencourt. Olivia stated Abtin posted stories on Snapchat claiming to have specific details of the homicide. During their interview, Detectives learned Abtin fabricated some of the information he posted to Snapchat and the other information posted were rumors he heard at school. None of the information Abtin posted was first-hand knowledge of the incident. Abtin advised he knew Aiden and Doffis, but was no longer friends with Aiden and was never invited to go anywhere with Aiden and Doffis. Furthermore, Abtin advised he knew Aiden has pocket knives in his bedroom.

Tuesday, May 11, 2021, at approximately 0800 hours,

The SJSO Dive Team resumed the search of the large pond to the east of the Saddlestone cul-de-sac and began searching the smaller pond south of 601 Saddlestone Drive.

At approximately 0930 hours,

Sergeant Garns advised the video surveillance obtained from 724 Castledale Court revealed additional information regarding this investigation. Specifically, the video obtained from the residence revealed the following occurred on Sunday, May 9, 2021:

- The subject previously observed on video surveillance, carrying the shoes, entered 724 Castledale Court at approximately 0332 hours on the morning of May 9, 2021. The subject was carrying a pair of white shoes with a black "Nike" swoosh, and appeared to be wearing blue jeans and light in color hooded sweatshirt. This subject was identified as Aiden, by his own admission of carrying his shoes when he got home.
- Aiden went directly to a bedroom on the second floor, adjacent to the bathroom. Aiden then went into the bathroom and exited shortly after wearing what appeared to be a bathrobe. A subject can be observed moving about, however, it was difficult to see exactly what was happening due to the lights inside the residence being turned off.
- Aiden was observed sitting on the landing of the stairs, actively using his cellphone when Deputy Maloney arrived to the residence.
- Aiden, Crystal, and her husband, Michael Akel, sat on the front porch speaking with Deputy Maloney for a period of time.
- After Aiden left with Deputy Maloney, Michael Akel and his cousin, Andy Akel, followed Deputy Maloney's patrol car in a side by side vehicle. Crystal remained on the front porch talking on her phone for approximately 20 minutes.
- At approximately 1255 hours, Crystal ended her phone conversation and entered the home. After putting the family dog in the master bedroom, Crystal went upstairs directly to the bathroom where she is observed picking some things off the floor and walking inside Aiden's bedroom.
- At approximately 1257 hours, Crystal exited Aiden's bedroom holding a pair of jeans and went back into the adjacent bathroom. Crystal appeared to be scrubbing the jeans in bathroom sink. Aiden's brother PF appeared in the video observing Crystal scrubbing the jeans.
- At approximately 1259, Crystal exited the bathroom, briefly steps into Aiden's bedroom, then takes the jeans downstairs to the master bedroom.
- At approximately 1301 hours, Crystal then appeared to be wiping something off of the floor at the foot of the stairs with her feet.

- At approximately 1305 hours, another subject, later identified as Victoria Akel, Andy Akel's wife, then appears on video and Crystal, Victoria, and PF all appeared to be having a discussion. Crystal's demeanor indicated she was upset.
- Crystal appeared to be using her phone for voice calls and text message communication frequently during this timeframe.
- Approximately 1314 hours, Crystal retrieved the jeans from the master bedroom and she and Victoria appeared to have a discussion about the jeans and both can be observed inspecting the jeans.
- Approximately 1319 hours, Crystal returned the jeans to the master bedroom, then exited and continued to have a conversation with Victoria. Crystal continued to appear upset throughout the conversation.
- Approximately 1325 hours, Michael and Andy Akel entered the residence. Michael went with Crystal into the master bedroom. Andy left the residence shortly after.
- Approximately 1327 hours, Michael and Crystal both exited the master bedroom.
- Approximately 1328 hours, Crystal returned the jeans to Aiden's bedroom.

At approximately 1132 hours,

I was advised Dr. Bulic recovered a metal fragment from Tristyn's scalp at the District 23 Medical Examiner's Office.

At approximately 1200 hours,

The Dive Team concluded its search of both ponds in the area of 601 Saddlestone Drive.

At approximately 1348 hours,

I met with CST Butts and Dr. Bulic at the District 23 Medical Examiner's Office. During this meeting, Dr. Bulic examined the knife recovered from the pond and the metal fragment he located in Tristyn's scalp. Dr. Bulic further advised the knife was consistent with the single edge blade instrument which caused the sharp force trauma injuries located on Tristyn.

CST Butts collected the metal fragment from the Medical Examiner's Office and submitted it to evidence.

At approximately 1904 hours,

Detective Thompson received the following signed search warrants, for which he was the affiant:

- "Search Warrant #4 - Aiden Snapchat," was signed by Judge Smith after review by Assistant State Attorney Jennifer Dunton. This search warrant requested account information for a Snapchat username believed to be used by Aiden, "aiden_tech8."

Detective Thompson uploaded the search warrant to the Snapchat Law Enforcement portal at approximately 1920 hours.

"Search Warrant #4 - Aiden Snapchat" was filed for record with complete inventory on May 19, 2021.

- "Search Warrant #5 - Aiden Verizon Cell Site Locations," was signed by Judge Smith after review by Assistant State Attorney Jennifer Dunton. This search warrant requested information for Aiden's identified cellphone number, including cellular site location information, text message content, and call and text detail information.

Detective Thompson submitted the search warrant to Verizon via email at approximately 0833 hours on May 12, 2021.

Verizon submitted a response of records on May 19, 2021. The records revealed Aiden had an outgoing voice call to Tristyn at approximately 0025 hours on the morning of May 9, 2021. The associated cellular site location data was consistent with this call being placed while Aiden was at Doffis' house.

Aiden's call and text detail records also reflected a phone call to Doffis at approximately 0111 hours. This is consistent with the approximate time Aiden and Tristyn left Doffis' house.

The records were submitted to evidence. "Search Warrant #5 - Aiden Verizon Cell Site Locations" was filed for record with complete inventory on May 19, 2021.

- "Search Warrant #6 - Jason Fucci Cellphone," was signed by Judge Smith after review by Assistant State Attorney Jennifer Dunton. This search warrant requested a forensic download of Jason's cellphone due to Jason and Aiden using the phone to communicate through text messages as a means of subverting law enforcements investigative efforts.

Detective Thompson sent a copy of the signed search warrant to Digital Forensics for execution.

Due to technical constraints, I was unable to view the download of Jason's phone before this narrative was completed. A review of the download of Jason's phone will be detailed in an additional narrative.

"Search Warrant #6 - Jason Fucci Cellphone" was filed for record with a complete inventory on May 21, 2021.

Detective Thompson uploaded the search warrant to the Snapchat Law Enforcement portal at approximately 1920 hours.

Snapchat delivered a return for Tristyn's account information on June 8, 2021. Upon initial review of her Snapchat, I located a string of messages in which Tristyn sent a Snapchat message at 2239 hours on May 8, 2021. This message appeared to be a photo she sent to several Snapchat contacts and appeared to be a picture of her face with the word "streaks" in a banner. The chat content revealed Aiden responded with one Snapchat message, and Tristyn sent one more message at 2240 hours. These messages were unable to be located at the time this narrative was completed. If located, these messages will be detailed in an additional narrative.

At approximately 2002 hours,

Detective Newman and I met with Shyla Holmes, identified as a friend of Tristyn's, at 260 Ellsworth Circle. Shyla agreed to participate in a sworn audio recorded interview without her parents present. Shyla's parents consented and did not wish to be present. The following is a synopsis of the interview with Shyla, which was later attached to this report. For complete details, please refer to the recording in its entirety.

- Shyla advised she was good friends with Tristyn, but only talked in school and last spoke with Tristyn on Friday, May 7, 2021.

- Shyla advised Tristyn was with a group of people who caused graffiti damage to the north Durbin Crossing sign, during which, members of that group wrote her name on the sign. Shyla advised Tristyn tried to scribble her name out of the sign and was afraid she was going to get caught.

- Shyla advised Tristyn talked about running away and asked if she could stay at Shyla's house. Shyla advised her parents would not allow it, but provided her address to Tristyn if she needed a place to stay.

Shyla advised Tristyn and Doffis didn't talk to each other much in school due to them being in different grades.

- Shyla stated she knew Doffis and Aiden, but did not like Aiden at all. Shyla described Aiden as a bad kid, stating Aiden was "the textbook definition of what you would call a numb kid. He has no feelings towards anyone, no feelings towards himself." Additionally, Shyla stated Aiden's eyes always appeared "glossy," describing them as having no meaning to them. Shyla stated Aiden "is the type of person you would see as a murderer. He just doesn't care."

- Shyla stated Aiden would take girls into the woods to smoke marijuana and vape.

- Shyla stated she never hung out with Tristyn and Doffis outside of school. Shyla stated Tristyn said she was going to hang out with Aiden on Friday, but did not want Shyla to come because she had a bad feeling about it.

At approximately 1245 hours,

Detective Newman collected video surveillance from the residence at 110 Telford Drive. Upon later review, the video surveillance depicted one subject wearing dark clothing walking south on Telford Drive, toward Doffis' residence on the morning of May 9, 2021. The timestamp on the video indicated this was at approximately 0134 hours, however, the real time of the video was determined to be approximately 0035 hours. Based on the timeframe, the clothing description, and other video obtained, this appeared to be Tristyn on her way to Doffis' residence.

The video next depicted two subjects walking north on Telford Drive, away from Doffis' residence, at approximately 0216 hours per the video timestamp, which was later determined to be approximately 0114 hours. One of the subjects was wearing dark clothing. The second subject observed in this video appeared to be taller than the first subject and appeared to be wearing white shoes. Based on the timeframe, the clothing description, and other video obtained, this appeared to be Tristyn and Aiden walking away from Doffis' residence.

These time frames of these videos were consistent with other video surveillance gathered as well as statements made that Aiden and Tristyn left from Doffis' house at approximately 0110 hours.

At approximately 1300 hours,

Detective Manning received the following signed search warrants, for which he was the affiant:

- "Search Warrant #2.1 - 724 Castledale Court," signed by Judge Smith after review by Assistant State Attorney Jennifer Dunton. The original search warrant was amended after review of the information from video surveillance from within the residence obtained from the original search warrant. Specifically, this search warrant sought to retrieve additional clothing or other evidence which may contain biological DNA evidence, additional electronic surveillance equipment, scrub brushes, vacuums, towels, and cleaning rags.

The execution of this search warrant, evidence obtained, and the return of this search warrant will be detailed further below.
