Hello Ms. Parsons,

I hope you are doing well. I received your name from my colleague, Maggie Christ, who has spoken with you on a FOIA-related matter before.

Per the portal, a DOC FOIA request my organization (Campaign Legal Center) submitted on September 2, 2020, has been pending at the assignment level for several months now.

Is there anyone at the DOC FOIA office I can speak with for an update on the matter?

Thanks very much,

Sophia Gonsalves-Brown
