OIC Friends,

Sharing with all of you, just FYI. I had copied Kristi on the original note.

Antoinette/Toni is the VP for Resource Development for the United Way of Dayton. I've worked with her on a number of initiatives (not the least of which is raising money for the United Way from Sinclair employees).

When she responds, I'll ask if she'd be willing to engage with the OIC in some capacity.

Dear Toni,

As a member of the Oakwood Inclusion Coalition Leadership Team, thank you so much for sharing this heartwarming story! I didn't know that you lived for some time in Oakwood! I have lived there for over 23 years now, having moved in the month before my now-23-year-old son was born. (Easy to keep track of time that way! 😊) I also have a son who is 21. I wonder if our sons would have attended school together?

As a woman of color who had always lived in North and Northwest Dayton, I, too, had trepidations moving in 23 year ago. I grew up in Five Oaks and, at the time of moving, owned a home in University Row in Dayton View. As a product of the Dayton Public Schools, I had experienced some un-pleasantries with Oakwood as a young person. But like you, I was looking for good schools, sidewalks, walkable amenities, and safe streets. And like you, I have not experienced what I feared I would. On the contrary, I have found many opportunities to become engaged in the community and now find it impossible to go for walks without running into people we've come to know. The sense of *community* is truly wonderful.

Anyway, I just felt compelled to thank you, again, for sharing your story with the Oakwood Historical Society, and wanted you to know that Kristi Hale, Chair of the Oakwood Inclusion Coalition, was so taken with it that she also shared it with the OIC Leadership Team.

All my best!

Previous Resident Shares Story of Inclusion

I moved to Oakwood because at the time my son was attending a local independent school, but I was uncertain I would be able to continue with his tuition payments. Because of that I started researching local public schools in the area and as a result of my research, I felt that Oakwood Schools would be a better fit. Ultimately, I was able to keep my son at the school he attended and graduated from, but having Oakwood High School as a backup was a relief for me.

My initial thoughts of moving and living in Oakwood did not come without fear. Historically, Oakwood was not considered a very diverse community and I have had family and friends that were pulled over numerous times when driving up or down Far Hills. I also remember hearing that the Oakwood community was not very welcoming to people of color. These stories frightened me because I am a woman of color with a son of color, so I often times worried about him and what he was going to experience. But I did not encounter those things and am reading more and more about Oakwood's commitment to become more inclusive and have seen diversity changes throughout.

That being said, I cannot remember a day when I did not feel a sigh of relief or release as I crossed over to Oakwood on my drive home from work. Oakwood was my sanctuary for the time period we lived there, and I have often times thought about moving back. — Antoinette Hampton

ciao m: sounds good; you're the best for a preliminary conversation with her. looking forward to your findings. you could always inform her, if she isn't already aware, of the existence of the OIC and explore her interest in joining the group generally (which, of course, doesn't require oakwood residency). if she has that interest, we can then explore whether it would be a good idea to bring her more centrally into our group. thanks

thanks for sending this along. you've done a good job of capturing what i think are the majority of the issues that have been raised to date. i still find, however, some matters that require attention:

1. clearing up the liaison status of individuals from the city, the schools, and the library
2. voting privileges as restricted to oakwood residents or not
3. the matter of the annual report. it states here that it is to be made to the city council, the schools, and the library. i think it should only be made to the city council, and perhaps we should indicate that this is an amicus report, so to speak, since the OIC is not actually a subsidiary of the city and is not constituted as an organization by the city of oakwood.

you'll see my suggestions on "cleaning these matters up" in the attached set of suggestions. thanks norb.

The document includes acceptance of all the edits that were shown in the attachment to the May 18 email I sent you. It also includes changes to the Coalition Membership and Leadership Team sections consistent with discussion at our May 18 Leadership Team meeting.

Subject: Fun ideas

Hi all

I have been thinking about fun ideas to encourage more folks about joining OIC. A good friend suggested music and I think that could be an idea. Funk was born in Dayton and I know Canal Street Tavern and Gilly's used to host some amazing bands when we first moved here until 10 years ago (?). And the Levitt is such a wonderful addition to downtown with its mission as well as its music.

The problem is I don't have any info re music or musicians. Is this something any of you have connections with? Do you like this idea? I do know alisa Wagner and Ellen Ireland and could possibly get them to talk about Levitt and it's role in the community but I'd like a bigger draw with someone who can draw I. Folks who love music.

I LOVE the food truck idea but I think that will be a fall event. I can't imagine getting that in place for July 29.

And I am open to other ideas for fun. Please send them if you have them.

I am meeting Tae tomorrow, so will have more info on food truck options then.

For funk music we can reach out to David Webb, CEO of the now closed, Funk Museum. I'd maybe wait on doing something funk themed until the Fall. Smith school just hired a new music teacher who did his honors thesis on funk in Dayton, and he would be a great partner for an event!
