Subject: 2020 election - Hired detectives by your office
Attachments: Vicky Selkowe - H.O.T. Government records request.docx

Rep. Vos,

As president of **HOT** Government(Honest, Open, Transparent) a public watchdog group, I urge you to focus attention on City of Racine employee Vicky Selkowe.

Upon information and belief, we allege that Vicky Selkowe is a kingpin concerning the "Dirty Five" cities who utilized outside funding for public elections.

I urge you to subpoena Vicky Selkowe's email records concerning her involvement with the 2020 national elections within the State of Wisconsin.

I have attached our public records request filed in March of this year which has not been fulfilled by the City of Racine.

It has now been over 90 days since we filed our request and it is obvious that the city has no intention of providing our requested documents.

We have been made aware of over 68,000 responsive emails concerning this specific public records request.

Please direct your detectives to target Vicky Selkowe's involvement concerning tainted and illegal acts of the 2020 Wisconsin elections.

It is imperative that you secure and analyze Vicky Selkowe's emails for a proper investigation.

Respectfully,

Harry Wait

I understand that no report has been formally issued, perhaps I can receive a copy of of all items referred to in the second bullet point([210702Gableman.pdf \(wispolitics.com\)](#) in order that I may have a better understanding as to the direction this taxpayer funded investigation is pursuing

George, I apologize for not getting right back to you. Occasionally the standing committees will issue reports. The committee on Campaigns and Elections has not issued a report so there is no report to view. However if there was such a report, or if in the future one is issued, then that report would be something we would expect judge Gabelman to consider.

According to public records the contract under which Robin Vos hired former State Supreme Court Justice Michael Gabelman includes as a source of accusations to be investigated the report of The Assembly Committee on Campaigns and Elections. Where can I find a copy of this report as so far my searches have been fruitless
