the car by Aquinas School. They continued down Kelsey St. until they got to the dead end, then they turned left and continued towards the other street with the bar on the corner. They turned the corner and then sped up very fast. I then saw that they had crashed into a truck and both occupants ran out of the car. The driver was described as a light skin male, early 20's, and the passenger was a black male, early 20's. I tried to grab the black male as he tried to climb out the window after the crash. I was on 911 with Dispatch right before I got off RT 72 and kept them informed of where I was. I told 911 that I needed police because the other driver was driving dangerously."

THAT, your Affiant's AXON Body Worn camera was activated at the time and the interview room was equipped with audio/visual recording. Once the interview was completed JONES departed without incident.

THAT, video footage of the crash was obtained from the residents at 443 Chestnut Street. Your Affiant reviewed video which showed that Gudelski was jogging southbound on the east sidewalk of East Street. As Gudelski approaches the intersection with Belden Street the Audi is seen traveling at a high rate of speed sideways with the tires screeching in a westbound direction on Belden Street out of control. The Audi is then seen plowing through a chain link fence and striking Gudelski. Gudelski is thrown into the air, across the entire width of the roadway of East Street, which is a two lane wide road with an east and west paved shoulder. Gudelski's body slams into a large, metal commercial dumpster in the rear yard of 443 Chestnut Street. After the Audi plows through the fence and strikes Gudelski it continues to skid across East Street and into the rear of

443 Chestnut Street, striking a pickup truck, a van and the large metal dumpster. The Audi strikes the dumpster with such force that causes it to be physically moved. The Acura can be seen traveling westbound on Belden Street as it approaches East Street at a high rate of speed closely behind the Audi prior to the crash. As the occupants of the Audi are seen exiting the vehicle, the Acura pulls up and parks in the middle of East Street. JONES is then seen exiting his vehicle and starts running after the two males, all while yelling "yea motherfucker, don't run, don't run motherfucker."

THAT, Gudelski was transported from the scene to the Hospital of Central Connecticut where he was pronounced deceased at 8:06 PM.

THAT, based on JONES' statement that at one point he was following the Audi as it traveled onto Columbus Boulevard from Route 72, your Affiant reviewed city traffic cameras. Your Affiant observed that the Audi is closely being followed by the Acura as it traveled eastbound on Columbus Boulevard through the intersection with Main Street. The Audi and Acura continue to travel eastbound on Columbus Boulevard past several stopped city transit buses. As the Audi and Acura are observed approaching the traffic circle at the intersection with Bank Street, they slow down due to another car slowing in front of them. The Audi is then seen making a left turn to travel in the wrong direction in the traffic circle with the Acura following suit. It should be noted that the traffic circle at Columbus Boulevard and Bank Street is located downtown and is a heavy vehicle and pedestrian traffic area that also has the downtown city bus stops and there was traffic observed on the road in the video at the time the Audi and Acura passed through.

THAT, your Affiant reviewed the recording of the 911 phone call placed by JONES to New Britain Public Safety Dispatch, which was approximately 11 minutes and 19 seconds long. JONES can immediately be heard saying "I was at a store and a white Audi truck they went in my car and stole my wallet, I'm chasing them right now through New Britain." Throughout the call in the background the engine of JONES' vehicle could be heard loudly revving at times, indicating that he was rapidly accelerating. JONES can be heard providing locations where he is following the Audi throughout the call, including Arch Street, which is a heavily traveled pedestrian area. JONES says "they are trying to elude me because they stole my wallet." When Dispatch asks JONES if he can get the license plate of the Audi he says "no I can't get the plate he is going too fast but he has my wallet and my credit cards, I can't let him get away." JONES continues to provide updates to Dispatch.

THAT, at approximately 9 minutes and 25 seconds into the 911 call, JONES says to Dispatch "he got my wallet, he hanging it out the window." A few seconds later JONES says "he threw it out...I want him."

THAT, at approximately 10 minutes and 11 seconds while JONES is providing Dispatch with an update he can be heard yelling "no, no, no you're going to jail" and then he yells "I don't give a fuck yo, you went in my car, you're going to jail." Another unknown male could be heard saying "it's not my fault."

THAT, JONES then tells Dispatch that he was on Belden Street and the

engine of his car could be heard revving loudly and he says "he's trying to run again." THAT, on June 30, 2021, during the investigation the operator of the Audi, a seventeen year old juvenile, was identified, interviewed and taken into custody. Detective Coleman from the New Britain Police Department interviewed the juvenile, who admitted that he was operating the Audi, and he stated that he was being followed by someone and he was afraid that the person following him may try to shoot him. The juvenile told Detective Coleman that he was driving around trying to shake the guy following him and at one point he stopped and told the guy to leave him alone but he did not.

THAT, JONES is described as a black male, approximately 5'10" tall, weighing approximately 210 pounds with black hair and brown eyes. JONES' State of Connecticut driver's license number is 064901331. A [REDACTED] Check on JONES shows past arrests for assault, [REDACTED] JONES' last known address is 22 Norton Pl. Apt. 2, Plainville, CT.

THAT, based on the totality of the circumstances it was determined that JONES chased after the Audi for a documented time of over 11 minutes, recklessly endangering other motorists and pedestrians as he traveled high rates of speed in heavily populated and congested residential neighborhoods, at one point traveling the wrong way in a traffic circle downtown, with no regard for the safety of pedestrian

and motorists around him, ultimately resulting in death. All of this in an attempt to catch the individuals who stole his wallet, even after he observed and told Dispatch that the individuals threw his wallet out the window of the Audi.

THAT, based on your Affiant's training and experience as an accident reconstructionist and investigator, it was determined that contributing factors which led up to the crash that resulted in Gudelski's death included JONES' reckless actions as he chased the Audi around the City of New Britain.

THAT, your Affiant believes probable cause exists to charge BEN JONES DOB 06/16/69 with violations of Connecticut General Statutes 53a-222 Reckless Driving, 53a-222a* Negligent Homicide with a Motor Vehicle, 14-240a Illegal Operation of a Motor Vehicle with the Intent to Harass/Intimidate and 53a-63 Reckless Endangerment in the First Degree. Your Affiant respectfully requests that an arrest warrant be issued for JONES for the aforementioned charges.

Affidavit

The undersigned affiant, being duly sworn, deposes and says:

That, your affiant, Detective Thai N. Tran, being duly sworn, does depose and state that he is a member of the New Britain Police Department and has been since August 14th, 2009. At all times mentioned herein he was acting as a member of the New Britain Police Department. The following facts and circumstances are stated from personal knowledge and observations as well as information received from other police officers acting in their official capacity and from official reports and statements made by prudent and credible witnesses.

That, on June 29, 2021 at approximately 7:11PM, Officer Lagasse from the New Britain Police Department responded to the area of East Street and Ellis Street for a report of a party following a white Audi SUV. It was reported that the party, later identified as Ben Jones (DOB 06/16/1969), observed a suspect in the Audi committing a larceny from his unoccupied vehicle Acura TL in the town of Plainville.

That, Officer Lagasse reported that Jones followed the Audi throughout the city of New Britain, Connecticut, providing a partial registration at which time New Britain Public Safety Dispatch provided an update that the Audi matched a stolen vehicle bearing Connecticut registration BA29334, which was a confirmed stolen vehicle out of the city of Hartford, CT on 06/25/2021. Dispatch also stated that they advised Jones to stop following the Audi but Jones refused.

That, as Officer Lagasse approached the intersection of East Street and Belden Street, he reported that he was able to observe a white Audi SUV travel westbound on Belden Street. Officer Lagasse reported that the Audi failed to reduce speed and crossed both lanes of traffic striking a fence post at 501 East Street and a pedestrian, later identified as Henryk Gudelski (DOB 12/11/1967). The Audi continued to travel westbound across both lanes of traffic on East Street where it collided into two additional vehicles parked behind 443 East Street. Officer Lagasse reported that the occupants of the Audi fled on foot and a foot pursuit ensued however the occupants were not located.

That, Gudelski was transported to the Hospital of Central Connecticut where he was pronounced deceased at 8:06 PM.

That, members of the New Britain Police Department Traffic Safety Bureau responded to the scene to further the investigation. Based on the severity of the crash, the Audi Q5 was towed from the scene by Empire Motors to the evidence bay at the New Britain Police Department located at 10 Chestnut St., New Britain, Connecticut.

That, surveillance video was retrieved from 443 Chestnut Street which showed the Audi traveling at a high rate of speed westbound on Belden Street. The Audi loses control, starts skidding sideways, striking a fence before striking Gudelski, causing him to be forced across the roadway into the yard of 443 Chestnut St. The Audi is observed coming to a stop and two males, a light skin male and a black male, exit the vehicle through the driver side and take off running on foot.

That, on 06/30/2021, your affiant Detective Tran and several other members of the New Britain Police CID division were tasked with assisting in this investigation. Through investigative efforts, the suspected driver of the Audi SUV was

identified as Luis PAGAN-GONZALEZ (DOB 10/04/2003). The following facts and circumstances details how PAGAN-GONZALEZ was developed as the suspected driver;

That, at the scene of the collision, a pair of distinct white, blue and orange sneakers were left behind by the driver of the Audi as he fled the scene. Additionally, witnesses reported that one of the occupants in the vehicle fled the scene without shoes on. These sneakers were seized by the New Britain Police department as part of this investigation.

That, Luis PAGAN-GONZALEZ is a well-known party to the New Britain Police department as the perpetrator in previous motor vehicle thefts. PAGAN-GONZALEZ also resides in close proximity to where the incident occurred and has a listed address of 723 East Street, 3rd Floor, New Britain, CT.

That, Detective Coleman recalled conducting a search of PAGAN-GONZALEZ's residence back in March of 2021 as part of a stolen motor vehicle investigation. During this search, photographs were taken, one of which captured a pair of sneakers belonging to PAGAN-GONZALEZ. Those sneakers appear to be identical to the sneakers left behind at the scene of the accident as they are very distinct in appearance. Luis PAGAN-GONZALEZ also matches the physical appearance of the suspected driver of the Audi based on video surveillance obtained in furtherance of this investigation.

That, on 06/30/2021, Officer Wozniak was contacted by a Confidential Informant who advised him that they heard from various people that Luis PAGAN-GONZALEZ and a male identified as Roberto Laboy (DOB 07/14/2001) were responsible for the aforementioned fatal accident with the stolen Audi SUV. Furthermore the Confidential Informant stated they heard from various people that Luis PAGAN-GONZALEZ and Roberto Laboy were planning to flee the state of Connecticut due to the incident.

That, on 06/30/2021, Detectives Coleman, Bartlett and Soucy responded to PAGAN-GONZALEZ's address of 723 East Street, New Britain, CT in an attempt to locate and speak with PAGAN-GONZALEZ. Upon arrival, they made contact with PAGAN-GONZALEZ's step-father identified as Jose Torres who allowed these detectives into the home.

That, these detectives subsequently located Luis PAGAN-GONZALEZ hiding in a closet within a bedroom in the home. Luis PAGAN-GONZALEZ voluntarily agreed to come to the New Britain Police department to be interviewed.

That, Luis PAGAN-GONZALEZ was transported to the New Britain Police department and an interview was conducted with him in the presences of his step-father, Jose Torres. Prior to the interview, Luis PAGAN-GONZALEZ and Jose Torres were advised of their Miranda Rights which they both waived.

That, during the interview conducted by Detective Coleman, PAGAN-GONZALEZ admitted to operating the Audi SUV and stated he was being followed by a vehicle. PAGAN-GONZALEZ stated he was trying to lose the vehicle as they were driving around in New Britain, CT and at one point, the brakes of the Audi locked up on him. PAGAN-GONZALEZ stated he then lost control of the vehicle and at that time, he blacked out. PAGAN-GONZALEZ stated he does not recall anything further from that moment. This concluded the interview with Luis PAGAN-GONZALEZ.

That, PAGAN-GONZALEZ allowed Detective Coleman to inspect his person for injuries related to the accident. Detective Coleman observed scrapes and abrasions to his chest and a swollen left foot. These visible injuries are indicative of a person involved in a motor vehicle accident.

That, as part of this investigation, Detective Soucy conducted an interview with a female identified as Maria Aponte. Aponte is the mother of Maria Morena who is currently in a dating relationship with Luis PAGAN-GONZALEZ. Aponte stated she has known PAGAN-GONZALEZ for over two years and knows that he resides on East Street. Aponte stated she saw the press release video which captured both suspects from the fatal accident. Aponte stated she was positive that one of the individuals is Luis PAGAN-GONZALEZ. Aponte provided Detective Soucy with a sworn written statement.

That, in summary, the investigation revealed that Luis PAGAN-GONZALEZ operated a stolen Audi SUV through the residential streets of New Britain, CT in an extremely reckless manner and does not have a valid CT operator's license. Furthermore, the posted speed limit on these streets are 25 MPH and Sergeant Torrente of the Traffic Division surmised that PAGAN-GONZALEZ was traveling well in excess of the posted speed limit. Your affiant also believes this to be true after reviewing video surveillance of the incident. PAGAN-GONZALEZ also failed to stop for the posted stop sign at Belden Street prior to crossing over the lanes of traffic on East Street. It should be also be noted that the area in which the accident occurred is a high pedestrian traffic residential neighborhood with sidewalks. PAGAN-GONZALEZ's reckless operation of the motor vehicle ultimately led him to striking and killing a pedestrian

That, based on the facts and circumstances documented above which includes PAGAN-GONZALEZ's admissions to operating the stolen Audi SUV, your affiant believes probable cause exists to arrest Luis PAGAN-GONZALEZ (DOB 10/04/2003) for the charges of Assault 1st Degree in violation of C.G.S. 53a-59(a)(3), Reckless Endangerment 1st Degree in violation of C.G.S. 53a-63 and Larceny 3rd Degree by Possession in violation of C.G.S. 53a-124/53a-119(8).
