Re: Status of Overdue FOIA Requests (2nd Request)

Maersk Line, Limited (MLL) is providing Enclosure (1) as a summary of multiple Freedom of Information Act (FOIA) requests submitted online. Enclosure (2) is a letter sent by MLL requesting status of overdue FOIA requests. To date, the United States Coast Guard (USCG) has failed to comply with 5 U.S.C. § 552, failed to provide any responsive documents, failed to provide a reasonable date for producing the documents and failed to reply to enclosure (2).

If the USCG does not comply with 5 U.S.C. § 552 or provide a mutually agreed upon reasonable date to comply by close of business July 30, 2021, then MLL will consider that the USCG has denied the requests. MLL will file an appropriate action in federal court ordering the USCG to disclose all responsive, non-exempt records by a date certain, without further delay 28 U.S.C. § 1657(a), awarding MLL its reasonable costs and attorneys' fees 5 U.S.C. § 552(a)(4)(E) and 28 U.S.C. § 2412(d), and granting such other and further relief as the Court deems just and proper.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary E. English".
