Hey Sandra!

Just realized I never followed up on this!

You guys are currently at 353 downloads so I can send 18 devices today if you can confirm to whom and where.

I also just wanted to let you know that we created a link-to-text code for you as another avenue to share your link easily, so if you text "bexarco" to 555-888 right now you'll get the following response:

"Join your Neighbors and Bexar County Sheriff's in a digital neighborhood watch by downloading the FREE Neighbors App here: <u>https://download.ring.com/bexar</u>"

Other than that, how are things??

Best, Adeline

Hi Sandra!

Just wanted to let you know that you guys had 279 downloads for the month of September--awesome job!

I'll be sending an update on the 1st of every month to let you know the previous month's download numberslet me know if there's someone else I should be copying on these monthly reports.

I'm rounding the number off to 300 which means you guys earned 15 donation devices for September. Who and where should I ship these to? =)

Best,

Adeline
