FOIA Request CBP-2021-059835 Submitted	System	05/04/2021	—
<p>This message is to confirm your request submission to the FOIAonline application: View Request . Request information is as follows: Tracking Number: CBP-2021-059835 Requester Name: Jesse Franzblau Date Submitted: 05/04/2021 Request Status: Submitted Description: Under the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552, I request the following records in the custody and control of United States Customs and Border Protection (CBP) and/or its subcomponents, including the U.S. Border Patrol: • Policy guidance relating to the decision to restart Operation Streamline prosecutions in San Diego in July 2018. • Policy guidance used by CBP Enforcement Officers when making referrals for 8 U.S.C. § 1325 and §1326 prosecutions for individuals who expresses fear of persecution or return to their home country. • Policy guidance used to determine when U.S. attorneys from CBP Prosecutions Units or Enforcement officers are assigned to prosecute Operation Streamline or 8 U.S.C. § 1325 or 8 U.S.C. § 1326 cases. Please consider this request ongoing, and include responsive records produced up until the completion of this request. Background Please consider this FOIA request an addendum to the request filed by NIJC on August 20, 2019 [CBP-2019-077960], clarifying two points: first, the ongoing nature of the timeframe of the requested documents and second, that the request covers policy guidance related to both § 1325 and § 1326 referrals for people who express fear of persecution in their country of origin. Nothing in this request supplants Requestor’s entitlement to any document within the scope of CBP-2019-077960. In response to that FOIA, CBP sent a letter on May 13, 2020, indicating that they did not locate records responsive to our request. NIJC filed an appeal on August 11, 2020, arguing that CBP failed to conduct an adequate search, and emphasized that CBP should have produced Operation Streamline related guidance. DHS responded to our appeal on September 29, 2020, indicating that they contacted CBP’s FOIA Division, and learned that there have been several FOIA requests regarding “Streamline” and prosecutions under 8 U.S.C. § 1325. (see attached FOIA request)</p>

Subject	From	Date	↓	Detail
<p>Your request for Fee Waiver for the FOIA request CBP-2021-059835 has been determined to be not applicable as the request is not billable. Additional details for this request are as follows: Request Created on: 05/04/2021 Request Description: Under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, I request the following records in the custody and control of United States Customs and Border Protection (CBP) and/or its subcomponents, including the U.S. Border Patrol: • Policy guidance relating to the decision to restart Operation Streamline prosecutions in San Diego in July 2018. • Policy guidance used by CBP Enforcement Officers when making referrals for 8 U.S.C. § 1325 and §1326 prosecutions for individuals who expresses fear of persecution or return to their home country. • Policy guidance used to determine when U.S. attorneys from CBP Prosecutions Units or Enforcement officers are assigned to prosecute Operation Streamline or 8 U.S.C. § 1325 or 8 U.S.C. § 1326 cases. Please consider this request ongoing, and include responsive records produced up until the completion of this request. Background Please consider this FOIA request an addendum to the request filed by NIJC on August 20, 2019 [CBP-2019-077960], clarifying two points: first, the ongoing nature of the timeframe of the requested documents and second, that the request covers policy guidance related to both § 1325 and § 1326 referrals for people who express fear of persecution in their country of origin. Nothing in this request supplants Requestor's entitlement to any document within the scope of CBP-2019-077960. In response to that FOIA, CBP sent a letter on May 13, 2020, indicating that they did not locate records responsive to our request. NIJC filed an appeal on August 11, 2020, arguing that CBP failed to conduct an adequate search, and emphasized that CBP should have produced Operation Streamline related guidance. DHS responded to our appeal on September 29, 2020, indicating that they contacted CBP's FOIA Division, and learned that there have been several FOIA requests regarding "Streamline" and prosecutions under 8 U.S.C. § 1325. (see attached FOIA request) Fee Waiver Original Justification: I hereby request expedited processing pursuant to 5 U.S.C. § 552(a)(6)(E) and a fee waiver under FOIA to the fullest extent permitted by law and as permitted under the applicable DHS regulations. Requester is a non-profit entity under Section 501(c)(3) of the Internal Revenue code. The Requester is entitled to a waiver of all costs because the information sought "is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the [Requester's] commercial interest." 5 U.S.C. § 552(a)(4)(A)(iii); 28 C.F.R. § 16.10(k). NIJC has a proven track-record of compiling and disseminating information to the public about government functions and activities. We intend to make any records obtained in response to our FOIA requests- and an analysis thereof - publicly available on our website, www.immigrantjustice.org, and through other means of communication. The Requester is entitled to a waiver of search-related fees as "a representative of the news media." 5 U.S.C. § 552(a)(4)(A)(ii)(II); 28 C.F.R. §§ 16.10(b)(6), (k). Under the 2016 amendments to FOIA, "a representative of the news media," means "any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into distinct work, and distributes that work to an audience." 5 U.S.C. § 552(a)(4)(A)(ii). "News" means "information that is about current events or that would be of current interest to the public." Id. Examples of news media entities includes "alternative media" that disseminate their publications for free "through telecommunications services," i.e., the internet. Id. As noted above, NIJC has a track record of turning raw material into reports and other publications for distribution to the general public, which it does at no charge. You should therefore not charge NIJC any search-related costs for this FOIA request. (see attached FOIA request) Fee Waiver Disposition Reason: N/A</p>	Jodi Drengson	06/11/2021	↓	Detail
