Good morning,

Thank you for taking the time for a call and for following up on this FOIA request. Your outline below is correct. The only addition is:

- Policy guidance related to the decision to enact *en mass* hearings for 8 U.S.C. § 1325 and §1326 prosecutions (commonly referred to as Operation Streamline) in 2018 in San Diego.
- Policy guidance and related records that discuss the Consequence Delivery System.

Thank you again for your attention to this case, and please let me know if another call would be helpful.

Sincerely,
Jesse

Subject: FOIA Request CBP-2021-059835: Follow up to phone conversation

Jesse,

Thank you for taking the time to talk to me this afternoon regarding your FOIA request. As per our conversation, you are seeking change in policy that took place in 2018 regarding 8 U.S.C. § 1325 and §1326 prosecutions in San Diego, as well as any change in policy that took place as the result of the new administration. As far as the bullets below:

- Policy guidance used by CBP Enforcement Officers when making referrals for 8 U.S.C. § 1325 and §1326 prosecutions for individuals who expresses fear of persecution or return to their home country.
- Policy guidance used to determine when U.S. attorneys from CBP Prosecutions Units or Enforcement officers are assigned to prosecute Operation Streamline or 8 U.S.C. § 1325 or 8 U.S.C. § 1326 cases.

-

You are seeking nation-wide policy that is currently in use.

Please advise if what I outlined above is correct so I may inform the component offices.

Thank you,
