Subject: Records Request

Dear Representative Brandten:

I am writing with regard to this article related to the Assembly elections committee's review of the 2020 General Election:

https://madison.com/ct/news/local/govt-and-politics/wisconsin-assembly-elections-panel-aims-to-begin-formal-investigation-into-2020-elections/article_1ad90e31-db74-5a14-aceb-ac51435e4a50.html#tracking-source=home-top-story-1

In the article you are quoted as stating that the Committee is waiting to receive records from several municipalities, including the City of Madison. This came as a surprise to our City Clerk as that office does not believe it has received any request from the Committee. Could you please provide any previous communication to the City of Madison requesting information that has not been submitted to the Committee, or send any new request to our City Clerk, Maribeth Witzel-Behl, who is copied on this email? If no request was previously submitted, we would also appreciate it if you could clarify any

confusion or misimpression about the City providing information in future public statements. Thank you very much.
