(d) For the purpose of computing their basic pay, warrant officers of the armed forces are assigned, by the warrant officer grade in which serving, to the following pay grades:

Pay Grade	Warrant Officer Grade
W-4	Chief Warrant Officer, W-4
W-3	Chief Warrant Officer, W-3
W-2	Chief Warrant Officer, W-2

(e) An aviation cadet of the Navy, Air Force, or Marine Corps is entitled to monthly basic pay at the rate of 50 percent of the basic pay of a commissioned officer in pay grade O-1 with two or less years of service computed under section 205 of this title.

However, except as provided by section 307 of this title, an enlisted member may not be placed in pay grade E-8 or E-9 until he has completed at least 8 years or 10 years, respectively, of enlisted service computed under section 205 of this title.

§ 202. Pay grades: assignment to; rear admirals of upper half; officers holding certain positions in the Navy

(a) An officer not restricted in the performance of duty on the active list in the line of the Navy serving in the grade of rear admiral is entitled to the basic pay of a rear admiral of the upper half from the date on which the number of officers not restricted in the performance of duty on the active list in the line of the Navy serving in the grade of rear admiral below him on the lineal list becomes equal to or greater than the number of such officers above him on the lineal list. For the purpose of determining the number of rear admirals of the upper half, an officer not restricted in the performance of duty on the active list in the line of the Navy serving in the grade of admiral or vice admiral is considered as having the grade and position on the lineal list he would have if he had not been appointed admiral or vice admiral.

(b) An officer restricted in the performance of duty on the active list in the line of the Navy serving in the grade of rear admiral is entitled to the basic pay of a rear admiral of the upper half from the date on which any officer below him on the lineal list becomes entitled to that pay under subsection (a) of this section.

(c) An officer on the active list of the Navy in a staff corps serving in the grade of rear admiral is entitled to the basic pay of a rear admiral of the upper half from the date on which his running mate becomes entitled to that pay under this section, but not before the date of the vacancy he was promoted to fill.

(d) A rear admiral of the Naval Reserve entitled to basic pay is entitled to the basic pay of a rear admiral of the upper half when any officer on the active list in the line of the Navy junior to him is in the upper half of the grade of rear admiral as determined under subsection (a) of this section.

(e) An officer of the Navy or the Coast Guard holding a permanent appointment in the grade of rear admiral on the retired list who is entitled to the basic pay of a rear admiral of the lower half and who, in time of war or national emergency, has served satisfactorily on

active duty for two years in that grade or in a higher grade is entitled when on active duty to the basic pay of a rear admiral of the upper half.

(f) Except for those whose basic pay is otherwise specifically authorized by law, the number of rear admirals on the active list of the Coast Guard entitled to the basic pay of a rear admiral of the upper half is one-half of the number of officers on the active list in that grade. If that division results in an odd number, the odd number shall be placed in the upper half. However, an officer who is entitled to the basic pay of a rear admiral of the upper half may not have his basic pay reduced solely because the number of rear admirals is reduced.

(g) Unless appointed to a higher grade under another provision of law, an officer of the Marine Corps, while serving as Judge Advocate General of the Navy or as Chief of the Bureau of Naval Weapons, is entitled to the basic pay of a major general.

(h) Unless appointed to a higher grade under another provision of law, an officer of the naval service who is serving in one of the following positions is entitled to the basic pay of a rear admiral of the upper half—

§ 306. Special pay: officers holding positions of unusual responsibility and of critical nature

(a) The Secretary concerned may designate positions of unusual responsibility which are of a critical nature to an armed force under his jurisdiction and may pay special pay, in addition to other pay prescribed by law, to an officer of an armed force who is entitled to the basic pay of pay grade O-3, O-4, O-5, or O-6 and who is performing the duties of such a position, at the following monthly rates:

(b) The Secretary concerned shall prescribe the criteria and circumstances under which officers of an armed force under his jurisdiction are eligible for special pay under this section and, when he considers it necessary, may abolish that special pay.

(c) Not more than 5 percent of the number of officers on active duty (other than for training) in an armed force in pay grade O-3, and not more than 10 percent of the number of officers on active duty in an armed force in pay grade O-4, O-5, or O-6, may be paid special pay under this section.

(d) This section shall be administered under regulations prescribed by the Secretary of Defense for the armed forces under his jurisdiction, and by the Secretary of the Treasury for the Coast Guard when the Coast Guard is not operating as a service in the Navy.

(e) This section does not apply to a person who is entitled to special pay under section 302 or 303 of this title.

P-3.....	150

(b) An enlisted member who has less than 8 or 10 years, as the case may be, of enlisted service computed under section 205 of this title and who is advanced under subsection (a)(1) of this section to pay grade E-8 or E-9, respectively, is entitled to the minimum amount of basic pay and special or incentive pay prescribed for that pay grade until his years of service computed under that section entitle him to a higher rate of those pays.

(c) The Secretary concerned shall determine whether enlisted members of a uniformed service under his jurisdiction are to be paid proficiency pay either under subsection (a)(1) or (a)(2) of this section. However, he may elect only one of these methods for each uniformed service under his jurisdiction. If he elects to have proficiency pay paid under subsection (a)(1) of this section, enlisted members in a military grade or rank assigned to pay grade E-8 or E-9 may be paid proficiency pay at a monthly rate that is not more than the highest rate prescribed by subsection (a)(2) of this section. If he elects to have proficiency pay paid under subsection (a)(2) of this section, he shall prescribe, within the limitations set forth in that subsection, the pay for each proficiency rating prescribed therein. He shall also designate, from time to time, those skills within each uniformed service under his jurisdiction for which proficiency pay is authorized, and shall prescribe the criteria under which members of that uniformed service are eligible for a proficiency rating in each skill. He may, when he considers it necessary, increase, decrease, or abolish proficiency pay for any skill.

(d) This section shall be administered under regulations prescribed by the Secretary of Defense for the uniformed services under his jurisdiction, and by the Secretary of the Treasury for the Coast Guard when the Coast Guard is not operating as a service in the Navy.

§ 308. Special pay: reenlistment bonus

(a) Subject to subsections (b) and (c) of this section, a member of a uniformed service who reenlists in a regular component of the service concerned within three months after the date of his discharge or release from compulsory or voluntary active duty (other than for training), or who voluntarily extends his enlistment for at least two years, and

who is not covered by section 207 of the Career Compensation Act of 1949, as amended (70 Stat. 338), is entitled to a bonus computed as follows:

Reenlistment involved ¹	Column 1 Take—	Column 2 Multiply by—
First.....	Monthly basic pay to which member was entitled at the time of discharge or release. ²	Number of years specified in reenlistment contract, or six, if none specified. ³
Second.....	Two-thirds of the monthly basic pay to which the member was entitled at the time of discharge or release. ⁴	Do. ⁵
Third.....	One-third of the monthly basic pay to which the member was entitled at the time of discharge or release. ⁵	Do. ⁵
Fourth (and subsequent)	One-sixth of the monthly basic pay to which the member was entitled at the time of discharge or release. ⁵	Do. ⁵

¹ Any reenlistment when a bonus was not authorized is not counted.

² Two-thirds of the monthly basic pay in the case of a member in pay grade E-1 at the time of discharge or release.

³ On the sixth anniversary of an indefinite reenlistment, and on each anniversary thereafter, the member is entitled to a bonus equal to one-third of the monthly basic pay to which he is entitled on that anniversary date.

⁴ A bonus may not be paid to a member in pay grade E-1 or E-2 at the time of discharge or release.

⁵ A bonus may not be paid to a member in pay grade E-1, E-2, or E-3 at the time of discharge or release.

(b) A member who reenlists—

- (1) during his prescribed period of basic recruit training; or
- (2) after completing 20 years of active Federal service;

is not entitled to a bonus. A member who reenlists before completing 20 years of active Federal service, but who will, under that enlistment, complete more than 20 years of that service, is entitled to a bonus computed by using as a multiplier only the number of years that, when added to his previous service, totals 20 years.

(c) The total amount that may be paid to a member under this section, or under this section and any other law authorizing a reenlistment bonus, may not be more than \$2,000.

(d) An officer of a uniformed service who reenlists in that service within three months after his release from active duty as an officer is entitled to a bonus computed under subsection (a) of this section, if he served as an enlisted member in that service immediately before serving as an officer. For the purposes of this subsection, the monthly basic pay, or appropriate fraction if the member received a bonus for a prior enlistment, of the grade in which he is enlisted, computed in accordance with his years of service computed under section 205 of this title, shall be used in column 1 of the table in subsection (a) of this section instead of the monthly basic pay to which he was entitled at the time of his release from active duty as an officer.

(e) Under regulations approved by the Secretary of Defense, or by the Secretary of the Treasury with respect to the Coast Guard, a member who voluntarily, or because of his misconduct, does not complete the term of enlistment for which a bonus was paid to him under this section shall refund that percentage of the bonus that the unexpired part of his enlistment is of the total enlistment period for which the bonus was paid.

(f) The Secretary concerned may prescribe regulations for the administration of this section in his department.

§ 309. Reserves; members of National Guard: additional pay for performance of administrative duty

(a) Under regulations prescribed by the Secretary concerned, an officer of the National Guard or of a reserve component of a uniformed service who commands an organization, and has administrative functions connected with it, is entitled to not more than \$240 a year for

the faithful performance of those functions, in addition to pay to which he is entitled under section 206 of this title.

(b) For the purpose of determining the amounts to be paid to officers performing the functions described in subsection (a) of this section, the Secretary concerned may, from time to time, divide those officers into classes and fix the amount payable to officers in each class.

(c) This section does not apply to an officer who is entitled to basic pay under section 204 of this title.

- (1) his spouse;
- (2) his unmarried legitimate child (including a stepchild, or an adopted child, who is in fact dependent on the member) who either—
 - (A) is under 21 years of age; or
 - (B) is incapable of self-support because of a mental or physical incapacity, and in fact dependent on the member for over one-half of his support; and

However, a person is not a dependent of a female member unless he is in fact dependent on her for over one-half of his support. For the purposes of this section, the relationship between a stepparent and his stepchild is terminated by the stepparent's divorce from the parent by blood.

§ 402. Basic allowance for subsistence

(a) Except as otherwise provided by this section or by another law, each member of a uniformed service who is entitled to basic pay is entitled to a basic allowance for subsistence in the amount set forth in subsection (d) of this section.

- (1) when rations in kind are not available;
- (2) when permission to mess separately is granted; and
- (3) when assigned to duty under emergency conditions where no messing facilities of the United States are available.

The allowance to an enlisted member, when authorized, may be paid in advance for a period of not more than three months. An enlisted member is entitled to the allowance while on an authorized leave of absence or while confined in a hospital, but not while being subsisted at the expense of the United States. The allowance for enlisted members who are on leave, or are otherwise authorized to mess separately, shall be equal to the cost of the ration as determined by the Secretary of Defense. Unless he is entitled to basic pay under chapter 3 of this title, an enlisted member of a reserve component of a uniformed service, or of the National Guard, is entitled, in the discretion of the Secretary concerned, to rations in kind, or a part thereof, when the instruction or duty periods, described in section 206 (a) of this title, total at least eight hours in a calendar day.

Ante, p. 453.

(c) An officer of a uniformed service who is entitled to basic pay is, at all times, entitled to the basic allowances for subsistence on a monthly basis. Officers-----	\$47.88 a month.
Enlisted members when rations in kind are not available.	\$2.565 a day.
Enlisted members when assigned to duty under emergency conditions where no messing facilities of the United States are available.	Not more than \$3.42 a day.

(e) Under regulations and in areas prescribed by the Secretary of Defense, an enlisted member who is granted permission to mess separately, and whose duties require him to buy at least one meal from other than a messing facility of the United States, is entitled to not more than the pro rata allowance authorized for each such meal for an enlisted member when rations in kind are not available.

(f) The President may prescribe regulations for the administration of this section.

§ 403. Basic allowance for quarters

A member in pay grade E-4 (less than seven years' service), E-3, E-2, or E-1, is considered at all times to be without dependents.

(b) Except as otherwise provided by law, a member of a uniformed service who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service, appropriate to his grade, rank, or rating and adequate for himself, and his dependents, if with dependents, is not entitled to a basic allowance for quarters.

(c) A member of a uniformed service without dependents is not entitled to a basic allowance for quarters while he is on field duty, unless his commanding officer certifies that the member was necessarily required to procure quarters at his expense, or while he is on sea duty. For the purposes of this subsection, duty for a period of less than three months is not considered to be field duty or sea duty.

(d) A member of a uniformed service who is assigned to quarters of the United States or a housing facility under the jurisdiction of a uniformed service may not be denied the basic allowance for quarters if, because of orders of competent authority, his dependents are prevented from occupying those quarters.

(e) Notwithstanding any other law (including those restricting the occupancy of housing facilities under the jurisdiction of a department or agency of the United States by members, and their dependents, of the armed forces above specified grades, or by members, and their dependents, of the Coast and Geodetic Survey and the Public Health Service), a member of a uniformed service, and his dependents, may be accepted as tenants in, and may occupy on a rental basis, any of those housing facilities, other than public quarters constructed or designated for assignment to and occupancy without charge by such a member, and his dependents, if any. Such a member may not, because of his occupancy under this subsection, be deprived of any money allowance to which he is otherwise entitled for the rental of quarters.

(f) Appropriations may not be used to pay a member of a uniformed service without dependents a basic allowance for quarters while he is in a travel or leave status between permanent duty stations, including time granted as delay en route or proceed time.

(g) The President may prescribe regulations for the administration of this section, including definitions of the words "field duty" and "sea duty".

§ 404. Travel and transportation allowances: general

(a) Under regulations prescribed by the Secretaries concerned, a member of a uniformed service is entitled to travel and transportation allowances for travel performed or to be performed under orders, without regard to the comparative costs of the various modes of transportation—

(1) upon a change of permanent station, or otherwise, or when away from his designated post of duty regardless of the length of time he is away from that post;

(2) upon appointment, call to active duty, enlistment, or induction, from his home or from the place from which called or ordered to active duty to his first station; and

(3) upon separation from the service, placement on the temporary disability retired list, release from active duty, or retirement, from his last duty station to his home or the place from which he was called or ordered to active duty, whether or not he is or will be a member of a uniformed service at the time the travel is or will be performed.

(b) The Secretaries concerned may prescribe—

(1) the conditions under which travel and transportation allowances are authorized, including advance payments thereof; and

(2) the allowances for the kinds of travel, but not more than the amounts authorized in this section.

(c) Under uniform regulations prescribed by the Secretaries concerned, a member who—

(1) is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10; or

(2) is retired with pay under any other law, or, immediately following at least eight years of continuous active duty with no single break therein of more than 90 days, is discharged with severance pay or is involuntarily released from active duty with readjustment pay;

may select his home for the purposes of the travel and transportation allowances authorized by subsection (a) of this section.

(d) The travel and transportation allowances authorized for each kind of travel may not be more than one of the following—

(1) transportation in kind, reimbursement therefor, or a monetary allowance in place of the cost of transportation at a rate that is not more than 7 cents a mile based on distances established, over the shortest usually traveled route, under mileage tables prepared by the Chief of Finance of the Army under the direction of the Secretary of the Army;

(2) transportation in kind, reimbursement therefor, or a monetary allowance as provided by clause (1) of this section, plus a per diem in place of subsistence of not more than \$12 a day; or

(3) a mileage allowance of not more than 10 cents a mile based on distances established under clause (1) of this section.

(e) A member who is on duty with, or is undergoing training for, the Military Air Transport Service, the Marine Corps Transport Squadrons, the Fleet Tactical Support Squadrons, or the Naval Aircraft Ferrying Squadrons, and who is away from his permanent station, may be paid a per diem in lieu of subsistence in an amount not more than the amount to which he would be entitled if he were performing travel in connection with temporary duty without, in either case, the issuance of orders for specific travel.

(f) The travel and transportation allowances authorized under this section may be paid on the member's separation from the service or release from active duty, whether or not he performs the travel involved.

§ 405. Travel and transportation allowances: per diem while on duty outside United States or in Hawaii or Alaska

Without regard to the monetary limitations of this title, the Secretaries concerned may authorize the payment of a per diem, considering all elements of the cost of living to members of the uniformed services under their jurisdiction and their dependents, including a cost of quarters, subsistence, and other necessary incidental expenses, to such a member who is on duty outside of the United States or in Hawaii or Alaska, whether or not he is in a travel status. However, dependents may not be considered in determining the per diem allowance for a member in a travel status.

§ 406. Travel and transportation allowances: dependents; baggage and household effects

(a) A member of a uniformed service who is ordered to make a change of permanent station is entitled to transportation in kind for his dependents, to reimbursement therefor, or to a monetary allowance in place of that transportation in kind at a rate to be prescribed, but not more than the rate authorized under section 404(d) of this title.

(b) In connection with a temporary or permanent change of station, a member is entitled to transportation (including packing, crating, drayage, temporary storage, and unpacking) of baggage and household effects, or reimbursement therefor, within such weight allowances prescribed by the Secretaries concerned, without regard to the comparative costs of the various modes of transportation.

(c) The allowances and transportation authorized by subsections (a) and (b) of this section are in addition to those authorized by sections 404 and 405 of this title and are—

- (1) subject to such conditions and limitations;
- (2) for such grades, ranks, and ratings; and
- (3) to and from such places;

prescribed by the Secretaries concerned. Transportation of the household effects of a member may not be made by commercial air carrier at an estimated over-all cost that is more than the estimated over-all cost of the transportation thereof by other means, unless an appropriate transportation officer has certified in writing to his commanding officer that those household effects to be so transported are necessary for use in carrying out assigned duties, or are necessary to prevent undue hardship and other means of transportation will not fill those needs. However, not more than 1,000 pounds of unaccompanied baggage may be transported by commercial air carrier, without regard to the preceding sentence, under regulations prescribed under the authority of the Secretary of Defense.

(d) The nontemporary storage of baggage and household effects may be authorized in facilities of the United States, or in commercial facilities when it is considered to be more economical to the United States. However, the weight of baggage and household effects stored, plus the weight of the baggage and household effects transported, in connection with a change of station may not be more than the maximum weight limitations in regulations prescribed by the Secretaries concerned when it is not otherwise fixed by law. The nontemporary storage of baggage and household effects may not be authorized for a period longer than one year from the date the member concerned is separated from the service, except as prescribed in regulations by the Secretaries concerned for a member who, on the date of his separation, is confined in a hospital, or is in its vicinity, undergoing medical treatment.

(e) When orders directing a change of permanent station for the member concerned have not been issued, or when they have been

issued but cannot be used as authority for the transportation of his dependents, baggage, and household effects, the Secretaries concerned may authorize the movement of the dependents, baggage, and household effects and prescribe transportation in kind, reimbursement therefor, or a monetary allowance in place thereof, as the case may be, as authorized under subsection (a) or (b) of this section. This subsection may be used only under unusual or emergency circumstances, including those in which—

(1) the member is performing duty at a place designated by the Secretary concerned as being within a zone from which dependents should be evacuated;

(2) orders which direct the member's travel in connection with temporary duty do not provide for return to the permanent station or do not specify or imply any limit to the period of absence from his permanent station; or

(3) the member is serving on permanent duty at a station outside the United States, in Hawaii or Alaska, or on sea duty.

(f) Under regulations prescribed by the Secretary concerned, transportation for dependents, baggage, and household effects of a member is authorized if he dies while entitled to basic pay under chapter 3 of this title.

Ante, p. 453.

(g) Under uniform regulations prescribed by the Secretaries concerned, a member who—

(1) is retired, or placed on the temporary disability retired list, under chapter 61 of title 10; or

70A Stat. 91.

(2) is retired with pay under any other law, or, immediately following at least eight years of continuous active duty with no single break therein of more than 90 days, is discharged with severance pay or is involuntarily released from active duty with readjustment pay;

is entitled to transportation for his dependents, baggage, and household effects to the home selected under section 404(c) of this title. In addition, baggage and household effects may be shipped to a location other than the home selected by the member. In any case in which the costs are in excess of those which would have been incurred if shipment had been made to his selected home, the member shall pay that excess cost. If a member authorized to select a home under section 404(c) of this title accrues that right or any entitlement under this subsection but dies before he exercises it, that right or entitlement accrues to and may be exercised by his surviving dependents, or his baggage and household effects may be shipped to the home of the person legally entitled thereto if there are no surviving dependents. However, in any case in which the costs are in excess of those which would have been incurred if shipment had been made to the members' selected home, the surviving dependents or the person legally entitled to the baggage and household effects, as the case may be, shall pay that excess cost.

§ 407. Travel and transportation allowances: dislocation allowance

(a) Except as provided by subsections (b) and (c) of this section, under regulations approved by the Secretary concerned, a member of a uniformed service whose dependents make an authorized move in connection with his permanent change of station, is entitled to a dislocation allowance equal to his basic allowance for quarters for one month.

(b) A member is not entitled to more than one dislocation allowance during a fiscal year unless—

(1) the Secretary concerned finds that the exigencies of the service require the member to make more than one such change of station during that fiscal year; or

(2) the member is ordered to a service school as a permanent change of station.

This subsection does not apply in time of national emergency declared after April 1, 1955, or in time of war.

(c) A member is not entitled to payment of a dislocation allowance when ordered from his home to his first duty station or from his last duty station to his home.

§ 408. Travel and transportation allowances: travel within limits of duty station

A member of a uniformed service may be directed, by regulations of the head of the department or agency in which he is serving, to procure transportation necessary for conducting official business of the United States within the limits of his station. Expenses so incurred by the member for train, bus, streetcar, taxicab, ferry, bridge, and similar fares and tolls, or for the use of privately-owned vehicles at a fixed rate a mile, shall be defrayed by the department or agency under which he is serving, or the member is entitled to be reimbursed for the expense.

§ 409. Travel and transportation allowances: trailers

Under regulations prescribed by the Secretaries concerned and in place of the transportation of baggage and household effects or payment of a dislocation allowance, a member, or in the case of his death his dependent, who would otherwise be entitled to transportation of baggage and household goods under section 406 of this title, may transport a house trailer or mobile dwelling within the United States, except in Hawaii or Alaska, for use as a residence by one of the following means—

- (1) transport the trailer or dwelling and receive a monetary allowance in place of transportation at a rate to be prescribed by the Secretaries concerned, but not more than 20 cents a mile;
- (2) deliver the trailer or dwelling to an agent of the United States for transportation by commercial means; or
- (3) transport the trailer or dwelling by commercial means and be reimbursed by the United States subject to such rates as may be prescribed by the Secretaries concerned.

However, the cost of transportation under clause (2) or the reimbursement under clause (3) may not be more than the lesser of (A) the current average cost for the commercial transportation of a house trailer or mobile dwelling; (B) 36 cents a mile; or (C) the cost of transporting the baggage and household effects of the member or his dependent plus the dislocation allowance authorized in section 407 of this title. Any payment authorized by this section may be made in advance of the transportation concerned.

§ 410. Travel and transportation allowances: miscellaneous categories

(a) The following persons are entitled to such travel and transportation allowances provided by section 404 of this title, as prescribed by the Secretaries concerned—

- (1) cadets of the United States Military Academy;
- (2) midshipmen of the United States Naval Academy;
- (3) cadets of the United States Air Force Academy;

(10) persons discharged from Saint Elizabeths Hospital after transfer from a uniformed service.

(b) The Secretary concerned shall, in prescribing allowances under subsection (a) of this section, consider the rights of the United States, as well as those of the persons concerned.

§ 411. Travel and transportation allowances: administrative provisions

(a) For the administration of sections 404 (a), (b), and (d)-(f), 405, 406(a)-(f), 407, 409, and 410 of this title, the Secretaries concerned shall prescribe regulations that are, as far as practicable, uniform for all of the uniformed services.

(b) In establishing the rates and kinds of allowances authorized by the sections of this title designated by subsection (a) of this section, the Secretaries concerned shall—

(1) consider the average cost of first-class transportation, including sleeping accommodations, when prescribing a monetary allowance in place of transportation;

(2) consider the current economic data on the cost of subsistence, including lodging and other necessary incidental expenses related thereto, when prescribing per diem rates; and

(3) consider the average cost of first-class transportation, including sleeping accommodations and current economic data on the cost of subsistence, including lodging and other necessary incidental expenses relating thereto, when prescribing mileage rates.

(c) The Secretaries concerned shall determine what constitutes a travel status for the purposes of the sections of this title designated by subsection (a) of this section.

(d) The Secretary concerned shall define the words "permanent station" for the purposes of the sections of this title designated by subsection (a) of this section. The definition shall include a shore station or the home yard or home port of a vessel to which a member of a uniformed service who is entitled to basic pay may be ordered. An authorized change in the home yard or home port of such a vessel is a change of permanent station.

§ 412. Appropriations for travel: may not be used for attendance at certain meetings

(b) An officer of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Coast and Geodetic Survey who had accrued leave to his credit at the time of his discharge is entitled to be paid in cash or by a check on the Treasurer of the United States for that leave on the basis of the basic pay and allowances to which he was entitled on the date of discharge. An enlisted member of such a uniformed service who had accrued leave to his credit at the time of his discharge is entitled to be paid in cash or by a check on the Treasurer of the United States for that leave on the basis of the basic pay to which he was entitled on the date of discharge, plus an allowance computed at the rate of 70 cents a day for subsistence, and for an enlisted member in pay grade E-9, E-8, E-7, E-6, or E-5, with dependents, an allowance computed at the rate of \$1.25 a day for quarters. However, a payment may not be made under this subsection to a member who—

(1) is discharged for the purpose of accepting an appointment or a warrant, or entering into an enlistment, in his armed force; or

(2) elects to carry over his unused leave to a new enlistment in his armed force on the day after the date of his discharge.

A member to whom a payment may not be made under this subsection, or a member who reverts from officer to enlisted status, carries the accrued leave standing to his credit from the one status to the other within his armed force.

(c) Unused accrued leave for which payment is made under subsection (b) of this section is not considered as service for any purpose.

(d) Payments for unused accrued leave under subsection (b) of this section, in the case of a member or former member who dies after retirement or discharge and before he receives that payment, shall be made upon application, to or for the living survivors highest on the following list—

(1) his surviving spouse and children, in equal shares;

(2) his parents, in equal shares;

(3) his brothers and sisters, in equal shares; or

(4) the children of his deceased brothers and sisters, in equal shares.

If there is no survivor, payment may not be made under this subsection. Payment under this subsection to a survivor who has passed his seventeenth birthday and who has not passed his twenty-first birthday discharges the obligations of the United States under this subsection.

(e) A member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Coast and Geodetic Survey who is discharged under other than honorable conditions forfeits all accrued leave to his credit at the time of his discharge.

(f) Payment may not be made for leave in excess of 60 days upon discharge or retirement.

(g) An officer of the Regular Corps of the Public Health Service, or an officer of the Reserve Corps of the Public Health Service on active duty, who is credited with accumulated and accrued annual leave on the date of his separation, retirement, or release from active duty, shall, if his application for that leave is approved by the Surgeon General, be paid for that leave in a lump-sum on the basis of his basic pay, subsistence allowance, and allowance for quarters whether or not he is receiving that allowance on that date. However, the number of days upon which the lump-sum payment is based may not be more than 60. A lump-sum payment may not be made under this subsection to an officer—

(1) whose appointment expires or is terminated and who, without a break in active service, accepts a new appointment;

(2) who is retired for age in time of war and is continued on, or recalled to, active duty without a break in active service; or

(3) who is transferred to another department or agency of the United States under circumstances in which, by any other law, his leave may be transferred.

In this subsection, "accumulated annual leave" means unused accrued annual leave carried forward from one leave year into the next leave year, and "accrued annual leave" means the annual leave accruing to an officer during one leave year.

§ 502. Absences due to sickness, wounds, and certain other causes

(a) A member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Coast and Geodetic Survey, who is absent because of sickness or wounds, or who is directed by the Secretary concerned, or his designated representative, to be absent from duty to await orders pending disability retirement proceedings for a period that is longer than the leave authorized by section 701 of title 10, is entitled to the pay and allowances to which he would be entitled if he were not so absent. A member who is absent with leave for any other reason for not longer than the leave authorized by that section is entitled to the same pay and allowances to which he would be entitled if he were not on leave, and to any additional allowances otherwise provided by law for members on leave.

(b) Except as provided in subsection (a) of this section, a member who is authorized by the Secretary concerned, or his designated representative, to be absent for a period that is longer than the leave authorized by section 701 of title 10 is not entitled to pay or allowances during the part of his absence that is more than the number of days' leave authorized by that section.

§ 503. Absence without leave or over leave

(a) A member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Coast and Geodetic Survey, who is absent without leave or over leave, forfeits all pay and allowances for the period of that absence, unless it is excused as unavoidable.

If an allotment is erroneously paid because the officer required by regulation to so report failed to report the death of the allotter or any other fact that makes the allotment not payable, the amount of the payment not recovered from the allottee shall, if practicable, be collected by the Chief of Finance (in cases involving the Army) or by the Secretary of the Air Force, from the officer who failed to make the report.

(d) Subject to subsection (c) of this section, an amount due the United States from an enlisted member of the Army or the Air Force may be deducted from his pay on final statement, or from his savings on his clothing allowance.
