Dear Dr. Coll:

This is an interim response to your July 3, 2019 Freedom of Information Act (FOIA) request, a copy of which is enclosed for your convenience. We received your request on the same day it was submitted and assigned it case number 19-F-1473. We ask that you use this number when referring to your request.

Although we have already begun processing your request, we will not be able to respond within the FOIA's 20-day statutory time period as there are unusual circumstances that impact our ability to quickly process your request. The FOIA defines unusual circumstances as (a) the need to search for and collect records from a facility geographically separated from this office; (b) the potential volume of records responsive to your request; and (c) the need for consultation with one or more other agencies or DoD components having a substantial interest in either the determination or the subject matter of the records. At least one, if not more, of these scenarios applies or would likely apply to your request. While this office handles FOIA requests for the Office of the Secretary of Defense (OSD), the Joint Staff (JS), and other component offices, we do not actually hold their records and our office is not geographically located with these organizations. As we do not hold the records, until the required records searches are complete, we are unable to estimate the potential volume of records or the number of consultations that will be required to make a release determination.

In your FOIA request, you ask for "a fee waiver." Decisions to waive or reduce fees are made on a case-by-case basis and we will make a determination concerning your fee waiver request at the conclusion of the search and assessment of responsive records should they exist. However, please know that this office will only assess fees if we provide the final response to your FOIA request within the statutory time allotted by the FOIA or the responsive records total more than 5,000 pages even after a good faith effort on our part to limit the scope of your request.

Your request has been placed in our complex processing queue and is being worked based on the order in which the request was received. Our current administrative workload is approximately 2,961 open requests.

The OSD/JS FOIA Public Liaison, Darrell Williams, is available at 571-372-0462 or by email at OSD.FOIALiaison@mail.mil to answer any concerns about the foregoing.
