

# JACKSONVILLE BEACH POLICE DEPARTMENT WILL INTRODUCE A NEW TECHNOLOGY TO HELP PREVENT BICYCLE THEFT!

Bicycle DNA is a high-tech registration program that will link bicycles to its owner and help Jacksonville Beach Police Department and other law enforcement agencies around the country.

## Registration Event Details

Jacksonville Beach Police Department

Saturday | November 6 | 9am - 1pm

Free registration during this time, but if you are unable to attend, visit your local bike shop to register your bicycle with law enforcement.

**PREVENT  
BICYCLE THEFT  
WITH  
BICYCLE DNA**

**BICYCLE DNA STICKERS WILL BE PROVIDED TO OUR RESIDENTS FOR REGISTRATION**

These special registration stickers have tiny microdots embedded that will allow law enforcement to identify the owner of the registered bicycle even if the sticker is removed.
