

MOM'S  
COPY

January 29, 2021

Had a conversation with Diane Roth, Elaine Benz's daughter. In the event that Elaine needs to convert to community cares, she will be permitted to remain in her current unit as long as she can remain at the Regency within our licensing restrictions. She will not be forcibly moved to another unit. She is currently in RRH 146.

I have received a check for \$11, 220 today which covers:

February rent at \$5535 her current rate until February 28, and she is exercising clause 4.4b in the new lease, paying the last month up front in the amount of \$5685.

Check was given to accounting on 1/29/2021.
