Select Committee to Investigate the January 6th Attack on the United States Capitol

November 8, 2021

VIA U.S. MAIL

Dear Mr. Kerik:

Pursuant to the authorities set forth in House Resolution 503 and the rules of the House of Representatives, the Select Committee to Investigate the January 6th Attack on the United States Capitol ("Select Committee") hereby transmits a subpoena that compels you to produce the documents set forth in the accompanying schedule by November 23, 2021, and to appear for a deposition on December 3, 2021.

The Select Committee is investigating the facts, circumstances, and causes of the January 6th attack and issues relating to the peaceful transfer of power, in order to identify and evaluate lessons learned and to recommend to the House and its relevant committees corrective laws, policies, procedures, rules, or regulations.

The Select Committee's investigation and public accounts have revealed credible evidence of your involvement in the events within the scope of the Select Committee's inquiry. You reportedly participated in a meeting on January 5, 2021, at the Willard Hotel in Washington, D.C., in which Rudolph Giuliani, Stephen Bannon, John Eastman, and others discussed options for overturning the results of the November 2020 election such as, among other things, pressuring Vice President Pence to not certify the electoral college results. According to public accounts, you paid for rooms and suites in Washington, D.C. hotels that served as election-related command centers, and you also worked with Mr. Giuliani since at least as early as November 5, 2020 to investigate allegations of voter fraud and promote "Stop the Steal" efforts.

Accordingly, the Select Committee seeks documents and a deposition regarding these and other matters that are within the scope of the Select Committee's inquiry. A copy of the rules governing Select Committee depositions, and document production definitions and instructions are attached. Please contact staff for the Select Committee at 202-225-7800 to arrange for the production of documents.

Sincerely,

Bennie G. Thompson

Chairman
