

28 Books in SDIRC contained pornographic and/or sexual content?!

November 3, 2021, News Release by Moms for Liberty – Indian River, FL & We the People Indian River County

Indian River County, Fla., November 3, 2021 – A mother belonging to a chapter of Moms for Liberty and her chapter compiled a list of books in school libraries that contained pornography and/or inappropriate sexual content or innuendos. Moms for Liberty – Indian River, Florida and We the People Indian River County immediately checked the [Follett system](#) of School District of Indian River County to see if any of these books were in our school libraries. Approximately 28 of these unacceptable books were found not only to be in the school system, but many were Accelerated Reader (AR) books! AR means that students could be tested and awarded for reading these books. Jennifer Pippin proceeded to cite information on each book and sent screen shots of books, excerpts, and other disturbing content to the school board, superintendent, and assistant superintendent of curriculum.

To date, only one book has been reviewed and removed by SDIRC. The other 27 are pending. Such titles found in SDIRC libraries include:

1. Out of Darkness by Ashley Hope Perez – Excerpt: *"He shifted in his pajamas, and the part of him that made him a man stuck out, reddish purple and frightening. She had never seen one before except on a baby. This was different. He lifted her hand to his mouth and licked it. Then he lowered her hand down and closed it around the hardness. His hand moved hers...She watched her hand move back and forth like it didn't belong to her."*
2. Looking for Alaska by John Green – Excerpt: *"And then with me sitting watching The Brady Bunch, watching Marcia Marcia Marcia up to her Brady antics, Lara unbuttoned my pants and pulled my boxers down a little and pulled out my penis. "Wow," she said. "What?" She looked up at me, but didn't move, her face nanometers away from my penis. "It's weird." "What do you mean weird?" "Just big, I guess." I could live with that kind of weird. And then she wrapped her hand around it and put it into her mouth."*
3. The Haters by Jesse Andrews – Excerpt: *"The first time there was about thirty seconds of foreplay, she put a condom on you, and it was pretty much over before it started. ... I have to say, it was impressive how long you came. You came nonstop for a really long time. ... A really long time. Your balls must have been like little deflated balloons after that. ... You guys went right back at it. You weren't even done coming. ... you guys just started making out and going at it again. You didn't even change condoms, which I have to tell you is gross. And defeats the purpose. ... In the future you need to change condoms if you're going to have gross horny multiple-male-orgasm sex."*

Three school board members have positively responded to our request for review along with the superintendent and assistant superintendent of curriculum. The questions that remain now are: Who approved these books? Were they ever reviewed before being placed in the school library? How many students have checked these books out? etc. This WTPIRC Google Drive [link](#) will take you to our "Watch list" of all 28 titles found in our school system.
