On August 5, 2020, I was directed by Detective Sergeant Fonteyn to assist with a Traffic Homicide Investigation which resulted in the death of three juvenile males. This motor vehicle accident occurred on August 1, 2020. Christian Bono and Nehemiah Turban (both sixteen years of age) were pronounced deceased on scene. Matthew Bono was transported to "Lawnwood Regional Medical Center" with severe trauma and burn injuries by Fire Rescue. Matthew subsequently succumbed to his injuries on August 5, 2020 at a medical facility in Dade County, Florida. Matthew was fifteen years of age at the time of his death.

On August 5, 2020, Traffic Homicide Investigator Ofc. I. Harris received information about a juvenile witness who was in the company of the three deceased juveniles on the day of the incident. The juvenile witness was identified as Andrew Colon. Andrew requested contact from Ofc. Harris because he had some information that he wanted to provide regarding the events leading up to the incident. Ofc. Harris subsequently made telephone contact with the witness.

The following is a brief synopsis of his audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Andrew stated that on August 1, 2020, he was present at Nehemiah's residence located at 3561 SW San Giorgio Street, Port St. Lucie. Andrew advised that he had slept over at this residence during the night prior (July 31, 2020) because it was Nehemiah's birthday weekend, and he was having a birthday party on August 1, 2020. Andrew stated he was not allowed to remain at Nehemiah's residence for the birthday party due to the impending hurricane, and that his mother had instructed him to be home by 6:00 p.m. Andrew advised he told Christian and asked him to come over to Nehemiah's earlier so that he could hang out with him prior to going home, as they've been friends since childhood. Andrew stated Christian came over to Nehemiah's house between the hours of approximately 1:00 p.m.-3:00 p.m. along with his younger brother, Matthew. Andrew stated that when Christian and Matthew arrived, they all began "taking shots" (referencing shots of alcohol). Andrew stated that Nehemiah's mother, Beth Turban, was also taking shots with the three juvenile males. Andrew advised they were drinking "Smirnoff" Vodka, and he advised they drank the whole bottle. Andrew advised Christian and an unknown male named Jason were then told to go to Nehemiah's stepfather's house (Edward Minor) located at 1974 SW Aguero Street, Port St. Lucie, to pick up Nehemiah's stepbrother. Andrew stated Christian had been gone for a long time, so he sent Christian a text message asking him what was taking so long. Andrew advised Christian replied and said he was smoking weed with Ed. Andrew advised that Christian and Jason returned to Nehemiah's residence shortly after. Andrew stated he went home at approximately 6:00 p.m. Andrew advised he received a "Snapchat" message from Christian at 9:18 p.m. stating, "Ed's brother just made us drive forty miles for nothing." Andrew replied, "For what?", and Christian replied "Weed.". Andrew stated they continued a brief conversation about driving to Jupiter with Ed's brother to buy weed.

Andrew stated the final message that he received from Christian was received at 9:45 p.m. which stated, "I don't know." Andrew stated since Christian drove Ed's brother and Jason to Jupiter, he must have gone back to Nehemiah's house to drop them off and pick up Matthew and Nehemiah.

This concluded Ofc. Harris' phone call conversation with the witness.

On 08/06/2020, Andrew and his mother, Belquis Colon, agreed to come to the Port St. Lucie Police Department to speak with me. The following is a brief synopsis of his video and audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Andrew explained he had been friends with Christian Bono since he was approximately six years of age. Andrew stated he and Nehemiah knew one another since he was approximately eight years of age, and truly began to spend time together approximately four years ago. Andrew stated he hung out at Nehemiah's house almost every day after leaving school, and so, came to know Beth Turban (Nehemiah's mother) and Edward Minor (Nehemiah's stepfather) very well. Andrew had slept over at Nehemiah's residence on July 31, 2020. Andrew advised they just hung out and played video games on this evening. Andrew stated that Nehemiah's mother, Beth Turban, had planned a birthday party for Nehemiah on August 1, 2020. Andrew advised that the party had been planned approximately two weeks prior. Andrew stated he, Nehemiah, Christian, and Matthew were all friends. Andrew stated he could not stay over at Nehemiah's beyond 6:00 p.m. due to the hurricane. Andrew stated he sent Christian a text message asking him to come over to Nehemiah's house early, as they were already coming over for Nehemiah's birthday party, so that he could hang out with Christian and Matthew before he had to go home. Andrew stated that Christian and Matthew arrived at Nehemiah's house between 1:00 p.m. and 3:00 p.m. Andrew advised that Christian drove his own vehicle to Nehemiah's house. I asked Andrew if Christian and Matthew appeared to be intoxicated when they arrived at Nehemiah's house, and he stated that they were not. Andrew advised that approximately fifteen to twenty minutes after Christian and Matthew arrived, Beth said, "let's get the party started", and they began to take shots. Andrew stated Beth was putting the liquor in to a silver thing and shaking it around and then pouring shots for the juvenile males (Christian, Nehemiah, and Matthew). I asked Andrew if Beth was making a drink for herself, and the boys were drinking from the bottle on their own. Andrew stated no, and advised that Beth was mixing liquor in the silver thing by putting a bunch of liquor along with something else, and they were fruity shots. Andrew indicated that Beth was pouring the shots for the juvenile males and serving them. Andrew described the type of liquor to be "Smirnoff" Vodka and stated the bottle was brand new and Beth had just opened it prior to serving the juveniles shots. Andrew advised Nehemiah stated to him that he took about ten or eleven shots. Andrew stated Matthew told him that he only took one shot, and Matthew stated to him that Christian took a minimum of six or seven shots. Andrew advised Beth was taking shots with the juveniles, and that they finished the entire bottle of liquor after consuming these shots. Andrew advised that Nehemiah's girlfriend's mother, subsequently identified as Noemi Stella, also took one shot with Beth and the juvenile males. Andrew stated he was asked if he wanted to take a shot, but he stated he did not want to drink. Andrew stated that Christian told Beth that his mother did not want him to drink alcohol, prior to Beth serving Christian alcohol. However, Beth proceeded to serve Christian with alcohol. Andrew stated Beth and Christian's mother are friends.

Andrew stated that Beth asked them to go to her boyfriend's (Edward Minor) residence who lives separate from her at 1974 SW Aguero Street, Port St. Lucie, to pick up her stepson, Brody Minor. Andrew stated that Nehemiah's friend who he only knows as Jason, and Christian went to Ed's house, and he stayed at Beth's with Nehemiah. Andrew stated that he sent Christian a text message asking him why they were taking so long, and Christian replied by saying that they were smoking with Ed. Andrew stated Christian arrived back at Beth's residence at approximately 4:45 p.m. along with Brody. Andrew advised they began to play football outside, but Nehemiah could not play because he was too messed up. Andrew advised that Nehemiah threw up in his bedroom, he was eating bread, sitting in the shower for nearly an hour, and laying down outside on the driveway. Andrew stated he saw Nehemiah before he left to go back home, which was at approximately 6:00 p.m., and Nehemiah appeared to be feeling better.

I asked Andrew if he observed more bottles of liquor at Beth's residence prior to him leaving, aside from the bottle that she drank with the juvenile males. Andrew stated that there were a lot of bottles of liquor there. I asked Andrew if Beth typically has a large amount of liquor at her house, and Andrew stated that Beth normally only has a bottle or two of wine.

Andrew stated after he got home, he called Christian via "FaceTime" around 7:00 p.m. to tell Christian to bring him his shoes that he had left at Nehemiah's house the next day. Andrew stated he could see that Christian was laying on Nehemiah's couch, at Beth's residence. Andrew stated that his next communication with Christian was when he got a message from Christian via "Snapchat" saying that Ed's brother, Shawn Minor, made him drive to Jupiter to buy weed. Andrew advised he replied by asking why he drove to Jupiter if he could purchase weed around here, and Christian replied by saying, I don't know. Andrew advised that the last message that Christian sent to him regarding Shawn making him drive to Jupiter to purchase marijuana was at 9:44 p.m., which was sent via "Snapchat".

Andrew advised that Christian must have returned to Nehemiah's residence after going to Jupiter, FL because he would've dropped off Shawn Minor and Jason and picked up Nehemiah and Matthew. I asked Andrew if he knew where Christian, Nehemiah, and Matthew would've been going. Andrew stated that he has heard that they were going to buy ping-pong balls.

Andrew stated he heard through a mutual acquaintance that Christian called someone via "Snapchat" at 9:45 p.m. He could not recall who it was because so many people had been involved.

Andrew stated that a couple of days after the incident, he received a phone call from Beth saying that they [law enforcement] were going to investigate

and she asked Andrew to say that they [juvenile victims] took a drink by themselves. I asked Andrew what made Beth feel that we [law enforcement] were going to investigate this incident. Andrew stated because Brody had said something to some people, and that Brody knew Christian was drunk and let them leave. Christian stated that Brody said to him that Christian was "off his ass.". Andrew stated that he and his family had gone to "Lawnwood Medical Center" since Matthew had been transported there. He stated they then went to Beth's residence afterward to comfort her. Andrew advised a lot of people were still there, including Brody. Andrew stated that Brody said that Christian was "off his ass" while they were in the room in front of, he and a few other people.

During my interview with Andrew, he stated that he was concerned due to Beth continuing to attempt to contact him, his mother, and his sister. Andrew stated that he felt uncomfortable due to Beth having told him to lie and say that Christian, Nehemiah, and Matthew consumed alcohol on their own during a previous conversation. Andrew identified phone number "(772) 200-5629" as belonging to Beth Turban. During their conversation, Beth did not make any statements regarding the incident.

This concluded my interview with Andrew on this date.

On September 10, 2020, Andrew arrived at PSLPD to speak with me. The following is a brief synopsis of his video and audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

I asked Andrew if there was anything further regarding the day of the incident that he was aware of. Andrew stated that he remembered that Nehemiah's party was supposed to be a "drinking party". Andrew stated that Nehemiah wanted this, and Beth had agreed to it. I asked Andrew if this is something he discussed with Nehemiah, and Andrew stated that this is what Beth had said. Andrew advised that he recalled a girl named "Araya" who wanted to come to the party and Beth spoke to her about it being a drinking party. Andrew advised that Beth had to talk to Araya's mother about it. Andrew stated that he recalled there being a table with a bunch of liquor on it. I then showed Andrew a brief video which showed Nehemiah laying on a table inside of a residence, appearing to be intoxicated. Andrew confirmed that this video was taken on the day of the incident, at Beth's residence, and that this video was taken after Christian, Nehemiah, and Matthew had taken shots of alcohol with Beth. Andrew stated that after this video, Nehemiah sat in the shower due to being intoxicated. I asked Andrew to describe the table of liquor that he had previously stated was present at Beth's residence during Nehemiah's party. Andrew described an average-sized table which he stated had 2 tiers. Andrew stated the top of the table held multiple bottles of liquor, and the lower tier of the table held shot glasses.

This concluded my interview with Andrew on this date.

On March 5, 2021, Andrew Colon complied with an investigative subpoena issued by ASA Justin Cormier of the State Attorney's Office of the 19th Judicial Circuit of the State of Florida. This subpoena instructed Andrew to provide truthful testimony regarding the incident which occurred on August 1, 2020, which led to the deaths of juvenile males identified as Christian Bono, Matthew Bono, and Nehemiah Turban. This subpoena also provided Andrew with immunity from any criminal charges for statements made pursuant to the subpoena. The following is a brief synopsis of his video and audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Andrew stated that on one or two other occasions, Christian and Nehemiah consumed alcohol at Beth's residence, however, Beth did not physically provide the alcohol on those occasions. Andrew stated that Beth kept alcohol on the kitchen counter, right next to the sink. Andrew stated that the alcohol was never inside of Beth's bedroom, and it was never inside any of the kitchen cabinets. Andrew stated that the alcohol was always right on the counter. Andrew advised that on the night prior to the party (July 31, 2020), Beth did not arrive home until approximately 1:00 a.m. Andrew stated that he and Nehemiah smoked marijuana on that evening but did not consume alcohol. Andrew advised that an individual delivered the marijuana to Nehemiah's house. Andrew stated that Nehemiah first told he, Matthew, and Christian about his birthday party via "PlayStation". Andrew advised that Nehemiah stated to them that he asked his mom for a party and asked if he could drink at the party, and that she was going to allow it. Andrew stated that his understanding of this is that they would all be able to drink alcohol. Andrew advised that on the night prior, (July 31, 2020), Nehemiah stated to either Christian or Matthew while on the phone that they'll all be able to drink [alcohol] the next day. Andrew stated that on the day of the party (August 1, 2020), he recalls birthday decorations being put out. Andrew stated that on the day of the party, he noticed a table that he had never seen before. Andrew advised that this table did not have any alcohol on it on the night prior. Andrew described it as a glass table which had two levels or tiers. Andrew stated that on August 1, 2020, the table now held multiple bottles of liquor and shot glasses. Andrew advised that Beth never had this much alcohol at her house before. Andrew agreed that this table seemed to have been brought out specially for the party. Andrew described Beth purchasing items such as small appetizer style food, two-liter bottles of soda, and pizza for the party. Andrew stated that there is no refrigerator in the garage of the residence. Andrew advised that shortly after setting up party décor, Beth stated, "Let's get this party started.". Andrew stated that Beth then retrieved a silver mixing thing and began making drinks for them. Andrew stated that she was mixing something with vodka, and saw Beth pouring the vodka in to the shaker with his own eyes. Andrew stated that prior to leaving, Jacob Roker arrived at Nehemiah's party. Andrew stated that a day or so after the accident, he received a phone call from Beth Turban. Andrew advised that Beth asked him how he was doing. Beth then told him that she could get into a lot of trouble, and stated that if anyone asked, to tell them that the boys took drinks by themselves. Andrew stated that when he went to Beth's house after the crash to comfort her, his mother went with him. Andrew advised that his mother noticed the large table with alcohol and mentioned it to him later. I asked Andrew if he had heard of any other parties that the boys would have gone to on the evening of August 1, 2020. Andrew stated he did not hear of anything. I asked Andrew if Christian, Nehemiah, or Matthew mentioned anything to him about any other parties that they planned to go to, and Andrew stated that they did not.

Andrew's statements on this day were consistent with all his previous statements to law enforcement. This concluded our conversation with Andrew.

On August 7, 2020, I met with Zoey Seymour at her residence. The following is a brief synopsis of her audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Zoey Seymour stated that she did not attend Nehemiah's party, however, she was in frequent contact with Christian Bono throughout the day. Zoey stated that the last "Snapchat" message which she received from Christian was on August 1, 2020 and the message consisted of a photograph of Christian sitting on what she believed to be Nehemiah's sofa. Zoey stated she was able to see party décor in the background. Zoey advised that the last message she sent Christian was on August 1, 2020 at approximately 10:17 p.m. but they were not talking when "it" happened.

This concluded my conversation with Zoey on this date.

On May 14, 2021, I met with Zoey Seymour at her residence. The following is a brief synopsis of her audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Zoey Seymour wanted to share the details of a conversation that she had with Christian Bono two days before Nehemiah's party. Zoey stated that she was at Christian's house and they were talking about Nehemiah's party, and Christian told her about how there was going to be alcohol at the party. Zoey stated that Christian told her that everyone at the party would be drinking and how he wouldn't be able to because Nicole [Christian's mother] had told him not to drink. I asked Zoey if she knew how Christian became aware that there would be alcohol at Nehemiah's party. Zoey stated that she wasn't exactly sure of the conversation, but she was sure that Christian and Nehemiah talked about it. I asked Zoey if she knows Beth Turban, and Zoey stated she knows Beth is Nehemiah's mother. Zoey further stated that Beth has not been very honest with this whole situation. Zoey advised that she remembers Emmalee Bono telling her about Beth not allowing Brody Minor to talk to her at the site of the vehicle accident because she [Beth] didn't have her story clear. I asked Zoey if she had anything else that she felt I needed to be aware of. Zoey advised that a few days after the vehicle accident, she received a "Snapchat" message from Gianna Stella [Nehemiah's girlfriend] stating that her mother [Noemi Stella] wanted to speak with her. Zoey stated that she had zero relationship or friendship with Gianna or her mother prior to this, and she felt this was very strange. Zoey stated that she never contacted Noemi because she felt weird. I asked Zoey if she has an idea as to why Noemi and Gianna would've been trying to speak with her. Zoey stated she feels that they were contacting her to tell her Beth's side of the story so that she would lie for them. Zoey reiterated that she recalls sending Christian a "Snapchat" message at 10:17 p.m., but she did not recall what time she received a "Snapchat" message from Christian prior to her sending this message. Zoey stated she believes it was around 10:00 p.m. Zoey stated that the message she received from Christian was a photograph of himself sitting on a sofa. I asked Zoey if Christian ever mentioned going to another party during her conversations with him on August 1, 2020, and she stated, no.

This concluded my interview with Zoey Seymour.

On September 16, 2020, I met with Gianna Stella at St. Lucie West Centennial High School. The following is a brief synopsis of her audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Gianna stated she had been dating Nehemiah Turban since approximately May 2020. Gianna advised that she has known Nehemiah's family for years. Gianna stated that her mother [Noemi Stella] is best friends with Beth Turban. I asked Gianna if she recalls who else was at Nehemiah's house on August 1, 2020. Gianna stated that she just remembers that it was her, her mom, Beth, Nehemiah's cousin, and the remainder of the night was just a blur. I asked Gianna what time she arrived at Nehemiah's house on the date of the incident, and Gianna stated, around 3:00 p.m. I asked Gianna who was at Nehemiah's house when she arrived there. Gianna stated that it was her, Shania [Nehemiah's cousin], her mother, Beth, Christian, Matthew, and Andrew. I asked Gianna how Christian and Matthew got to Nehemiah's house. Gianna stated that Christian's car was at the residence, so she believes that they drove. I asked Gianna if anyone at the residence appeared to have been drinking [alcohol] or appeared to be intoxicated when she arrived at the house. Gianna stated that the only people that she believes were drinking was her mother and Beth. She stated that her mother had a drink as soon as they arrived at the house. Gianna stated that upon her arrival at the residence, Christian and Matthew were in the kitchen, Nehemiah came out of his bedroom, and Andrew was seated on the couch. Gianna stated that "J" was also there, whom she verified to be Jason, subsequently identified as Jason Bradley. Gianna advised that Araya [Araya Engert] arrived at the residence shortly after. Gianna stated that at some point, the boys were slap boxing outside and Nehemiah laid in her lap on the sofa and fell asleep. Gianna advised that after Nehemiah woke up, her mother got a "bad feeling", so they left and went home. Gianna stated she got back to her residence at approximately 9:00 p.m. I asked Gianna what time it was when the boys began drinking [alcohol] with Beth. Gianna stated that she personally didn't see Nehemiah or Christian drink, but she wasn't in the kitchen with them when they were over there. I asked Gianna if there was any liquor at the party, and she stated, yes. I asked Gianna what type of table the liquor was on. Gianna indicated that there were three bottles of liquor and a bottle of wine in the kitchen. I asked Gianna who she saw drinking. Gianna stated she saw her mom, Beth, and she had taken a shot also because her mother was there, and her mother allowed her to. Gianna stated she also saw Jacob Roker and Brody Minor drink alcohol also. I asked Gianna if Nehemiah smelled of liquor when he fell asleep next to her on the sofa, and Gianna stated, "not really". Gianna stated that she has seen Nehemiah intoxicated on other occasions when they drank together, either at her own house, or at Nehemiah's house. Gianna stated that Beth wasn't aware that they were drinking alcohol during those occasions. I asked Gianna how many times she has consumed alcohol in the past, and she stated that she has drank a lot. Gianna indicated that she

usually likes to drink vodka. I asked Gianna if it was a shot of vodka that she had at Beth's house, and she stated, no. I asked Gianna why Beth agreed to throw a party where it was okay for kids to drink. Gianna stated that she didn't know about the party until the Friday prior to the party [July 31, 2020]. I asked Gianna how she found out about the vehicle accident. Gianna advised she learned of the crash through her mother, after her mother went to the scene of the accident. Gianna stated her mother then returned home and picked her up and they then went to Beth's house. I asked Gianna who was at Beth's residence when they got there. Gianna stated that Jake was still there, Ashley Sellers, Shania, Jason Bradley, Brody, and Beth. I asked Gianna what everyone told her occurred prior to the crash. Gianna stated that she was told that the boys left the house to go buy something, but she didn't recall what it was. Gianna advised that she heard rumors that the boys went to a party and then she heard that they were drinking at Beth's house. Gianna advised that she heard several stories about Christian and Matthew being intoxicated. Gianna stated she spoke with Nehemiah just before the accident. I asked Gianna if Nehemiah sounded intoxicated when she spoke with him, and she stated, no. Gianna stated that she called Nehemiah and asked him if he was with mom, and he stated, no. Gianna advised that she then heard music in the background, and she asked him if he was in the car, and Nehemiah stated, yea. Gianna stated she asked Nehemiah who was driving, and he stated, Christian. Gianna stated she asked Nehemiah if he was okay, and he stated, yea. Gianna advised that the phone then hung up. I asked Gianna what time this phone call occurred. Gianna stated it was right before the accident, like 10:20 p.m., or 10:15 p.m. I asked Gianna if she'd heard anything about Christian being "off his ass". Gianna stated that she couldn't recall who it was, but someone came up to her and said that Christian was "messed up", and that he [Christian] didn't know what he was doing.

This concluded my interview with Gianna Stella on this date.

On February 26, 2021, Gianna Stella complied with an investigative subpoena issued by ASA Justin Cormier of the State Attorney's Office of the 19th Judicial Circuit of the State of Florida. This subpoena instructed Gianna to provide truthful testimony regarding the incident which occurred on August 1, 2020, which led to the deaths of juvenile males identified as Christian Bono, Matthew Bono, and Nehemiah Turban. This subpoena also provided Gianna with immunity from any criminal charges for statements made pursuant to the subpoena. The following is a brief synopsis of her video and audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

During this interview, ASA Cormier asked Gianna if there were any alcoholic beverages out on the counters or tables, and Gianna stated not that she remembers, and just sodas and waters. Gianna stated she doesn't remember any alcohol. ASA Cormier asked Gianna if she recalls anyone, including adults or juveniles, drinking alcohol, and Gianna stated she knew only what she was drinking. ASA Cormier asked Gianna if she drank any alcohol whatsoever at the party, and Gianna stated, "I didn't drink any alcohol at the party.". ASA Cormier asked Gianna if her mother drank any alcohol at the party. Gianna stated, no. She then stated that her mother was mainly with Beth. ASA Cormier asked Gianna if she knows Brody's father [Edward Minor], and she stated, yes. ASA Cormier asked if he was at the house, and she stated, I don't think so and that she'd remember if he was there.. ASA Cormier asked Gianna if Shawn Minor, Edward's brother, was there. Gianna stated that she didn't think so. I asked Gianna if she had any alcoholic drinks on August 1, 2020 while at Beth's residence with the permission of her mother, and Gianna stated, "no.". ASA Cormier asked Gianna if she opened the refrigerator at Beth's residence on the day of the party, and she stated, yes. ASA Cormier asked Gianna if she knows what a "Jello" shot looks like, and she stated, yes. ASA Cormier asked Gianna if she saw any "Jello" shots in the refrigerator, and she stated that she did not. Gianna stated that she'd remember if she'd seen "Jello" shots on this day.

This concluded the interview with Gianna Stella. During this interview, Gianna made several statements that were inconsistent with the initial statements which she made to me on September 16, 2020. Gianna initially stated that her mother allowed her to have a shot of alcohol because she was in her mother's presence. Gianna initially stated that she recalled there being bottles of wine and liquor on the counter in the kitchen area of Beth's residence.

On February 26, 2021, Noemi Stella complied with an investigative subpoena issued by ASA Justin Cormier of the State Attorney's Office of the 19th Judicial Circuit of the State of Florida. This subpoena instructed Noemi to provide truthful testimony regarding the incident which occurred on August 1, 2020, which led to the deaths of juvenile males identified as Christian Bono, Matthew Bono, and Nehemiah Turban. This subpoena also provided Noemi with immunity from any criminal charges for statements made pursuant to the subpoena. The following is a brief synopsis of her video and audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

After conducting an interview with Noemi Stella, she denied witnessing any juveniles who attended Nehemiah's party on August 1, 2020 consuming any alcoholic beverages and denied having any knowledge about any juveniles consuming any alcoholic beverages while at this event. Noemi Stella did admit to attending the party with her daughter, Gianna Stella.

On September 22, 2020, I went to 444 SE Skipper Lane, Port St. Lucie to speak with Jacob Roker and his mother, Cynthia Roker. The following is a brief synopsis of his audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

I asked Jacob if he attended Nehemiah's birthday party, and he stated that he did. I asked Jacob what time he got to Nehemiah's house and he advised around 6:00 p.m. or 7:00 p.m. Jacob stated that Andrew Colon was still at Nehemiah's house when he got there. I asked Jacob if he recalls how Andrew left, and Jacob stated that he believes he took his own car. I asked Jacob who else was there when he got to Nehemiah's. Jacob stated Brody, Ashley, Shania, Gianna, and a whole lot of other people. Jacob confirmed that Christian, Matthew, and Nehemiah were there as well. I asked

Jacob to tell me about the alcohol at the party. Jacob stated that there were drinks on the kitchen counter, and everyone was drinking when he got there. Jacob said he was taking shots of alcohol as well and described it as a clear liquid. I asked Jacob if he had ever consumed alcohol before this, and he stated, no. I asked Jacob who was around while they were drinking, and Jacob stated that it was all the kids. I asked Jacob where Beth was, and he stated that she was in her bedroom. I asked Jacob if Beth knew that they were all drinking alcohol, and Jacob stated that she was aware that they were all drinking alcohol. I asked Jacob if Beth took anyone's car keys away, since she was aware that the juveniles were consuming alcohol. Jacob stated no, and that everyone had their car keys in Nehemiah's bedroom. I asked Jacob if he recalls how many shots Christian, Matthew, and Nehemiah had taken in front of him. Jacob stated that Matthew did not drink and estimated that Christian and Nehemiah took approximately six to seven shots of alcohol. Jacob advised that this occurred around when he first arrived at Nehemiah's. I asked Jacob to describe the remainder of the evening. Jacob stated that they were all chilling and then later in the evening, they began to drink alcohol again. Jacob stated that Christian and Nehemiah did not drink this time because Nehemiah was throwing up from taking shots earlier. I asked Jacob what Nehemiah did after he threw up, and he stated that Nehemiah was laying with his girlfriend [Gianna Stella]. I asked Jacob what Christian was doing, and Jacob stated that Christian was just being a funny kid. I asked Jacob what Beth was doing at this point. Jacob stated he didn't remember. Araya stated that Andrew Colon left the residence around 6:30 p.m. I confirmed with Araya that Beth, Christian, Matthew, and Nehemiah did not leave the residence from the time that she arrived [approximately 5:30 p.m.], until the boys left to buy a game and Beth left subsequently to go to the site of the vehicle accident, which Araya confirmed. I asked Araya if Edward Minor was at the party. Araya stated that Ed brought one of the other juvenile children there briefly but then he left around 8:30 p.m. Araya advised that Gianna Stella's mother had taken Gianna and Shania home around 9:45 p.m. I asked Araya if she has spoken to Beth since the day of the accident. ASA Cormier asked Brody if there was a time during the day when Nehemiah did not seem fine, like he was sober. Brody stated that Nehemiah had thrown up in the toilet one time. ASA Cormier asked Brody what made Nehemiah throw up, and Brody stated that he was sure it was probably the "Jello" shots. I asked Brody how many "Jello" shots there were in total, and Brody stated, like a tray that you would put cinnamon rolls on. I asked Brody to estimate how many "Jello" shots he thought would fit on there, and he stated, maybe fourteen or sixteen. I asked Brody if each time they took one "Jello" shot off of the tray, if there would be an empty spot there, and Brody stated, yes. I asked if Beth was still awake and conscious and walking around at this time, and Brody stated, yes. I asked Brody if at some point, Beth would have been inside and accessed her refrigerator, and Brody stated, yes. I asked Brody if Beth ever approached them and asked them why the "Jello" shots [which Brody stated they were instructed not to consume by Beth] were disappearing, and Brody stated, no. I asked Brody if everyone had a "Tervis", and Brody stated that Beth did and so did Noemi, and they were the only two adults that were there. I asked Brody if he was stating that Christian was inebriated after consuming a couple of "Jello" shots and a "Bud Light Lime.". Brody stated that Christian had about six "Jello" shots. I asked Brody what he meant then, when he stated that he himself had consumed a couple of "Jello" shots. Brody stated that he had about four to five. I asked Brody how Beth never became aware of the alcoholic "Jello" shots disappearing. Brody stated that he is sure she was aware, but she never came to them about it. I asked Brody if there was anything other than nicotine that the boys were looking to go buy from the store when they left Beth's house, and Brody stated, ping-pong balls. I asked Brody why the boys were going to buy ping-pong balls. Brody stated because they had red "Solo" cups and they wanted to play beer pong with "Corona" [beers]. ASA Cormier then showed Brody a video of Nehemiah Turban laying on a small table inside of what appears to be the living room of a residence. On May 12, 2021, I met with Emmalee Bono at the Port St. Lucie Police Department. The following is a brief synopsis of her video and audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Emmalee Bono is the biological sister of Christian and Matthew Bono. I asked Emmalee where she was on the evening of August 1, 2020. Emmalee stated that she was at home and in bed with a severe fever. I asked Emmalee how she became aware that the vehicle accident had occurred. Emmalee stated that she is in a relationship with Owen Staker, who is related to a Port St. Lucie Police Officer. Owen sold his vehicle to Christian, but the vehicle's registration was still in Owen's name. The police officer happened to be on duty and realized that this was Owen's vehicle, and called Owen to see if he was okay. Emmalee stated she recalls Owen's phone call and Owen being told to walk away from her [so that they could discuss the vehicle accident]. Emmalee stated that she got up and asked Owen what happened and he told her. Emmalee stated that she called her mom and dad and asked them if they knew where Christian and Matthew were, and they told her that the boys were at Nehemiah's house. Emmalee stated she asked her parents if the boys left, and her parents said no, not to their knowledge. Emmalee stated that she told her parents to go to "Lawnwood Regional Medical Center", and advised them that she and Owen were going to the location of the vehicle accident. Emmalee stated it was approximately 11:30 p.m. or 12:00 a.m. [08/02/2020] when they initially received a phone call. Emmalee stated upon her arrival at the crash scene, she saw Beth and Brody. Emmalee stated she walked over to Brody and asked him what the boys were doing and why they were out, and Brody told her that they went out to get ping-pong balls. Emmalee stated that Beth then walked over and began hugging Brody and he stopped talking to her. Emmalee stated that she continued to ask Brody questions but he stopped answering her once Beth began to hug him. Emmalee stated that while she was at the scene, she heard them say that a hispanic male was deceased and she thought it was Andrew, so she called Andrew [Colon] and confirmed that it wasn't him. Emmalee stated she then concluded that it was likely Nehemiah that they were referring to. Emmalee stated that Beth kept telling her that she had been asleep since 7:00 p.m. or 8:00 p.m. and she wasn't aware of what they were doing or where they were going. I asked Emmalee how she and her family became aware that there were rumors about the boys being intoxicated. Emmalee stated that after Matthew passed away, she was able to log in to Christian's "Snapchat" account and found videos of Christian sitting in a vehicle and he appeared to be incoherent. Emmalee stated that she could not tell if he was in the driver's seat or passenger seat of the vehicle. Emmalee stated that this video was taken while the sun was still out. Emmalee stated that after viewing this video, they all had a conversation with Andrew Colon regarding Christian's appearance in the video. Emmalee stated that this was when Andrew Colon disclosed everything that he had seen at Beth's house on August 1, 2020 regarding the boys drinking.

This concluded my interview with Emmalee Bono.

On May 6, 2021, I met with Belquis Colon at the Port St. Lucie Police Department. The following is a brief synopsis of her video and audio recorded statement. The verbatim statement was later entered into evidence for review. Events may be out of order for clarity and flow.

Belquis Colon is the biological mother of Andrew Colon. I verified with Belquis that Andrew had slept over Nehemiah's residence on the evening before the get together [July 31, 2020]. Belquis stated that Andrew had asked if he could attend a get together for Nehemiah's at his house for his birthday. Belquis stated that they were hesitant because there was an impending hurricane that was supposed to arrive on Saturday, August 1, 2020, which was the day of the get together. Belquis stated they agreed to allow Andrew to sleep over Nehemiah's residence on Friday, July 31, 2020. Belquis stated she sent Beth a text message if she was still having a get together on August 1, 2020, and Beth stated, yes. Belquis stated she confirmed with Beth that Andrew could spend the night at her residence on Friday, and Beth stated that was fine. Belquis stated she asked Beth if she would be home on Friday evening, and she stated, yes. Belquis stated that Andrew spent the night at Nehemiah's. Belquis stated that on Saturday, Andrew asked her if he could stay at Nehemiah's a little longer because Christian and Matthew were going to be there. Belquis stated they told Andrew to be home by 6:00 p.m., which he did. I asked Belquis if Andrew told them anything about the party when he arrived home on August 1, 2020, and she stated that he did not. I asked Belquis if it seemed as if Andrew had been drinking alcohol when he arrived home, and Belquis stated,

no. I asked Belquis to tell me about how they became aware of the vehicle accident. Belquis stated that Andrew went to her and told her that there was an accident and people are dead. Belquis advised that Andrew told her that the boys were in an accident and people died. Belquis stated that they went to "Lawnwood Regional Medical Center" because they knew one of the boys were taken there. Belquis stated she spoke with Beth on the phone and when she asked if the boys were okay, Beth stated that they were gone. Belquis stated they departed "Lawnwood" at approximately 3:00 a.m., and they decided to go to Beth's house. Belquis stated that she has been to Beth's house on previous occasions, and has been inside of the residence. Belquis advised that when she entered Beth's residence on this evening, Beth was in the kitchen area. Belquis advised that when she went to give Beth a hug, she noticed that in the dining area, there was a big table pushed against the wall. Belquis described the table as being, "full of liquor." Belquis stated that it was not just beer, but hard liquor. Belquis stated that it caught her off guard because she did not think it was a party, but just a simple get together. I asked Belquis if this was a standard "bar area" that some people have within their homes. Belquis stated that she has been to Beth's house on other occasions and this table was not where it currently was, and there was not alcohol on this table on those occasions. I asked Belquis if this table appeared to be specially set up for this get together, and Belquis stated yes because she has never seen this sort of set up in the past. I asked Belquis if she recalls what type of liquor was there. Belquis stated that she does not recall the exact brands, but just recalls that there were several bottles of liquor. I asked Belquis if she recalls the total amount of bottles, and Belquis stated that there were more than three. Belquis stated that her kids went in to Nehemiah's bedroom, and she went to check on them. Belquis advised that there were several kids in Nehemiah's room, including her own children and Brody. Belquis advised that Brody was very upset because he had initially gotten in to the car with the boys but then gotten back out. I asked Belquis if she had heard why Brody got out of the car, and she stated that Brody did not feel safe. I asked Belquis if she has heard why he did not feel safe. Belquis stated that she heard Brody's exact words were that Christian was "off his ass". Belquis stated that they went home shortly after that. Belquis stated after seeing all of the alcohol, she asked Andrew if they had all been drinking. Belquis stated that Andrew told her that Christian had been drinking a little bit. I asked Belquis if Andrew subsequently told her the full story regarding the alcohol and people drinking at the party, and she stated that he did. Belquis stated that Andrew had spoken with some of the baseball coaches after they learned about some things being on social media. Belquis stated that Andrew then disclosed to them the whole story about the boys drinking. I asked Belquis what Andrew disclosed. Belquis stated that Andrew observed the boys [Christian, Nehemiah, and Matthew] being served shots of alcohol by Beth Turban. Belquis stated that Andrew also witnessed Christian telling Beth that his mother [Nicole Bono] told him not to drink. Belquis stated that Beth offered Andrew alcohol, but Andrew refused. Belquis stated that they then contacted law enforcement and subsequently spoke with Traffic Homicide Investigator I. Harris. Belquis stated that it bothered her that Beth reached out to Andrew via telephone and told him to say that the boys took the alcohol on their own, if asked. Belquis explained how terrible it was for a mother to put that type of pressure on a child who just lost his three best friends. I asked Belquis if she recalls how long after the accident it was that Beth contacted Andrew and asked him to lie about how the boys became intoxicated. Belquis stated that she believes it was either the day that Matthew passed away, or the day before. I asked Belquis if this would have been before the boys' funerals, and Belquis stated that it was. Belquis advised that Andrew immediately told her that Beth called him and told him this. I asked Belquis if Beth has ever tried to speak with she or her husband about this incident, and she stated, no.

Jason stated that they were only in Jupiter for approximately fifteen minutes. Jason stated that Shawn was seated in the backseat and Christian was in the front passenger seat. I asked Jason if he knew why the boys left Beth's house, and Jason stated that he wished he knew. He then stated he thought they were going to the store. Jason stated that he was about to take a shower as they were about to leave. Jason confirmed that they likely left around 10:00 p.m. I asked Jason if he had any worries about any of them being intoxicated, and Jason stated that he was worried about Christian. Jason stated he heard rumors that they went to another party. I asked Jason if that is something that they would have told him, and he stated yes. Jason stated that the only times that Christian left Beth's house once he arrived was to go pick up Brody Minor earlier in the day, and to go to Jupiter. Jason advised that he drove Christian when they went to pick up Brody because Christian was intoxicated. I asked Jason how Nehemiah was during the day. Jason stated that Nehemiah was okay, he had something to drink, but not as much as Christian. Jason stated that once Nehemiah threw up, he seemed to be better and not as intoxicated. Jason stated that he felt Christian was intoxicated before he got to Beth's also.

Jason indicated that Nehemiah and Christian were both intoxicated. Jason confirmed that Nehemiah vomited during the party due to being intoxicated. However, he maintained that he never saw anyone drinking alcohol.

Several search warrants were completed in this case. The following information was gained from the execution of said search warrants.

A search warrant executed on Christian Bono's "Snapchat" account [fyeechristian]. Christian Bono's "Snapchat" account contained a brief video which was four seconds in length which portrayed Christian Bono sitting inside of a vehicle with music playing loudly. This video and its contents were consistent with the description provided by Emmalee Bono during my interview with her.

A search warrant executed on Matthew Bono's "Snapchat" account [m.bono7715]. Matthew Bono's "Snapchat" account contained location hits for Matthew's cellular device. These location hits provided the following timeline regarding Christian Bono, Matthew Bono, and Nehemiah Turban's movements after leaving Beth Turban's residence on August 1, 2020. It should be noted that these are generalized locations and are documented below with times and intersections associated with their movements.

10:03 p.m.- Depart from 3561 SW San Giorgio Street, Port St. Lucie [Beth's residence]

10:04 p.m.- SW Tulip Blvd & SW Rivera Street

10:06 p.m.- SW Gatlin Blvd & SW Port St. Lucie Blvd

10:08 p.m.- SW Port St. Lucie Blvd & SW Cameo Blvd

10:11 p.m.- SW Bayshore Blvd & SW Port St. Lucie Blvd

Surveillance video from "WalMart" located at 1675 NW St. Lucie West Blvd, Port St. Lucie. A vehicle which is consistent with the vehicle which Christian Bono was driving was seen driving through the "WalMart" parking lot with the following time stamps:

10:25:01 p.m.- Vehicle enters from Lake Charles Blvd entrance, north toward "WalMart"'s western entrance

10:25:17 p.m.- Vehicle passes in front of "WalMart" store front camera, traveling east through parking lot

10:25:26 p.m.- Vehicle travels south through traffic lane, and then travels west through parking lot toward Lake Charles Blvd exit

After reviewing the above-mentioned data, it is reasonable to assume that they were not stationary for more than one minute.

Andrew Colon provided testimony which stated that on August 1, 2020, he witnessed Beth Turban physically serving Christian Bono, Matthew Bono, and Nehemiah Turban multiple shots of alcohol, which Andrew specified to be "Smirnoff Vodka". Andrew indicated that Beth stated, "Let's get this party started.", and began to pour vodka in to a silver shaker cup with another liquid, mixing the two. According to Andrew, Beth then poured the mixture in to shot glasses for the juvenile decedents multiple times. Andrew stated that he heard Christian state to Beth that his mother [Nicole Bono] did not want him to drink alcohol. Andrew stated that Beth still served Christian several shots of alcohol, despite his statement to Beth regarding his mother's wishes. Andrew advised that he was offered alcohol also, but he refused. Andrew stated that Beth was also taking shots of alcohol with the boys, and that although the bottle was brand new and Beth had just opened it, they finished the bottle of vodka together. Andrew stated that Nehemiah told him that he took approximately ten or eleven shots during this time period. It should be noted that a video was provided which showed Nehemiah laying on a table which was identified as being Beth's residence, immediately after the decedents drank these shots of alcohol. Nehemiah appears and sounds as if he is intoxicated in this video. Andrew advised that Christian took approximately six to seven shots of alcohol with Beth during this time period. Andrew stated that he personally spoke with Nehemiah who stated that he asked his mother if they could drink alcohol at this party, and she had approved. Andrew stated that Nehemiah also told Matthew or Christian about the drinking.

Andrew Colon stated that Beth Turban contacted him on his cell phone a couple of days after the accident and stated to him that if he is asked, to say that the boys drank alcohol on their own. Andrew and Belquis advised that they were not sure of the exact day, however, Belquis indicated that she believes it was either the day before Matthew Bono passed away [August 5, 2020], or the day of. Belquis provided me with call log records from Andrew's cell phone which showed incoming calls from Beth Turban, whose phone number has been identified as (772) 200-5629, on the following dates and times.

August 2, 2020- 6:25 p.m.- 7 minutes

August 4, 2020- 9:20 a.m.- 2 minutes

August 4, 2020- 1:33 p.m.- 2 minutes

Belquis stated that she believes it was the day before Matthew passed away because she recalls Andrew telling her immediately after his phone call with Beth, that Beth had asked him to lie and say the boys drank on their own.

Zoey Seymour stated that she has personal knowledge regarding this party specifically being a "drinking party" for Nehemiah. Zoey knows this because she had a conversation with her boyfriend, Christian Bono, regarding him not being able to drink alcohol at Nehemiah's party since his mother [Nicole Bono] had asked him to be responsible and not drink. Zoey stated that Christian expressed knowledge that there was going to be

alcohol available for juveniles to drink at Nehemiah's party on August 1, 2020.

Jacob Roker provided information which stated that on August 1, 2020, he consumed shots of alcohol along with Beth Turban, Christian Bono, Nehemiah Turban, and Brody Minor. Jacob described an environment in which he and all of the juveniles were free to access and drink alcohol as they desired, and stated that Beth Turban was fully aware of this. When asked, Jacob stated that Beth Turban made no attempts to take away any of the juveniles' car keys, and made no comments to them instructing them to not leave the house, or to stop drinking alcohol. Jacob stated that Beth verbally asked them if they were drinking again, and once they confirmed that they were in fact drinking, she returned to her bedroom. Jacob Roker stated that there were multiple bottles of liquor present at Beth's residence, and were fully accessible with no contention from Beth Turban.

Ashley Sellers provided information which stated that on August 1, 2020, she observed the juvenile decedents drink alcohol with Beth Turban by taking a shot of alcohol with her. Ashley Sellers confirmed that Andrew Colon was also present while this was occurring.

Belquis Colon provided information which stated that during the early morning hours of August 2, 2020, she went to Beth Turban's residence following the vehicle accident to show support due to Nehemiah Turban's death. Belquis stated that she herself observed several bottles of liquor at the residence, which appeared to be set up solely for this party which was for juvenile individuals. Belquis advised that she has previously been to Beth's residence, and this table which held multiple bottles of liquor on this evening was not the usual setup within Beth's residence.

During the interviews with Gianna Stella, Brody Minor, Ashley Sellers, and Jacob Roker, there was no indication made by any of these witnesses that Beth Turban attempted to stop any of the juveniles in attendance at this party, to include the juveniles who she had personally served large portions of alcohol to, from leaving her residence in any manner. Beth did not verbally state to any of these individuals that they were not allowed to leave or drive due to them having consumed alcohol, which she had personal knowledge of. Beth did not physically take away anyone's car keys, or make any attempt to verbally request their car keys, as per the above-mentioned witness statements. Beth Turban returned to her bedroom after watching multiple juveniles take shots of alcohol, and allegedly fell asleep. Beth Turban failed to have any care for the juveniles whom she accepted responsibility for at her residence, specifically Christian Bono, Matthew Bono, and Nehemiah Turban.

Beth Turban then contacted Andrew Colon, whom she knew to be present while she personally served Christian Bono, Matthew Bono, and Nehemiah Turban with multiple shots of alcohol, and requested him to lie and say that the boys drank on their own, if asked.

A subpoena was completed and submitted to "TD Bank" for Beth's bank records for a period of time leading up to August 1, 2020. It should be noted that on July 6, 2020, Beth Turban had a debit card purchase totaling fifty-two dollars at "3rd Base Discount Beverage", located in Port St. Lucie, Florida.

Beth Turban has been aware of this criminal investigation for several months, as witnesses who I spoke with have stated that she was aware that they've spoken with me regarding this incident. As of June 15, 2021, I have not received any contact from Beth Turban requesting to speak with me, or requesting to know the allegations behind this investigation.

On June 15, 2021, I went to 3561 SW San Giorgio Street, Port St. Lucie [Beth Turban's residence], and left my business card with Ms. Turban's family member. Beth Turban contacted me via telephone shortly after, and I advised her that I am conducting an investigation regarding the party or get together that she had at her residence on August 1, 2020. Beth stated, "Well it wasn't a party, first of all." Beth subsequently stated that she'd prefer to speak with an attorney first. This concluded my contact with Beth Turban.

It should be noted that on October 6, 2020, Beth Turban contacted the Medical Examiner's Office and requested autopsy results and toxicology results of not only her son, Nehemiah Turban, but also the autopsy and toxicology results for Christian Bono. After conferring with Paul Bono [Father of Christian and Matthew], it was determined that Beth Turban did not seek this information on Mr. and Mrs. Bono's behalf, but solely on her own desire. Beth Turban's inquiry was reported to me by Detective Auguste, who directly contacted by the Medical Examiner's Office regarding this inquiry.

Beth Turban was fully aware of the ages of Christian Bono, Matthew Bono, and Nehemiah Turban. Beth did not behave as a reasonable adult toward the decedents. Beth displayed reckless disregard for the safety of the decedents by continually serving the juveniles with alcohol, and facilitating the presence of several bottles of accessible alcohol for the juveniles to consume at will throughout the day and evening. After personally serving several juveniles with alcohol, Beth continued her gross disregard for their safety by never removing the juveniles' car keys, or even simply telling them that they are not allowed to leave her residence. Beth observed the juveniles drinking alcohol, and displayed an indifference for the public's welfare by then going to sleep, leaving the juveniles whom she contributed to becoming intoxicated, to do whatever they pleased. This course of conduct facilitated Christian Bono ingesting large amounts of alcohol, and then accessing his vehicle with no supervision or contention.

Beth Turban contacted Andrew Colon and requested that he withhold information regarding her actions and/or contributions to the juvenile decedents drinking alcohol on August 1, 2020.

Christian Bono's alcohol levels as reported by the Medical Examiner's Office- District 19 toxicology report are as follows:

Blood Alcohol Content [Ethanol]: 0.217

Nehemiah Turban's alcohol level as reported by the Medical Examiner's Office-District 19 toxicology report are as follows:

Blood Alcohol Content [Ethanol]: 0.092

Matthew Bono's alcohol levels as reported by the Miami-Dade County Medical Examiner's Office toxicology report are as follows:

**It should be noted that Matthew Bono did not become deceased until August 5, 2020 while receiving care in Miami-Dade County.

Blood Alcohol Content- None Detected
