## RESOLUTION

Censuring Representative Paul Gosar.

Whereas, on November 7, 2021, Representative Paul Gosar posted a manipulated video on his social media accounts depicting himself killing Representative Alexandria Ocasio-Cortez and attacking President Joseph Biden;

Whereas the video was posted on Representative Gosar’s official Instagram account and used the resources of the House of Representatives to further violence against elected officials;

Whereas Representative Gosar issued a statement on November 9, 2021, defending the video as a “symbolic cartoon” and spreading hateful and false rhetoric about immigrants;

Whereas the leadership of the Republican Party has failed to condemn Representative Gosar’s threats of violence against the President of the United States and a fellow Member of Congress;

Whereas the Speaker of the House made clear that threats of violence against Members of Congress and the President of the United States should not be tolerated and called on the Committee on Ethics of the House and law enforcement to investigate the video;

Whereas depictions of violence can foment actual violence and jeopardize the safety of elected officials, as witnessed in this chamber on January 6, 2021;

Whereas violence against women in politics is a global phenomenon meant to silence women and discourage them from seeking positions of authority and participating in public life, with women of color disproportionately impacted;

Whereas a 2016 survey by the Inter-Parliamentary Union found that 82 percent of women parliamentarians have experienced psychological violence and 44 percent received threats of death, sexual violence, beatings, or abduction during their term; and

Whereas the participation of women in politics makes our government more representative and just: Now, therefore, be it
