Hi John, the recommended font to use by Alyssa for the most efficiency is [Microsoft Jhenghei](#).

I'm working on getting a snippet so I can show you how that will look, but she hasn't quite gotten back to me on that one yet.

Hi, Travis,

The Chinese font that SF prefers is DFHeiHK. If the system does not support this font, use the font applied for the March 2020 ballot.

Thanks,  
-John.
