Hi All,

Thank you for your continued patience. The updated proofs can be found at the following link:

<https://dvsfileshare.dominionvoting.com/?ShareToken=4BBA2FC420C150B963265E220DBC4CBED773361A>

Please review and let us know your feedback on the change log. A few other notes for this round –

1. The translations of the Proposition have been generated using Google Translate. This means that the text is very likely incorrect as well as the formatting, but is only acting as a placeholder until we receive certified content.
2. The Proposition will be on card 3 and only one example is provided per language as they are the same across all ballots in each language.
3. We removed Voter Nominated text from the BOE Contest.

Please let me know if you have any questions, thanks!
