Hi Travis,

Thank you for the information. That makes sense. So it seems that John is on a call until 3. Are you guys able to meet then?

Sorry for all of the confusion.

Hey Tisa, we can move it to 2pm – David has some wiggle room at that time.

Hello,

I was just writing an email to you.. It seems John is not in the office at the moment and Cat is in another meeting. Let me see if I can see where John has gone. Was the original time proposed 2? That may be what we need to do.. But let me see!

Will you be joining the call? David and I are on right now. I should have clarified it was 1:30, not 2pm.

Hi Travis,

Thank you! I look forward to speaking you all later today and going over the comments. I did receive the information on the top margins and it seems that ballot card 1 and 3 are fine, but we will need to have a margin on ballot card 2 of 1 inch so that the seals can be printed. With this, we must be very mindful that all language ballots have this same margin on card 2.

I can put this on the change log and re-send it or would this be better to discuss first before adding it?

Thanks!
