Hi Travis,

Here is the new spreadsheet with all of the measures and the translations that we currently have. I do want to note a few things that we talked about:

1. The Health and Recovery sentence is not bold in English.
2. Though we will not use the titles for the county measures, I have left them on because it seems that we will be using them for reporting. I have sent an email to Val to follow up on what should be in those columns, but I am still waiting on a response. I can let you know about the titles piece when I find out.

Please let me know if you need anything else or for me to change anything in the spreadsheet!

Best,  
Tisa Ambrosino
