Hi Travis,

I have compiled our feedback for this round and it is attached. We have also gone ahead and created transliterations for the vice presidential candidates, so I have attached an updated spreadsheet with that information added. Additionally, there were three items (two Chinese transliterations and one Spanish ballot designation) that had a double space, so I have highlighted those that have been updated in the spreadsheet as well.

Please let me know if any of our comments need any clarification.

Thanks,  
Tisa Ambrosino
