RE: Public Records Request, dated October 6, 2021
Reference # P050263-100621

Dear Anonymous:

The San Francisco Police Department (SFPD) received your Public Records Act request, dated October 6, 2021.

You requested, "To Whom It May Concern: Pursuant to the California Public Records Act, I hereby request the following records: Please provide all emails sent to or from Chief William Scott, David Lazar, Daryl Fong, any SFPD captain, and the SFPD commander who is the SFPD lead of HSOC (if their name is not already included in the previous list) sent or received between June 29, 2021 (inclusive) and October 6th, 2021 containing the search terms "encampment" or "tent". Please provide results in searchable PDF format and release them on a ROLLING basis."

On October 15, SFPD invoked the extension of time to respond to your request pursuant to Government Code section 6253(c).

On October 28 and November 10, SFPD produced responsive documents.

SFPD is still in the process of searching our records for responsive records. We will endeavor to produce records on an incremental or rolling basis once they are determined to be responsive and non-exempt. We will provide you with an update by December 8, 2021.

Sincerely,

Lieutenant Arran Pera #531
