Chair Richards,

We write to express our grave concern over the sudden and inexplicable termination of Angela Rodell as Executive Director of the Alaska Permanent Fund Corporation (APFC).

In her six-year tenure as Executive Director, the Permanent Fund grew a record-setting \$30 billion in value. Ms. Rodell's track record is nothing short of exemplary, she has always been a steadfast professional, and did everything within her power to shield the Fund from outside political interference.

We strongly believe that the public and legislature deserve an explanation for the action the board took yesterday.

We eagerly await your response.

Sincerely,
