CASE No: 2 21-cv-09131-dsf-age

Dear Secretary Blinken,

The above is a Freedom of Information Act request currently filed at the United States District Court Central Court of California pertaining to specific information reported to the Central Intelligence Agency. Within the supporting documentation is a preface of an explanation of events that occurred prior to the request. It's my civic duty to inform you, as Secretary of State corruption appears to have been taking place. In order to safeguard the integrity of our State, may I request the statement attached be reviewed.

Furthermore, upon visiting the US Consulate in Tijuana, MX to address the issues detailed within CASE No: 2 21-cv-09131-dsf-age, my right to public service was denied by the Federal Bureau of Investigation who contacted the Mexican Policia to have me removed from the US Consulate by suggestion of force after facing an incident where my life was almost taken by Mexican Policia. Lastly, it appears your Consulate was utilized in a coordinated manipulation of the US Government by the Department of State, Drug Enforcement Administration and Federal Bureau of Investigation in order to achieve what had taken place.

Sincerely,

  
Jonathan William McKinney  
USAF Veteran

Summarized Statement

Between the date ranges of 01 June 1999, within 30 days of President George Washington Bush announcing his candidacy on 12 June 1999. I entered Tijuana, MX and shortly after my family was targeted, this led to Federal Agents looking for Jo Jo Reyes after Iris Moser departed to Bonn, Germany. Per the supporting statement on 01 Jan 2001 when I, Jonathan William McKinney Entered DEP Ronald R Blanco would have had to have been identified for my orders to be changed on 31 July 2001 before he was listed 28 Jan 2003. This proves that the California Department of Justice would have identified whom Ronald R Blanco aka Ismael Zambada Garcia was prior to myself being targeted, our family being targeted, prior to Enlisting. Leading to my Orders being changed from Whiteman, AFB MO to Edwards AFB, CA on 31 July 2001 prior to the September 11th Attacks and prior to Ronald R Blanco aka Ismael Zambada Garcia being listed on 28 Jan 2003.

This is proven by the U.S. Department of State's Counter-Terrorism Rewards Program, was established by the 1984 Act to Combat International Terrorism, Public Law 98-533 (codified at 22 U.S.C. § 2708).

Also supporting the cartel knowing that the Justice Department was going to take down the cartel partners prior to The September 11th Attacks, targeted me to and then when I joined the USAF and The September 11th Attacks took place.
