Statement by Donald J. Trump, 45th President of the United States of America

This is why Mike Dunleavy of Alaska has been, and will be, a great Governor. He has the courage of his convictions. Lisa Murkowski is the “disaster from Alaska” who single-handedly blew ANWR, one of the largest energy sites in the world, and an incredible economic development opportunity for the Great State of Alaska!

A note from Governor Mike Dunleavy below:

“Please tell the President thank you for the endorsement. With regard to the other issue, please tell the President he has nothing to worry about. I appreciate all 45 has done for Alaska and this country.”
