RECORD OF SWORN STATEMENT

(b)(6)

Office: Washington District Office File No.:

Statement by: Elizabeth Rosemonde Warner

In the case of: Elizabeth Rosemonde Warner

At: 1025 Vermont Ave., N.W., Wash., D.C. 816<sup>Room</sup> Date: December 16, 1977

Before: James W. Lounsbury, Immigration Examiner  
(Name and Title)

In the English language. Interpreter not used.

I am an officer of the United States Immigration and Naturalization Service, authorized by law to administer oaths and take testimony in connection with the enforcement of the Immigration and Nationality laws of the United States. I desire to take your sworn statement regarding :

Your application for lawful permanent residence in the United States and concerning your eligibility to be adjusted to that of a lawful permanent resident of the United States.

Before we ask you any questions, you must understand your rights.

You have the right to remain silent.

Anything you say can be used against you in court, or in any immigration or administrative proceeding.

You have the right to talk to a lawyer for advice before we ask you any questions and to have him with you during questioning.

If you cannot afford a lawyer, one will be appointed for you before any questioning if you wish.

If you decide to answer questions now without a lawyer present, you will still have the right to stop answering at any time. You also have the right to stop answering at any time until you talk to a lawyer.

Q. Do you wish to have a lawyer or any other person present to advise you?

A. No thank you, very much.

Q. Are you willing to answer my questions at this time?

A. I am indeed.

Q. Do you swear that all the statements you are about to make will be the truth, the whole truth and nothing but the truth, so help you God?

A. I do.

① E. J. W.

Q. Are you presently employed?

A. No.

Q. Have you ever been excluded or deported from the United States?

A. No, I have not.

Q. Have you ever been a member of or affiliated in any way with any totalitarian organization or the Communist Party or any organization which believes in the overthrow in the United States Government by force?

A. No, I have not.

Q. <sup>Miss E. J. W.</sup> Miss Warner, In our background security and clearance of you, we were given information that at sometime in the past you may have contributed money to an organization which had gone out on the record as advocating the overthrow of the United States government by force and violence, that group being the Black Panther Party. Did you or have you at any time contributed funds to that organization, if so what were the circumstances surrounding that contribution?

A. I have not.

Q. Have <sup>any</sup> members of your family ever or past family have ever contributed to that party?

A. My ex-husband, Richard Burton may have at one time, I am not sure because he was a friend of Jane Fonda and David Sutherland and he's a very generous man. He may well have I really don't know.

Q. But you were sure that you personally have <sup>never</sup> contributed to that party?

A. I <sup>have</sup> am not, as I am pretty stingy. No I know I haven't.

Q. The reason I ask this question is because in 1969, David Hilliard, Chief of Staff of the Black Panther Party, stated that "We the Black Panther Party advocate the very direct overthrow of the government by way of force and violence." And further in 1970 Henry Douglas the Cultural Director for that organization stated, "The only way to make this racist U.S. government administer justice to the people it is oppressing via the taking of arms against killing the officials. Do you or have you ever advocated these same actions?"

A. Of course not and I know that my ex-husband, Richard Burton did not go along with that either, if he did give any money at all it was to help some citizen that was in jail. He would never have gone along with that theory.

Q. Do you have anything further <sup>that</sup> you would like to add to this statement?

A. No.

THIS TERMINATES THE SWORN STATEMENT TAKEN THIS DATE.

Re: Elizabeth Taylor Warner

P.A. chest film revealed a round, nodular calcification in the right upper lung field which is unchanged from previous x-rays of 11-73.

Although the patient exhibited poor inspiratory effort, the heart, mediastinum and lung fields are well within normal limits.

**Your petition has been approved and is valid for the duration of your present relationship to the beneficiary.**

Please be advised that approval of the petition confers upon the beneficiary an appropriate classification. The approval constitutes no assurance that the beneficiary will be found eligible for visa issuance, admission to the United States or adjustment to lawful permanent resident status. Eligibility for visa issuance is determined only when application therefor is made to a consular officer; eligibility for admission or adjustment is determined only when application therefor is made to an immigration officer. Also, please note the items below which are indicated by "X" marks concerning this petition:

1.  YOUR PETITION TO CLASSIFY THE BENEFICIARY AS AN IMMEDIATE RELATIVE OF A UNITED STATES CITIZEN HAS BEEN FORWARDED TO THE UNITED STATES CONSULATE AT \_\_\_\_\_ THIS COMPLETES ALL ACTION BY THIS SERVICE ON THE PETITION. THE UNITED STATES CONSULATE, WHICH IS UNDER THE SUPERVISION OF THE DEPARTMENT OF STATE, WILL ADVISE THE BENEFICIARY CONCERNING VISA ISSUANCE. *Inquiry concerning visa issuance should be addressed to the Consul. This Service will be unable to answer any inquiry concerning visa issuance.*
2.  IF YOU BECOME NATURALIZED AS A CITIZEN OF THE UNITED STATES AND AN IMMIGRANT VISA HAS NOT YET BEEN ISSUED TO THE BENEFICIARY, NOTIFY THIS OFFICE IMMEDIATELY, GIVING THE DATE OF YOUR NATURALIZATION. THIS SERVICE HAS NOTHING TO DO WITH THE ACTUAL ISSUANCE OF VISAS. VISAS ARE ISSUED ONLY BY UNITED STATES CONSULS WHO ARE UNDER THE JURISDICTION OF THE U.S. DEPARTMENT OF STATE. UNDER THE LAW ONLY A LIMITED NUMBER OF VISAS MAY BE ISSUED BY THAT DEPARTMENT DURING EACH YEAR AND THEY MUST BE ISSUED STRICTLY IN THE CHRONOLOGICAL ORDER IN WHICH PETITIONS WERE FILED FOR THE SAME CLASSIFICATION. 5.  THE PETITION STATES THAT THE BENEFICIARY IS IN THE UNITED STATES AND WILL APPLY TO BECOME A LAWFUL PERMANENT RESIDENT. THE ENCLOSED APPLICATION FOR THIS PURPOSE (FORM 1-485) SHOULD BE COMPLETED AND SUBMITTED BY THE BENEFICIARY WITHIN 30 DAYS IN ACCORDANCE WITH THE INSTRUCTIONS CONTAINED THEREIN. (IF THE BENEFICIARY HAD PREVIOUSLY SUBMITTED FORM 1-485 WHICH WAS RETURNED TO HIM, HE SHOULD RESUBMIT THAT FORM WITHIN 30 DAYS.)
6.  THE BENEFICIARY WILL BE INFORMED OF THE DECISION MADE ON HIS PENDING APPLICATION TO BECOME A LAWFUL PERMANENT RESIDENT (FORM 1-485).

.-.

In the divorce case :

Mrs Elisabeth Rosamond Burton, daughter of Francis Taylor and Sarah, born Warmbraten, born on the 27th February 1932 in Hendon, England, British citizenship, actress, resident in Chalet Ariel, 3780 Gstaad, represented by Dr in law G. Hochstrasser, lawyer, Hirschengraben 11, 3011 Bern,

plaintiff,

against

Richard Burton, son of Richard Walter and Edith May, born Thomas, born on the 10th November 1925 in Pontrhydyfen, Wales, British citizenship, actor, resident in Chalet Ariel, 3780 Gstaad, represented by Dr Georg Krneta, lawyer, Münzgraben 6, 3007 Bern,

defendant,

The Court found and determined :

1. The parties were married the 15th March 1964 in the Unitarian Church in Montreal, Province of Quebec, Canada. No child is born from the matrimony; however, the parties adopted the child Maria Burton, born the 8th January 1961.

2. The two parties are British. The Swiss Federal Law of 25th June 1891, concerning the Civil Rights of established temporary residents of foreign nationality, and article 59 of the "Einführungs- und Uebergangsbestimmungen" of the Civil Swiss Code, at no 7h, foresee that a foreign spouse, who lives in Switzerland, can apply for a divorce at the judge of his residence, if he proves that, according to the law and jurisprudence of his country, the cause of divorce is admissible and the Swiss tribunal is recognized.

Concerning the divorce for English people, living in a foreign country, Mr Schnitzer, in a handbook of International Private Law, 4th issue, page 396, expresses the opinion, that a decision will be recognized, if the spouses, at the time of the presentation of the plaint, had their domicile in the above mentioned country. It is sure that the spouses Burton-Taylor have no domicile in England or Great Britain, and that they have been living in Switzerland for ten years. The plaintiff is registered in the commune of Saanen since the 12th December 1961, and the defendant since the 4th January 1965. The spouses Burton possess a Swiss residence permit "C", therefore they are considered as foreign people established in Saanen. They are subject to paying taxes. The plaintiff owns a house in Gstaad, and every year, without exception, spends there a shorter or longer period of time.

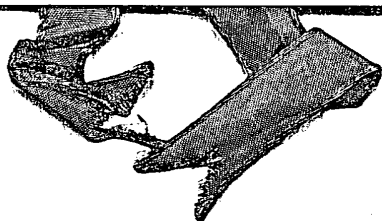

Since the question of legal residence is fundamental, according to art. 23 of Civil Swiss Code, one might ask himself whether it is enough, when someone lives a certain time, but not continuously, at a certain place, for considering that the person in question has his legal residence at that place. But one has to notice, that the spouses Burton are forced, because of their work, to be away from their home in Gstaad, the greatest part of the year. That is the reason why the residence in Gstaad must be considered as being their legal residence; as the plaintiff declared in her deposition during the parties' hearing, she has no other domicile. That is why the English law recognizes the Swiss jurisdiction. According to the Swiss law, a cause of divorce must exist. Then, the plaintiff must prove that the cause of divorce

is recognized as such by his or her nationality law (see Schnitzer's handbook for International Private Law, page 379). In the present case, it is established that the general cause of divorce is contained in the Matrimonial Causes Act 1950, and more precisely under the provisions concerning bodily harm and mental cruelty. Therefore, according to English law, the behaviour of either or both spouses may be considered as symptomatic of a profound dissension. In consequence, the district court of Saanen has been accepted as the competent court.

3. The parties met each other when working at the film "Cleopatra" in Rome. The common work led them so near, that a love affair began, which became a real and profound bond. The first years of marriage were useful for the common edification and success. But with the time, the fact that each party had the same profession but a well established career, created difficulties. More and more, it became obvious that their personalities, which are both very strong, clashed with one another. Violent arguments began, which eventually ended not only in words, but also in physical aggression. In all this, alcohol played a big role. The abyss between the parties, the hard arguments and fighting, led them so far, that in summer/autumn 1973 they decided to divorce.

4. There is in general a profound dissension when the spouses are no longer prepared to continue matrimony, and when every reason for being together has disappeared. This seems to be the situation with the Burton couple. On the basis of the acts and the parties' hearing, the court is unanimously convinced that the Burton couple is profoundly destroyed and cannot be healed.

The pronounced personality of the two stars was the basis for contradictions and tensions, which could not be mitigated with the passing time. The continual hard arguments, which often ended in violence, led the parties to a situation without any issue. One has to deplore that a last mutual trial for saving the couple broke down. It seems that the two parties are resigned and are today complete strangers to each other. Presently, they live separately, for neither

of them can suffer the presence of the other. The court has no grounds to doubt about the rightness of the parties' argument. In such a case, one cannot require from the parties the continuation of common life. One must really speak about a profoundly disturbed marriage, since obviously the two parties have no longer the force to believe in the possibility of saving the marriage. That is the reason why the divorce of the couple has to be pronounced.

5. There is no natural child born from the couple. Instead the parties adopted together the child Maria Burton, born the 8th January 1961. The parties proposed the custody of the child to the plaintiff. There is nothing to say against this assignment, for she has already brought up four children and nothing has been shown that could speak against her capacity to bring up children.

6. For the other consequences of the divorce, the parties came to an agreement, in a detailed additional convention. This convention contains in particular, clauses concerning the interests of the adoptive child Maria and for the rest, appears equitable, with consideration of the financial relation of the parties. The court is of the opinion that the agreement is to be approved. Moreover, one must notice that the judge must respect the parties' wishes, when they conclude the contract about the strict financial consequences of the divorce. He must not interfere without need, into the liberty of the parties, about the elaboration of their financial relations; and even if one of the parties makes an opposite request, he must refuse only when there are important reasons for doing so (Practice of "Zivilgesetz Buch", 5/1974, page 328-331).

Considering these circumstances,

it is recognized that :

1. The marriage contracted between the parties on the 15th March 1965 in Montreal, Province of Quebec, Canada, is legally dissolved, at the request of both parties, in application of art. 142 of the Civil Swiss Code.

2. The custody of the child Maria, born the 8th January 1961, is given to the plaintiff.

3. The convention between the parties, signed the 1st of June 1974 and the 27th May 1974, the convention of divorce and the additions of 25th June 1974, are legally approved.

4. According to the convention, the tribunal's costs are supported half and half by the parties and each party will pay for its own costs.

The present judgement was verbally notified to the parties by the Court.

After the opening of the judgement, the parties' lawyers explained that one must renounce the legal possibility of appeal, therefore the judgement became final on the 26th June 1974.

The judgement is to be communicated to the competent government office.

### En el Hotel Desert Inn, en Las Vegas, Estado de Nevada, Estados Unidos de América, procédase al exhorto correspondiente conforme a lo ordenado por el artículo 302 del Código Federal de Procedimientos Civiles en relación con los artículos 99 y 104 del Código de Procedimientos Civiles para el Estado de Jalisco, y entréguese dicho exhorto para hacerlo llegar a su destino a la parte interesada, para la práctica de la diligencia en la cual se le hace saber que tiene la obligación de devolverlo con lo que se practicare. Hecho lo anterior prosigase el Juicio en los demás trámites que señala la Ley. Désele la intervención correspondiente al C. Agente del Ministerio Público inscrito a este Juzgado. Regístrese. De lo anterior me fundamento en los artículos 266 al 291 del Código Civil para el Distrito y Territorios Federales en materia común y para toda la República en materia federal; Artículo 10 del Código Civil para el Estado de Jalisco; y de los artículos 255 al 261 y demás relativos del Código de Procedimientos Civiles para el Distrito Federal y Territorios y como supletorios los artículos señalados del 266 al 270, 272, 274, 331 y demás relativos del Código de Procedimientos Civiles para el Estado de Jalisco. NOTIFÍQUESE. El Juez de Primera Instancia. Doy fé. Firmados: Dos firmas ilegibles.

En cumplimiento de dicho acuerdo se libró exhorto al Sheriff con jurisdicción sobre Las Vegas, Estado de Nevada, Estados Unidos de América para que emplazara al demandado y con fecha 28 veintiocho de enero del corriente año se apersonó ante este Juzgado el Licenciado Antonio S. Valenzuela, como apoderado de la parte actora acreditando su personalidad con el testimonio de la escritura pública número 99 noventa y nueve de fecha 4 cuatro de enero del corriente año, otorgada ante la fe del Notario Público número 2 de esta ciudad, señor Licenciado Rodolfo Gómez de la Paz, garantizando ser apoderado especial de la actora para proseguir el presente Juicio. Al mismo curso acompañó debidamente diligenciado, el exhorto remitido a las autoridades competentes del Estado de Nevada y con el cual quedó comprobado que el demandado Edwin Jack Fisher, también conocido como Eddie Fisher, fue emplazado el día 18 dieciocho de enero del corriente año, en cumplimiento de lo ordenado por auto de 14 catorce de enero también del presente año.

3/o. A solicitud de la parte actora, transcurrido el término concedido al demandado para formular contestación, sin que lo hubiere hecho, se hizo la declaración de rebelía, de acuerdo con lo prescrito por los Artículos 271 del Código de Procedimientos Civiles para el Distrito y Territorios Federales y 279 del Código de Procedimientos Civiles para el Estado de Jalisco. También a solicitud de la parte actora, se abrió el Juicio a prueba y se recibieron las que ofreció la misma parte actora, ya que la demandada no ofreció pruebas dentro del término que se le concedió para tal efecto. Se concedió a las partes el término de Ley para formular alegatos, habiendo renunciado a hacerlo la parte actora y transcurrido el concedido a la demandada, procede dictar la resolución definitiva dentro del término de Ley. -Y. -

#### CONSIDERANDOS

I. La acción del estado civil sobre la nulación del vínculo matrimonial que ejercita Elizabeth Escaron Taylor de Fisher en contra de Edwin Jack Fisher, también conocido como Eddie Fisher es procedente en la vía civil ordinaria según lo señalan los artículos 1, 2, 21, 266, 267, 268, y demás relativos del Código de Procedimientos Civiles del Estado de Jalisco, en relación con la causal existente en el Artículo 267 fracción novena del Código Civil para el Distrito y Territorios Federales en materia común para toda la República en materia federal, el cual es aplicable en el presente caso ya que son extranjeros tanto el actor como el demandado.

II. La personalidad en este Juicio de las partes, ha quedado acreditada con el documento base de la acción o sea el certifi-

##### caso del Registro de Matrimonio que obra en autos, así como el Poder Especial que fue conferido por la señora Elizabeth Rosamón Taylor de Fisher al señor Antonio S. Valenzuela, en los términos de Ley, lo anterior se encuentra de acuerdo con los artículos 25, 40, 41 y 42 del Código Civil para el Estado de Jalisco. - - - - -

III.- La parte actora ha probado la acción que seujo en este Juicio. En efecto, la actora relata en su demanda que su esposo el señor Edwin Jack Fisher, también conocido como Eddie Fisher, se separó del domicilio conyugal desde hace más de un año y que desde entonces han vivido separados, sin que su actual esposo hubiera intentado alguna acción para disolver el vínculo matrimonial, y en el capítulo de Derecho como causal la fracción novena del artículo 267 del Código Civil para el Distrito y Territorios Federales, aplicables al presente caso, y que establece que es causa de divorcio la separación del hogar conyugal originada por una causa que sea bastante para pedir el divorcio si se prolonga por más de un año sin que el cónyuge que se separó entable la demanda de divorcio. Consecuentemente la actora reconoce que la separación del hogar conyugal que habían establecido, pudo ser motivada por una causa suficiente para que el cónyuge que se separó hubiera podido solicitar su divorcio, pero que la separación se ha prolongado por más de un año sin que el cónyuge haya entablado ninguna acción de divorcio. Este hecho debe estimarse probado plenamente de acuerdo con lo que disponen los artículos 279 y 393 del Código de Procedimientos Civiles para el Estado de Jalisco, ya que el primero de los citados preceptos dispone que transcurrido el término de emplazamiento sin haber sido contestada la demanda, se hará la declaración de rebelía y se mandará recibir el negocio a prueba, y que se presumen confesados los hechos de la demanda que se dejó de contestar, y el segundo de los preceptos invocados expresa que el declarador confeso sin que haya hecho confesión, podrá pedir prueba en contrario siempre que dicha prueba no importe una excepción no opuesta en tiempo oportuno. En el presente caso se hizo la declaratoria de rebelía y se ordenó el desahogo de la prueba confesional que ofreció la parte actora y en vista de que el demandado no concurrió al día y hora que se señaló para el desahogo de dicha probanza, se le declaró confeso de acuerdo con lo que disponen los artículos 309, 310 y 311 del Código de Procedimientos Civiles para el Estado de Jalisco y como el demandado no presentó ninguna prueba en contrario para desvirtuar la presunción que establece el artículo 279 nada que se deriva del artículo 393 del Código de Procedimientos Civiles invocados, debe estimarse que la parte actora probó plenamente los hechos fundatorios de su acción, por lo que es procedente manifestar que el actor probó su acción de divorcio ejercitada en el presente Juicio. - - - - -

IV.- De acuerdo con lo que dispone el artículo 283 en su Regla segunda, del Código Civil para el Distrito y Territorios Federales aplicable al presente caso, debe considerarse que la parte actora es el cónyuge inocente y consecuentemente le corresponde ejercer la patria potestad sobre su menor hija Liza To... Fisher, y por lo que respecta a los bienes comunes de la Sociedad conyugal, al no existir éstos por no haberlos adquirido las partes, no es posible resolver al respecto, que tan sólo salvo los derechos de las mismas en caso de que algunos aparecieran. Visto lo anterior, se declara disuelto el vínculo matrimonial entre Elizabeth Rosamón Taylor de Fisher y Edwin Jack Fisher, también conocido como Eddie Fisher, los cuales se encuentran en aptitud para contraer nuevo matrimonio, en caso que lo consideren conveniente. Una vez que cause ejecutoria de la presente resolución, remítase copia certificada de la misma al Oficial del Registro Civil de esta población para los efectos del artículo 103 del Código Civil para el Estado de Jalisco, a más remítase otra copia certificada de la misma resolución. - - - - -

I think we should send file to DD LOS & let him hold on to it in case she files N-400 in future.

I don't believe notification to Senators Office is necessary as they were only acting on the belief that Ms. Taylor was intending to naturalize. Also the Congressional contact nor Roger Wood (Taylor's mgr.) has ever gotten back to us for follow up as requested by us.

MEMO TO THE FILE: A [REDACTED] TAYLOR, Elizabeth

April 21, 1977

From: [REDACTED] C.I., Washington, D.C.

(b)(7)(c)

On 4/19/77 I was directed by the Deputy D.D. to discreetly locate a telephone number or address where Subject, or John Warner, her USC husband, could be located or contacted since information had been received indicating that she may be an overstayed B-2. I was advised that they had been married in Arlington County, Va. in September, 1976 and may be living in Fauquier County, Va. A check of the Arlington County records on that date did not reveal any record of marriage.

On 4/20/77 the Fauquier County records were searched and revealed that they had been married in that county in December, 1976. Warner's address was listed as Upperville, Va.

His residence was located (it is a large farm outside of Upperville) and his housekeeper was interviewed. She indicated that he has a residence in Georgetown that he uses during the week and that he can be contacted through his secretary at [REDACTED]. I did not identify myself to the housekeeper.

(b)(6)

This information was passed on to the Deputy D.D. and on 4/21/77 I was informed by my supervisor that the D.D. had contacted Warner who told him that Subject had last entered the U.S. at LOS on 3/31/77 as a B-2 until 9/30/77, and that an I-130 would be filed forthwith. I was further advised that the D.D. had directed that no further action should be taken by the investigative section at this time and that the case should be considered closed.

DATE: April 19, 1977

REPLY TO  
ATTN OF: Deputy District Director (b)(6)Washington, D. C. SUBJECT: Elizabeth F. Taylor; 

TO: FILE

(b)(6)

Janet Graham, Public Information Office, Central Office called this date to advise that Mr. Jervis' office had recieved a request from Parade Magazine concerning the immigration status of Elizabeth Taylor. Mrs. Graham also advised that she had contacted Central Office index and determined that Elizabeth Taylor last entered the United States as a visitor for pleasure (B-2), on September 8, 1976 and was authorized to remain until September 30, 1976. Mrs. Graham also advised that file (b)(6)  relating to Mrs. Taylor was charged to Los Angeles in 1962 (May 29, 1962).

Elizabeth Taylor was born in London, England on February 27, 1932 and following her marriage to Richard Burton, she renounced her United States citizenship (1966). This act, Mrs. Graham advised was verified by the State Department today. Upon further conversation with Parade Magazine by PIO, Graham advised that the writer for Parade, Mr. Lloyd Schearer, would await a determination of Taylor's status before writing his story. As Taylor presently resides within the jurisdiction of the Washington District Office, this office has been asked to furnish a report to Vern Jervis.

I contacted Central Office index and a print of the I-94 showing the admission cited above will be forwarded to this office, to my attention. The local address for Elizabeth Taylor in Washington is  Washington, D. C.

(b)(6)

I also contacted the District Director in Los Angeles and requested the subjects A file. The District Directors secretary advised, prior to sending the file, she would give this office a call.

It should also be noted that Mrs. Taylor married John Warner, former Secretary of the Navy and former head of the Bicentennial Committee, during the Fall of 1976, (believe about Thanksgiving time) and resides with her husband in Middleburg, Virginia or Warrenton, Virginia. Mr. Warner is actively seeking a nomination for United States Senate from the State of Virginia.

(b)(7)(c)

I have discussed this matter, in view of the above mentioned facts, with the supervisor of Investigations, I have asked Investigator  to make a discreet inquiry to determine the present address of Mrs. Warner in order that we could invite her into this office to discuss her immigration status.

Janet Graham, Public Information Office, Central Office called this date to advise that Mr. Jervis' office had received a request from Parade Magazine concerning the immigration status of Elizabeth Taylor. Mrs. Graham also advised that she had contacted Central Office index and determined that Elizabeth Taylor last entered the United States as a visitor for pleasure (B-2), on September 8, 1976 and was authorized to remain until September 30, 1976. Mrs. Graham also advised that file A [REDACTED] relating to Mrs. Taylor was charged to Los Angeles in 1962 (May 29, 1962).

(b)(6)

Elizabeth Taylor was born in London, England on February 27, 1932 and following her marriage to Richard Burton, she renounced her United States citizenship (1966). This act, Mrs. Graham advised was verified by the State Department today. Upon further conversation with Parade Magazine by PIO, Graham advised that the writer for Parade, Mr. Lloyd Schearer, would await a determination of Taylor's status before writing his story. As Taylor presently resides within the jurisdiction of the Washington District Office, this office has been asked to furnish a report to Vern Jervis.

I contacted Central Office index and a print of the I-94 showing the admission cited above will be forwarded to this office, to my attention. The local address for Elizabeth Taylor in Washington is [REDACTED] Washington, D. C.

I also contacted the District Director in Los Angeles and requested the subjects A file. The District Director's secretary advised, prior to sending the file, she would give this office a call.

It should also be noted that Mrs. Taylor married John Warner, former Secretary of the Navy and former head of the Bicentennial Committee, during the Fall of 1976, (believe about Thanksgiving time) and resides with her husband in Middleburg, Virginia or Warrenton, Virginia. Mr. Warner is actively seeking a nomination for United States Senate from the State of Virginia.

I have discussed this matter, in view of the above mentioned facts, with the supervisor of Investigations, I have asked Investigator [ ] to make a discreet inquiry to determine the present address of Mrs. Warner in order that we could invite her into this office to discuss her immigration status.

# 'NO RESPECT'

## Lawmaker Asks: Should U.S. Bar Liz, Burton?

WASHINGTON (UPI)

A Georgia congresswoman called on Attorney General Robert F. Kennedy Tuesday to determine whether Actress Elizabeth Taylor and Welsh Actor Richard Burton should be barred from the United States.

Rep. Iris F. Blitch (D-Ga.), in a speech inserted in the Congressional Record, said it was the right of the American people "to ostracize those who show no concern for either flag or people — particularly innocent children — or show no respect for either, cherished institutions or God."

MRS. BLITCH, a grandmother completing her final term in Congress, said "It

Taylor announced during the interlude that she and her fourth husband, singer Eddie Fisher, planned a divorce.

Mrs. Blitch said the relationship between Miss Taylor and Burton lowered the prestige of American women abroad, and damaged goodwill in foreign countries, particularly Italy.

She said one of the "uglier effects" of the triangle was the fate of the eight children belonging to Miss Taylor, Fisher, and Burton.

"The real truth of the matter is that the producers of "Cleopatra" in their overzealous quest for box office exploitation have been derelict in their duty not only to the people, but to God and country as well," Mrs. Blitch said. "To make a mockery of profit out of that which is ordained by our Lord, is a blasphemy of the highest order."

Mrs. Blitch cited newspaper articles which indicated that Burton had no intention of marrying Miss Taylor and suggesting that she should get 10 per cent of his earnings because his fee rose to \$350,000 per picture as the result of his new image as a great lover.

The House Rules Committee took no immediate action on the request for an inquiry into the movies. But Chairman Howard W. Smith (D-Va.) said there was considerable favorable sentiment for one. Some committee members suggested a broad inquiry, to include paperback books, television and smut in the mails.

is my hope that the attorney general in the name of American womanhood will take the measures necessary to determine whether or not Miss Taylor and Mr. Burton are ineligible for re-entry into the United States on the grounds of undesirability."

At the same time displeased lawmakers asked the House Rules Committee to authorize a congressional investigation of sex in movies. They said the morals of youth were in jeopardy.

Rep. Joseph P. Addabbo, (D-N.Y.), said Anthony and Cleopatra "were angels compared to what is going on in Rome between Elizabeth Taylor and Richard Burton."

Miss Taylor is an English-born American citizen. Burton is a Welshman.

Burton became the beautiful actress' frequent companion during the filming of "Cleopatra" in Rome. Miss

Mr Kennedy,

I, like millions of other Americans, most heartily agree with the views of Rep. Iris Blitch concerning the disgusting case of Liz Taylor.

She most certainly should not be allowed to ever come back to America. Too it would seem that film "Cleopatra" should be banned.

Most certainly our beloved America is in the lowest state of Moral. And while we who know the worth of Prayer petition God to have mercy on us

we Trust that He will lead you at the head of our Government, to stand for the right in all things. The example the afore mentioned actress has set before our young folks is absolutely a disgrace.

This would be a good time to prove to our young folks that Crime and Sin does not pay.

I too am a grandmother of 3 lovely little ones and concerned about the world they are to grow up in.

An open letter to Mrs. Iris Blicht.

If Jesus could forgive, who are we to judge-

Liz is wrong, we know that, but your desire will neither help her nor make amends. She needs love, guidance and understanding friends. You don't really think she likes living this kind of life do you? Just pretend for a moment she is your daughter, would you then want her barred from her country? Don't you know some neighbor, perhaps even a friend that has committed the same kind of sin in this world? If you don't you must live a very sheltered life. The great sin about this is the publicity a famous person has to live with. Actually, the only persons that are being hurt are the ones involved. What make you think this is any of your business? Don't you have enough in you own life to keep you busy? Must you make yourself a judge and jury.

Show a little mercy my friend. Play at being a christian- it feels good.

Your wondering who I am, and why I am writing this to you? Perhaps because I have loved Liz since she was a little girl. But wait, let me tell you my story;

My own little girl was born about the same time that Elizabeth Taylor was. When my daughter Connie was old enough to realize the girl in the movies, she became the pretend playmate of Liz. So, through the years I have loved, scolded and prayed over her that she might become a good person, wife and mother. Ah, yes, she went off her course, but do you think for one moment I am going to stop loving her now. To Liz I do not even exist, but to me she is a real person who needs real help, and if it can not be I, perhaps someone will come along to straighten her life. I will not believe there is no hope for her. Now, more than ever I would fight for her, because you see

my darling daughter disappeared from her home in Pheonix, Arizona five years ago. We have never found a trace of her, but I still have great hopes that one day I shall see her again.

R. F. Kennedy  
Dear Sir:-

If you barred Miss Taylor and Burton, from the U.S.A. you would have to also bar Eddie Fisher, as he ran around with his wife before he divorced Debbie. Also Frank Sinatra, and a lot more people that are not in show business. If everyone was barred from the U.S.A. for misconduct, I dont think there would be very many of us left here. They are not committing any major crime, although I do not think they are very discreet, to say the least. You would also have to bar Ingrid Bergman, and I could go on and on.

I am writing in behalf of Elizabeth Taylor and Richard Burton.

My opinion is: There are millions of married men and women having love affairs with other men & women. They should not be denied their

right to return to the U.S. and live in peace as others who are doing the same things are.

Miss Taylor's character is being destroyed and her life threatened because of so much publicity of everything she does. Her children will suffer because of the publicity about their mother. Since her life is threatened because of publicity - I think

Dear Mr. Kennedy:

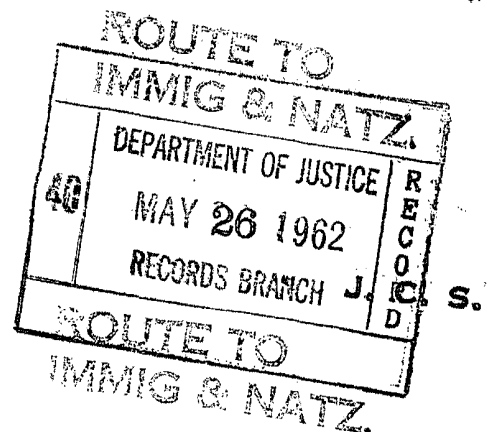

I wish to express my praise of Mrs. Iris F. Blich's concern about the actions of Elizabeth Taylor. I feel that such a person is bad for the youth and adults of our nation. Family affairs are in such a poor state of affairs in our nation. The divorce rate, the immorality and all make us shudder. I feel that Miss Taylor's actions in marriage, children and her attitude toward other people in general should keep people from supporting her in movies.

Please do what you can to help Mrs. Blich.

Thank you.

Dear Sir:

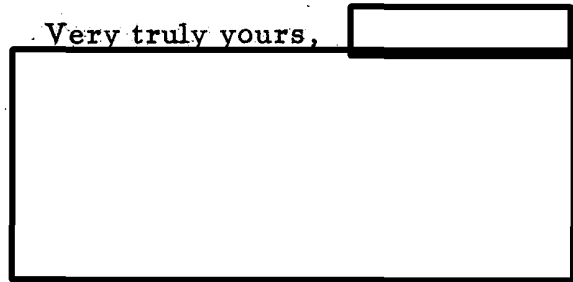

The Congressional investigation of sex in movies I truly agree needs checking, not only for the morals of youth but also adults.

But-----the Congresswoman, Iris Blitch, is stepping over the line when she asks the United States to bar Elizabeth Taylor and Richard Burton from the United States on such grounds as "showing no concern for either flag or people----particularly innocent children----or showing no respect for either cherished institutions or God."

This request is calling for us to judge actions of others in their private life. If we are so inclined to feel qualified to judge Taylor-Burton, then should we not judge those Americans doing supposedly the same thing. There are Communists in the United States who have no respect for our Flag or God, but as a free country we seem to not be able to control or ostracize them. . . . they have freedom of speech, actions, etc., so what is so wrong with the Taylor-Burton affair (if it is an affair). We can not truly determine if they are doing something morally wrong and WHAT BUSINESS IS IT OF IRIS BLITCH, D., Ga. (b)(6)

Dear Mr. Kennedy:

I read in our Rocky Mountain Newspaper of Rep. Iris F. Blicht's action toward Miss Elizabeth Taylors re-entry into the United States.

I think Rep. Blicht's action is one of the most flagrant abuses of her high government office that could be tolerated by the American people.

I would not consider dis-owning one of my children because of their wrong doings. If they merit punishment, then punishment they shall receive, but I would not deprive them of their family or the protection guarenteed them by their birth or acceptance.

I cannot tolerate a gooder-than-thou philosophy whose doctrine preaches bigotry. Let us preserve our remaining freedoms and cultivate a stronger feeling of security among our citizens by insuring the protection due the people by its government.

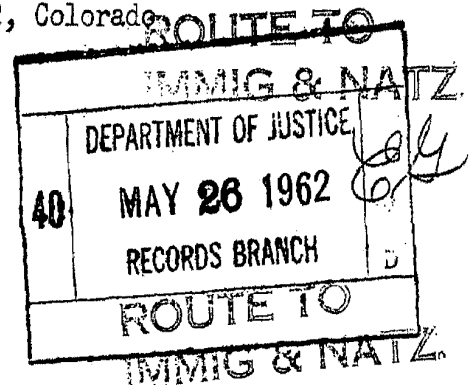

Thomas Jefferson once said, "I know no safe depository of the ultimate powers of society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education."

Thank you kindly for your consideration.

I understand you have been requested to do something about preventing Elizabeth Taylor's return to this country.

I realize you are a very busy man and perhaps this request seems insignificant but I don't regard it as such. Our country has spent millions of dollars trying to convince other countries that we're pretty nice people. And yet, in a country where marriage and motherhood are highly regarded, she creates an image of American womanhood that is disgusting, immoral, and frowned upon by the majority of American women. I feel she has done us a great injustice and that an example should be made of her actions.

Your consideration will be appreciated.

The enclosed copy, or article, is my reason for writing to you. Has this Congresswoman no other chores but to put her time to other peoples affairs, & bother you with such trifles. If we were to report every woman who is having an affair with a married man, the congressmen & woman would not have so much time for excess government travel. Elizabeth Taylor has no one to answer to about her private life but GOD, & her own personal family. Certainly, in this world of turmoil, I would think you could find something constructive for the Congresswoman to do, other than mind other peoples personal lives, & affairs.
