On 12/17/2021, I received a Cyber Tip (109870893) from NCMEC. The report was titled Priority Level 2, "Indicates possible risk to an individual in the near future or is otherwise time-sensitive".

The report was called in 11/24/2021 by someone who wished to remain anonymous. The person stated that someone with the Snapchat user name of "loweredjimenez" had sent multiple videos of [REDACTED] (approximate age of 5 or 6) masturbating him and giving him oral sex. According to the report, the suspect was identified as Noel Jimenez with a phone number of 479-426-9772 and a username of "Static Noel".

On 12/20/2021, I called the reporting party at 803-369-1842 and I spoke with [REDACTED]

[REDACTED] told me that she met Noel Jimenez a few months ago while she was working at [REDACTED]. She said Noel was a customer who befriended her and they exchanged Snapchat contact information. [REDACTED] said she observed Noel's Snapchat account and found several videos of him having sex with believed to be adult females and videos of a prepubescent male performing oral sex on an adult male. I was told that they saved the videos to share with law enforcement, which I later received. [REDACTED] told me that Noel commented on one of the videos that the child in the video [REDACTED] said they saw the videos on the Snapchat account approximately two (2) weeks ago.

I received the following videos from [REDACTED]

- cm-chat-media-video-1_1ca1a362-8f23-5927-8af3-02dbb985d9e1_7_12_0.mov
- cm-chat-media-video-1_1ca1a362-8f23-5927-8af3-02dbb985d9e1_7_13_0.mov

I found that the videos ending in _7_12_0 and _7_13_0 depicted a possible Hispanic male child, who I believed to be between the ages of seven (7) and nine (9) performing oral sex on a Hispanic male, later identified as Noel Bonilla-Jimenez. The child was later identified and will be referred to in this report as John Doe-8. The child was wearing a white polo style shirt with

some sort of emblem on the right side. In the video clips I could hear Noel telling John Doe-8 to “show your face” as he was recording.

I found that the videos ending in _7_14_0 and _7_8_0 depicted a possible Hispanic male child, who I believed to be between the ages of seven (7) and nine (9) performing oral sex on a possible Hispanic male. These incidents appeared to have taken place in a vehicle. I could hear Noel counting “1 second”, “2 seconds” through “5 seconds” before the video ended.

On 12/20/2021, at approximately 1425 hours SGT Jeff Pollock and I made contact with Ana Jimenez at 1811 South 11th Street. Officer Brusherd translated the conversation. Ana identified herself as being Noel’s mother.

Ana said Noel lives at the residence. I showed Ana a screen clipping of the child from the video (wearing a blue shirt) and she identified the child as [REDACTED] John Doe-8. She said John Doe-8’s [REDACTED] Ana said she did not know [REDACTED] address and provided a phone number for [REDACTED]

I showed Ana a screen capture of the adult male in the video and she said that the person was Noel. I showed Ana another picture from Noel’s Facebook account and asked her where that picture was taken. Ana said the picture (a selfie of Noel) was taken inside a bathroom at her residence. This image was of importance due to the background being similar to the background in one of the video recorded sexual assaults of John Doe-8. Ana said Noel was not home and we left the area.

Sgt. Pollock and I made contact with Noel and conducted an interview with him. Noel admitted to being the owner of the accounts listed in all of the Cyber Tips, with the exception of “nudesender2021”. Noel initially denied knowing the child (John Doe-8) in the screen capture; however, later said [REDACTED]

Noel replied, “I’m going to be honest with you now since you basically know everything.” Noel told me that the “child” [REDACTED] and that they have already discussed and dealt with the incident [REDACTED] He said that the [REDACTED] occurred last year. Noel said he was not comfortable talking about the incident at the moment and went on to say that he has not seen John Doe-8 in four (4) or five (5) years.

I told Noel that he has shared the videos from the Static Noel account and Noel responded in the affirmative. Noel then told me that he deleted the videos “a while ago”. Noel said he recorded the incidents with John Doe-8 on his old iPhone 6 and said that he now has an iPhone

Xs or Xr. Noel told me that he has only had the Static Noel account for approximately one (1) week.

Noel stated that the incidents (referring to John Doe-8 performing oral sex on him) occurred two (2) or three (3) times and that all of the incidents occurred at his residence, 1811 South 11th Street. I informed Noel that one of the recordings appeared to have taken place inside a vehicle. Noel replied that they were in his vehicle that was parked in the driveway of his residence. Noel said the incident in the vehicle occurred four (4) to six (6) years ago. Noel told me that he had John Doe-8 perform oral sex on him because he (Noel) was curious. Noel stated he was not attracted to children and he would not offend on another child.

Noel said he has not "touched" John Doe-8 since he (Noel) was fourteen (14) or fifteen (15).

I asked Noel if he would allow me to look through his cell phone to verify that he did not have the videos of John Doe-8. Noel told me that he would not consent to me searching his cell phone. Noel told me that he had a computer in his room that he only uses for playing video games, ordering food, Netflix, YouTube and Instagram.

John Doe-8 was later interviewed at the Children's Advocacy Center and he did not disclose any sexual abuse. When the interviewer asked about seeing a video with him in it, John Doe-8 began to cry and said he wanted to leave the room.

After the interview, I spoke with [REDACTED] in a separate interview room. I informed [REDACTED] of the allegations and said that Noel had recorded the sexual assaults of John Doe-8. [REDACTED] stated she was unaware of any sexual assaults and said that [REDACTED] not have a discussion about that with Noel. [REDACTED] said about a year ago, John Doe-8 said that Noel was being mean to him and [REDACTED] Ana, agreed not to have Noel and John Doe-8 spend any time together. [REDACTED] said Ana initially asked her if John Doe-8 had said anything to her, concerning Noel.

I showed [REDACTED] the screen clipping of John Doe-8 and she said that it was her son and that the picture appeared to have been taken approximately one (1) year ago, when John Doe-8 was 7 years old.

On 12/21/2021, I applied for and received search warrants for Noel's residence (1811 South 11th Street).

At approximately 1420 hours, several Detectives of the Rogers Police Department and myself executed the search warrant at Noel's residence. After knocking on the door several times and announcing our presence, Noel answered the door.

I brought Noel out of the house and asked if anyone else was inside. Noel replied there was not. I checked Noel for weapons and had him sit in a chair on the front porch while Detective Yager, Detective Keck and I cleared the residence.

CST Brian Culpepper photographed the residence and we began the search. We located an iPhone 7 (model A1660) on the bed in Noel's bedroom. We located an iPhone Xs (model A1921) on the floor, at the foot of the bed, in Noel's bedroom. We located an iPad (model A1490) on the desk in Noel's bedroom. We located a black Montech computer tower on the desk in Noel's bedroom. We located a blue HP 8GB flash drive in a drawer in the laundry room and a black SanDisk 16GB flash drive on the kitchen table.

12/27/2021, I applied for and received a search warrant for the seized devices.

On 12/28/2021, at approximately 1315 hours, I executed the search warrant on the iPhone 7. At approximately 1430 hours, I executed the search warrant on the iPhone Xs. I conducted forensic extractions of both cell phones.

On 1/4/2022, at approximately 1510 hours, I executed the search warrant on the MONTECH computer tower. I removed a 1TB Western Digital HDD from the computer tower and conducted a forensic examination of the 1TB hard drive.

I located one of the videos (Snapchat file name cm-chat-media-video-1_1ca1a362-8f23-5927-8af3-02dbb985d9e1_7_8_0.mov) that depicted John Doe-8 performing oral sex on Noel. The video had a file name of "video-1621276060.mp4" and a file path of "Partition 2 (Microsoft NTFS, 930.95 GB)\Users\Test\Downloads\video-1621276060.mp4". I found there were 4 copies of the video in the same "Downloads" folder. The metadata attached to the videos show that they were downloaded to the computer on 07/22/2021.

I found the same video (however with a different MD5 hash value) with a file name of "49159677-db54-43b5-ba6e-5ba4d8024d8a.mp4" on the iPhone 7. This video was associated with a Whatsapp chat conversation between phone numbers +234 807 950 3374 and 1479-426-9772, which is Noel's phone number. According to the conversation, Noel was speaking with another male and they were talking about Noel wanting to learn how to give oral sex to a male. Noel sent the video to the man with a text message that read, "7 year old boy". Below is a

portion of the chat conversation that is related to the video.
