PILOT: Curtin		TFO: McClure	ASSIGNMENT: Crime Patrol	

- C 933 5901 Coliseum Way FOS/10 dispatch advised of an alarm at the location. We observed area and covered responding units on 949 stop at location.
- C 459I/P 8435 Baldwin FOS/10 dispatched and upon arrival observed white car parked in area and two subjects running into property. As units arrived to the stopped white Dodge the car fled from Officers and stopped IFO location to pick up the two subjects who had run into the property. We followed car as it fled S/B 85th Ave. Car failed to make the turn S/B 85th Ave at Edes and all occupants fled into the yards. Directed units to subjects who were detained attempting to flee the yards. 3 I/C
- C CD7 100 71st Ave. FOS/10 dispatch advised of call with several subjects in area. We covered arriving units who had foot chase with CD7 subject. Detained at Herbert Guice and 71st Ave. 1 I/C
- C 23103/2800VC CD7 Fruitvale E-12th St. FOS/10 unit advised of car fleeing area W/B E-12th St. We followed vehicle until it parked on 48th Ave South of Vicksburg. Directed unit to the driver who exited and walked away S/B along west sidewalk. Unit was able to detain subject. 1 I/C
- C 23103VC vehicles Fruitvale/San Leandro St. FOS/O/V observed 4 cars driving erratically together. We followed all four cars as they drove around east Oakland. Drove into several commercial property areas and would slow and stop casing possible businesses. While following the four cars broke up and went different directions but met at High St. and MacArthur Blvd. There I directed units to make an enforcement stop for traffic violations. All four cars fled from arriving Officers who attempted traffic enforcement stops. Two cars were successfully spiked with tire punctures. We followed 2010 Audi Q5 Black as it fled speeding S/B High St. to N/B 880. It took the 23rd Ave. exit and all three occupants fled after the car stopped due to the flat tire. I directed units to the three subjects who fled and all three were detained. 3 I/C SEE INC #650 and RD 20-027034 for further details.
