Texas State Representatives Host Summit on Anniversary of Winter Storm Uri

Austin, TX. -- Tuesday, February 15th, Members of the Texas House of Representatives will host a summit on the anniversary of Winter Storm Uri to shine a light on the impact of the grid's failure on Texans across the state. The summit will feature testimony from medical experts, emergency personnel, government officials, Texas residents and extreme weather experts.

Immediately before the summit begins, members will hold a press conference covering the work left to be done on the grid, honoring the lives lost during last year's winter storm and offering a preview of the People's Summit. **Both events are open to the press.**

The People's Summit: Press Conference

Speakers include Reps. Vikki Goodwin, James Talarico, Gina Hinojosa

Speaker's Committee room 2W.6 - Texas Capitol

8:15 A.M. CT

Event will be livestreamed [here](#)

The People's Summit: Truth and Reconciliation
