2 CAUSE NO. 22-1-00299-5 KNT

3 PROSECUTING ATTORNEY CASE SUMMARY AND REQUEST FOR BAIL AND/OR
4 CONDITIONS OF RELEASE

5 The State incorporates by reference the Certification for Determination of Probable
6 Cause prepared by Detective Tracie Jarratt of the Renton Police Department for case number 94-
7 11149.

8 The State respectfully requests that bail be denied pursuant to Article 1, Section 20 of the
9 Washington State Constitution:

10 All persons charged with crime shall be bailable by sufficient sureties, except for
11 capital offenses when the proof is evident, or the presumption great. Bail may be
12 denied for offenses punishable by the possibility of life in prison upon a showing
13 by clear and convincing evidence of a propensity for violence that creates a
14 substantial likelihood of danger to the community or any persons, subject to such
15 limitations as shall be determined by the legislature

16 The defendant has been charged with two counts of Aggravated Murder in the First
17 Degree for viciously attacking and murdering a young woman and her three-year-old child. If
18 convicted of these charges, Mr. Jones will be required to be sentenced to life in prison without
19 the possibility of parole pursuant to RCW 10.95.030. Given the defendant's history of violence
20 and his egregious conduct in this case, no bail is appropriate in this matter.

21 Shortly after he murdered Stacy and Jacob Falcon-Dewey, the defendant shot a man to
22 death in California in March of 1995. After that crime, Mr. Jones fled back to the Seattle area,
23 where he was later arrested and held at the King County Jail. While in custody, the defendant
24 brutally assaulted a corrections officer. Mr. Jones was convicted of Assault in the Second
Degree in 1996 and given an exceptional sentence above the standard range. The sentencing

1
2 court found that “the defendant committed this assault with deliberate cruelty, delivering
3 multiple, gratuitous blows to [the victim], even after the officer had fallen to the floor.”

4 Mr. Jones was subsequently extradited to California to stand trial for murder. He was
5 convicted of Murder in the First Degree in 1998 and is still imprisoned for that offense.
6 According to the sentencing paperwork in that case, Mr. Jones had previously been convicted of
7 assault for shooting someone in the back during a robbery in 1987. It also appears that he has
8 been convicted of several additional crimes while he has been in prison including felony assaults
9 (2004, 2013) and felony possession of a weapon (2016). (In addition to these crimes, the
10 defendant has other convictions in both California and Washington that predate his incarceration
11 for murder.)

12 In this case, the defendant bound Stacy Falcon-Dewey, beat her, orally raped her and
13 likely shot her child to death in front of her before killing her. The extraordinary violence and
14 cruelty of these murders demonstrates the extreme danger he presents to society.

15 Given the defendant’s conduct in this case, his conviction for yet another murder, and his
16 numerous additional convictions for violence, no bail is justified in this matter pursuant to Art. I,
17 Section 20 and CrR 2.2(b)(2) as the defendant clearly presents a substantial likelihood of danger
18 to the entire community.

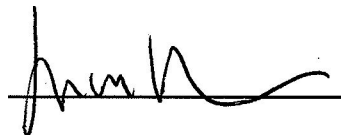

19 The State also requests that Mr. Jones be ordered to have no contact with any members of
20 the Falcon and Dewey families and any known witnesses.

CAUSE NO: _____
CERTIFICATION FOR DETERMINATION OF PROBABLE CAUSE

That **T. Jarratt** is a **Detective** with the Renton Police Department and has reviewed the investigation conducted Renton Police Department case number **94-11149**;

There is probable cause to believe that **Jerome F. Jones (dob: 3-12-70)** committed the crime of **Murder in the First Degree (R.C.W. 9A.32.030)** of **Stacy Ann Falcon-Dewey, DOB 10/23/71**, and the crime of **Murder in the First Degree (R.C.W. 9A.32.030)** of **Jacob "Jake" Dewey, DOB 3/18/91**. This belief is predicated on the following facts and circumstances:

On October 28, 1994, just prior to 3:30 a.m., a Seattle Times newspaper delivery person called 911 and reported the discovery of a woman's body on S. 55th Street in the City of Renton, King County, Washington. Responding Renton police officers found the body of 23-year-old Stacy Ann Falcon-Dewey and her 3-year-old son, Jacob "Jake" Dewey lying in the middle of the roadway next to Stacy's 1984 Buick Century. Stacy was lying on her right side. Jacob was lying on his mother's legs, on his left side. Both had obvious gunshot wounds. Subsequent examination by the King County Medical Examiner's Office determined that Stacy had suffered a fatal gunshot wound to the back of her head. She also had two additional gunshot wounds to her left arm and left shoulder, three blunt force lacerations to her head, bruising and linear abrasions to her neck. In addition, her belt buckle was undone. Jacob had suffered two gunshot wounds to his head, one at close range. The medical examiner determined the manner of death for both victims to be homicide.

Five .380 fired cartridge casings were recovered at the scene. Three of the fired casings were found near Stacy's body and the two other fired casings were found inside Stacy's car. The gun used to commit these murders was not found at the scene and has not been recovered to date.

Evidence collected and documented from the scene suggests that a struggle occurred both inside and outside of the vehicle and that the killer may have been looking for something. For instance, some of the contents of Stacy's purse were strewn about the vehicle, including her wallet. The keys to the car appeared to have been dropped between the driver's seat and the door and were not readily visible. In addition, numerous items from the vehicle were located outside the passenger side, including shoes, sunglasses, cigarette package and a floor mat from the vehicle. Amongst those items, investigators located circular sections of 2-inch, light brown packaging tape that were found shaped in a manner consistent with use as a binding, as well as buttons that appeared to have been ripped from Stacy's shirt. Investigators documented the scene, collected the evidence and canvassed an extended area around the murder scene. Two neighbors reported hearing gunshots at approximately 2:10 am.

Subsequent investigation discovered that Stacy had dropped off Jacob at a friend's apartment at the Kenton Ridge apartment complex the evening before their bodies were

discovered. The babysitter's apartment at Kenton Ridge apartments was located at 23902 111th PL SE in Kent. Stacy had previously lived in the apartment complex but moved out a few months earlier.

Detectives interviewed numerous witnesses and were able to document Stacy's whereabouts throughout the evening prior to picking up her son at the Kenton Ridge Apartment between 1:00 and 2:00 a.m. She was last seen around that time getting into her car with her son. Her boyfriend at the time was expecting them at her home at 20929 110th Avenue SE #1503, in Kent. The location of the Kenton Ridge apartments was approximately 4.5 miles from the murder scene and north of Stacy's apartment.

For several years, Renton Police Department detectives extensively investigated this case and pursued numerous leads, but no arrests were made, and no conclusive suspects identified.

In 2001, given the advances in DNA testing of evidence items, numerous items were submitted to the Washington State Patrol Crime Lab (WSPCL) for testing to include swabs and fingernail clippings taken from the body of Stacy Falcon during the autopsy. In 2002, WSPCL detected semen on the oral swabs and the right fingernail clippings. The male DNA profile from the semen was compared the DNA profiles in the Washington State Patrol (WSP) convicted felon database and was found to match **Jerome Frank Jones, dob: 3-12-70.**

Renton detectives learned that Jerome Frank Jones was in prison in California for a murder he committed in March of 1995. Detectives flew to California and interviewed Jones at the Salinas Valley State Prison. Jones admitted that he lived in the Kent-Auburn area from 1994 to 1995. When shown a picture of Stacy Falcon, Jones said that he did not know her. Jones was asked this question several times and he said he was positive that he had never met her and did not know her.

Detectives later confirmed with a Kenton Ridge apartment manager that a person named Jerome Jones had lived in the complex in 1993 to 1994. Other than both having lived at the Kenton Ridge apartments in 1994, no other connection between Jones and Stacy has been discovered. None of her friends or acquaintances mentioned seeing her with him or any unidentified man during the evening or the morning before her and Jacob's murders. (A convenience store clerk informed police that Stacy had been in the store at approximately 1:20 am with an unidentified white male; this was before the time frame that Stacy was known to have picked up her son at the Kenton Ridge apartments. None of the witnesses that saw her at the apartment indicated she was with anyone at that time.)

A number of additional evidence items have been submitted or resubmitted to the WSPCL given continued advances in DNA identification. In December of 2021, investigators learned that semen was detected on the sleeve of the jacket worn by Jacob Dewey at the time of his murder. A male DNA profile was developed from the sperm fraction that matched the DNA profile of Jerome Jones. According to the report, it is 3.6 nonillion (10^{30}) times more likely to observe this DNA profile if it originated from

Jerome Jones rather than an unrelated individual selected at random from the U.S. population. In addition, the prior DNA match from the WSP convicted felon database match from the oral swabs and fingernail clipping from Stacy was confirmed with a DNA reference sample obtained from Jones.

Under penalty of perjury under the laws of the State of Washington, I certify that the foregoing is true and correct. Signed and dated by me this ____ day of February 2022 at Renton, Washington.
