RE: 2021 Annual Report on Free Expression on Campus

Dear Governor Stitt:

Please accept this letter as evidence that Meridian Technology Center is in full compliance with the intent of legislation addressing free expression on campuses. Meridian Technology Center submits the following report per 70 O.S. § 2120 (2019 SB 361).

Meridian's website includes the board policy, this report is accessible from the institution's website home page by the use of not more than three links, searchable by keywords and phrases, and is accessible to the public without requiring registration or use of a username, password or other identification.

Barriers to or Incidents of Disruption of Free Expression:

From the period of January to December 2021, Meridian Technology Center is unaware of and received no reports of any barriers or incidents of disruption of free expression on its campus. Meridian Technology Center has not established any zones that limit free speech.

Other Information Concerning Free Expression Rights:

To ensure that both students and those staff members responsible for discipline and education of students understand policies regarding free expression on campus, the following measures have been implemented:

1. Policies, regulations and expectations of students regarding free expression will be made public through inclusion in the student handbook, posted on the district website and will be discussed in student orientation sessions through enrollment times during the school year, and;
2. administrative personnel and instructors have received the school's policies and procedures regarding free expression on campus and will receive continued training concerning the schools' regulations, expectations, and duties regarding freedom of expression so that they
