RE: Revised Public Records Request 15-35  
 Emails To/From GM Scott-February 9 to 11, 2015  
 Non-MBTA Email Addresses

Dear Mr. Musgrave:

This letter is in further response to your public records request regarding the referenced.

Please be advised that a search for documents responsive to your request is likely to return a large number of documents of broadly varying substance. Your request does not provide sufficient, detailed information for the MBTA to determine or state what specific exemptions may apply to each record under the public records law. Based upon all available information, the estimated costs provided by the records custodian, of complying with your request are as follows:

Search and Segregation Time for Emails	
338 Emails (approximately 2 minutes to review each)	\$ 550.00
11 hours x \$50.00 per hour (Counsel)	\$ 40.00
1 hour x \$40.00 per hour (IT Staff)	
1 DVD	\$ 5.00
Total	\$ 595.00

This amount must be paid in advance and is just an estimate, which may change when the work is actually performed. If you want the MBTA to provide the requested documents to you kindly send a check, in the amount of \$ 595.00, payable to the Massachusetts Bay Transportation Authority, to the attention of the MBTA Law Department. Should you wish to narrow the scope of your request, please let us know.

Thank you for your attention to this matter.

Sincerely yours,

Public Records Officer
