RE: Freedom of Information Act Request, dated February 5, 2013

Dear Mr. Langer:

This letter is in response to the above referenced request.

Regrettably, we are unable to comply with your request. The Federal Reserve Bank of Atlanta ("Bank") is not an "agency" as that term is defined in The Freedom of Information Act, 5 U.S.C. § 552, and is therefore not subject to its provisions. However, the Bank has a similar policy which governs the release of non-public information. Even so, the material requested is considered inter-Bank communications consisting of analysis, opinions or recommendations, and is not subject to disclosure under Bank policy.

Thank you for your inquiry.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ana R. Cavazos-Wright".

Ana R. Cavazos-Wright
Associate Counsel
