Dear Sir or Madam: Under the federal Freedom of Information Act, 5 U.S.C. § 552 (the "FOIA"), I request as a reporter for National Public Radio, Inc. (NPR) that the Department of Health and Human Services make available to me for inspection and copying the following documents (which include electronic records): Any White Papers or Full Proposals submitted to HHS under the Broad Agency Announcement (BAA), BAA-19-ASPR NEXT-SOL-75A50119R00044, Area of Interest 4: "Real-Time Healthcare System Capacity Reporting." HHS written evaluation reports created in response to White Papers or Full Proposals under Area of Interest 4 in BAA-19-ASPR NEXT-SOL-75A50119R00044. Any white paper submitted to HHS by TeleTracking to HHS between Aug. 1, 2019 and Aug. 1, 2020. A copy of the Non-Disclosure Agreement signed by TeleTracking relating to BAA-19-ASPR NEXT-SOL-75A50119R00044 A copy of the contract signed by TeleTracking ASPR-BARDA, Contract No. 75A50120C00042. Emails referring to the term "TeleTracking" from February 1, 2020 to August 18, 2020, to, from, or copying the following HHS or CDC officials: Bryan Shuy Jose Arrieta Jim Parker Dr. Deborah Bix Robert Redfield Cameron Hernandez Emails referring to the term 'TeleTracking' from June 1, 2020 to Aug. 18, 2020, to, from, or copying the following HHS officials: Michael Caputo Katherine McKeogh As you know, the FOIA provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, please send me all non-exempt portions of the records I have requested and justify any deletions by reference to specific exemptions of the FOIA. I reserve the right to appeal your decision to withhold any materials. Since some of the documents listed above may be more readily available than others, please provide the documents that are available as soon as possible without waiting to provide access to all the documents. The FOIA provides for waiver or reduction of fees if disclosure could be considered as "primarily benefiting the general public." I am a journalist employed by NPR and intend to use the information I am requesting as a basis for a planned news story, which makes me a "representative of the news media." Therefore, I ask that you waive all duplication fees. If you deny this request, however, and the fees will exceed \$250, please notify me of the charges before you fulfill my request so that I may decide whether to pay the fees or appeal your denial of my request for a waiver. I submit this request in my capacity as a journalist, and this information is time-sensitive. Accordingly, I would appreciate your communicating with me by telephone or email -- 202-870-7566 or tmak@npr.org -- rather than by mail, if you have any questions regarding this request. You can also communicate with anyone in NPR's Legal Department through Micah Ratner, who is available at mratner@npr.org. (Date Range for Record Search: From 02/01/2020 To 08/18/2020)
