Select Committee to Investigate the January 6th Attack on the United States Capitol

March 1, 2022

VIA ELECTRONIC AND U.S. MAIL

Cleta Mitchell

Dear Ms. Mitchell:

Pursuant to the authorities set forth in House Resolution 503 and the rules of the House of Representatives, the Select Committee to Investigate the January 6th Attack on the United States Capitol (“Select Committee”) hereby transmits a subpoena that compels you to produce the documents set forth in the accompanying schedule by March 15, 2022, and to appear for a deposition on March 28, 2022.

The Select Committee is investigating the facts, circumstances, and causes of the January 6th attack and issues relating to the peaceful transfer of power in order to identify and evaluate lessons learned and to recommend to the House and its relevant committees corrective laws, policies, procedures, rules, or regulations.

The Select Committee’s investigation has revealed credible evidence that you publicly promoted claims that the 2020 election was stolen and participated in attempts to disrupt or delay the certification of the election results based on your allegations. Between early November 2020 and January 6, 2021 (and thereafter), you actively promoted claims of election fraud on behalf of former President Trump and sought to convince state and federal officials to take steps to overturn the results. In particular, you participated in efforts to prevent, delay, or overturn the certification of the popular vote results in several states¹; promoted false claims of election fraud to Members of Congress²; and participated in a call in which President Trump pressured the Georgia Secretary of State to “find” enough votes to reverse his loss there.³ According to materials on file with the
