One Hundred Seventeenth Congress

Select Committee to Investigate the January 6th Attack on the United States Capitol

March 1, 2022

VIA ELECTRONIC AND U.S. MAIL

Phillip Kline

Dear Mr. Kline:

Pursuant to the authorities set forth in House Resolution 503 and the rules of the House of Representatives, the Select Committee to Investigate the January 6th Attack on the United States Capitol (“Select Committee”) hereby transmits a subpoena that compels you to produce the documents set forth in the accompanying schedule by March 15, 2022, and to appear for a deposition on March 25, 2022.

The Select Committee is investigating the facts, circumstances, and causes of the January 6th attack and issues relating to the peaceful transfer of power in order to identify and evaluate lessons learned and to recommend to the House and its relevant committees corrective laws, policies, procedures, rules, or regulations.

The Select Committee’s investigation has revealed credible evidence that you publicly promoted claims that the 2020 election was stolen and participated in attempts to disrupt or delay the certification of the election results based on your allegations. Between mid-November 2020 and January 6, 2021 (and thereafter), you actively promoted claims of election fraud on behalf of former President Trump.¹ As part of that work, you convened a meeting between President Trump and more than 300 state legislatures in attempt to disseminate purported evidence of election fraud, encouraging them to sign onto a letter urging Vice President Mike Pence to delay the electoral certification on January 6, 2021.²

Accordingly, the Select Committee seeks documents and a deposition regarding these and other matters that are within the scope of the Select Committee’s inquiry. A copy of the rules governing Select Committee depositions, and document production definitions and instructions is

¹ Documents on File with the Select Committee.
