One Hundred Seventeenth Congress

Select Committee to Investigate the January 6th Attack on the United States Capitol

March 3, 2022

VIA US and ELECTRONIC MAIL

Kimberly Guilfoyle

Dear Ms. Guilfoyle:

Pursuant to the authorities set forth in House Resolution 503 and the rules of the House of Representatives, the Select Committee to Investigate the January 6th Attack on the United States Capitol (“Select Committee”) hereby transmits a subpoena that compels you to produce the documents set forth in the accompanying schedules A and B by March 11, 2022, and to appear for a deposition on March 15, 2022.

The Select Committee is investigating the facts, circumstances, and causes of the January 6th attack and issues relating to the peaceful transfer of power, in order to identify and evaluate lessons learned and to recommend to the House and its relevant committees corrective laws, policies, procedures, rules, or regulations. The inquiry includes examination of how various individuals and entities coordinated their activities leading up to the events of January 6, 2021.

The investigation has revealed credible evidence of your involvement in the events within the scope of the Select Committee’s inquiry. President Trump met with you, several members of his family, and others in the Oval Office the morning of January 6, 2021, which was also when he last spoke with Vice President Pence (by phone) prior to the joint session of Congress to certify the results of the Presidential election. You later spoke at the rally held on the Ellipse in support of President Trump and his allegations of election fraud. You told the crowd, “We will not allow the liberals and the Democrats to steal our dream or steal our elections,” and were filmed backstage prior to your speech telling people to “Have the courage to do the right thing. Fight!” When President Trump took the stage, shortly before the attack on the Capitol, he falsely asserted that he had won the 2020 Presidential election and urged the crowd to “fight much harder” and “stop the steal.” President Trump also encouraged attendees to march to the Capitol, telling them “I’ll be there with you.”

Based on documents and information provided to the Select Committee, you have claimed to have been involved in raising funds to pay for the Ellipse rally. Specifically, you told one rally

organizer that you “raised so much money for this. Literally one of my donors Julie at 3 million,” a reference to Julie Fancelli, who did in fact finance the rally. You also communicated with others about the decision by President Trump about who was and was not allowed to speak at the rally, including concerns raised about him sharing the stage with people like Ali Alexander, Alex Jones, and Roger Stone.

Accordingly, the Select Committee seeks documents and a deposition regarding these and other matters that are within the scope of the Select Committee’s inquiry. The Select Committee staff sought your voluntary cooperation with its investigation. Though you professed to want to cooperate, you produced only 110 pages in response to 14 document requests, and you refused to proceed with your scheduled transcribed interview on February 25, 2022, claiming you had not been previously informed that Select Committee Members could observe and participate. Staff had in fact communicated to your attorneys that Members could be present, but nevertheless offered to reschedule the interview. You declined.

A copy of the rules governing Select Committee depositions, and document production definitions and instructions are attached. Please contact staff for the Select Committee at 202-225-7800 to arrange for the production of documents.

Sincerely,

Bennie G. Thompson
Chairman
