

## Stop the Steal

In October 2016, as the race entered its final days, Citizens for Trump partnered with Roger Stone to take part in 'Operation - Stop The Steal'. The goal of this operation was to combat vote fraud and election rigging. There were two main focuses of the operation. First, a volunteer-led exit poll. Second, cyber security of the voting machines themselves.

Across all the groups involved, Stop the Steal succeeded in recruiting over 7,000 poll workers nationwide. The goal of these workers was two-fold. They were to stand outside polls and conduct an exit survey of voter preferences. Then, they were to count the number of voters that turned out to vote at that precinct. While performing this voluntary survey, all members were trained to be non-partisan, refrain
